The 10 Favorite Things We Love About Our Home

2. It is so nice to be so close to nature and see the aquatic bird life at all times of the day.
3. The house is perfect for entertaining both inside and out
4. The upstairs game room, media room, entertainment area and balcony with amazing lake view are a great place to relax with family and friends
5. The outside pool and spa area with outdoor kitchen are wonderful for casual outdoor entertaining with friends and family.
6. The extra small room upstairs is a great exercise room or fun visitor's room for young ones
7. The large downstairs sunroom off of the kitchen does enjoy the sun and can be used for a multitude of purposes: game room, hobby or reading room, or even a second study
8. Proximity to the pool facilities at the Rob Fleming Park
9. Access to the walking and biking trails at George Mitchell Preserve
10. The best part for us is being able to sit outside by the pool with a sunlounger at the end of the day - perfect way to wind down after a long day
