

Reasons I love this home!!! (By Owner)

I feel safe, private, quiet road, safe for kids,

no traffic

Bridle Trails, safe for horses

Not over looked by anyone, private stocked pond

It drains well, never floods, no mud, no gumbo

Beautiful shade trees-kids can play outside

Easy to entertain and have guests to stay, everyone has space

Wonderful community and neighbors

It's a beautiful home where we started our family. If we hadn't moved, we would stay here as we love the neighborhood and our kids love the house and pool. Also,

my horses love the peace and wonderful pasture and trails.
