Move-in ready!

This property comes with TWO separate homes, a large shop and outdoor kitchen. Both homes have been beautifully updated throughout and second home is currently used as a rental. Updates in the main 4 bed / 2 bath home include laminate flooring, carpet, tile and crown molding installed. Kitchen cabinets replaced and matching appliances (double oven!) installed. Roof, A/C and furnace replaced in 2016. R30 insulation in attic and all windows replaced. Refrigerator, media equipment and chairs stay! Exterior hardieplank installed 2018. Large 40' X 20' shop is insulated and equipped with an outdoor sink. Outdoor kitchen area is covered and has water and electric, bbq pit stays!
