

Things to LOVE about 33926 Thousand Oaks Blvd.

Dual zone oven

Rachio sprinkler controller (controlled through an app on the phone).

Tankless hot water heater

Nest thermostat downstairs with remote sensors.

Ecobee thermostat upstairs with remote sensors.

Smart home through ATT Digital life home security.

ATT fiber optic internet up to 1 gig.

4 security cameras with dvr.

Air conditioned and insulated 3 car garage.

Master bedroom windows were replaced with Anderson windows to help with the noise.
