

FEATURES

Features Included in South Shore Harbour, Oak Harbour West, 65' / 70' / 85' Section

Quality Construction

- Limited Builder Warranty: Two year Workmanship Warranty, Ten year Structural Warranty.
- Cemplank exterior siding with a 25-year limited transferable manufacturer's warranty (varies per plan).
- James Hardie trim and soffit for durability.
- Professionally engineered post-tension foundations.
- Exterior base plates anchored to foundation.
- Second story subflooring, 3/4" tongue and groove, glued and screw shank nailed for smoother floors.
- Quality inspections performed by a third party or experienced construction staff at various stages of the construction process.

Exterior

- Brick front porch.
- 30-year warranty architectural shingles – nailed, not stapled.
- Insulated and pinch resistant Wayne Dalton garage doors.
- Front yard grass and landscaping.
- Pre-wired for garage door opener.*
- Beautiful mahogany front door with leaded glass inserts.
- Schlage exterior door hardware.
- Concrete patio (varies per plan).
- Partial rain gutters.
- Cedar three-rail fence in back yard.
- Breezeway connection on homes with detached garages.
- Two-tone paint on exterior of two-story homes.
- 100% brick on first floor.

Safety and Energy

- HardieBacker Cement Board with Moldblock Technology installed to provide superior protection against mold.
- Homes built to meet or exceed ENERGY STAR® and GHBA Green Building Initiative specifications, improving energy efficiency and protecting the environment.
- Smoke and carbon monoxide detectors.
- Fresh Air Intake System for improved indoor air quality.
- TechShield® radiant barrier roof decking to reduce heat transfer into the attic (not on detached garages).
- CPVC plumbing system installed in homes, improving both water purity and energy efficiency.
- ENERGY STAR® labeled GE dishwasher operates on 40% less energy than the federal minimum standard for energy consumption and uses much less water than conventional models.
- High-efficiency Carrier furnace uses a hot surface ignition system and eliminates the need for a pilot light, reducing gas usage and promoting worry-free operation (varies per community).
- Energy-efficient State water heater with Green Choice gas burner reduces nitrogen oxide emissions up to 33% (varies per community).
- Pre-wired for alarm system.
- R-13 batt insulation in walls and R-30 blown insulation in all flat ceilings.
- Dow sheathing with a 3.0 R-Value.
- Polycel sealant around all windows, doors, pipes, wiring holes, and exterior base plates.
- Commodes use 1.6 or less gallons for water conservation.
- Thermostatically-controlled power attic ventilator.
- Reversible ceiling fan with variable speeds in family room.*
- Blocked and pre-wired for ceiling fans in master bedroom, secondary bedrooms and game room.
- All exterior doors weather-stripped on-site.
- Programmable thermostat.

Safety and Energy (continued)

- High-efficiency 14.0 SEER Carrier air conditioner with environmentally-friendly Puron® Refrigerant.
- Heating and air conditioning unit located in attic for low noise level and space efficiency.
- High-efficiency insulated low-E glass windows to reduce ultraviolet radiation.

Interior Design

- Extended ceramic tile entry (varies per plan).
- Raised two-panel interior doors.
- Powder room has Delta faucet, pedestal sink and octagonal mirror with beveled edges (varies per plan).
- Medicine cabinet in secondary baths.
- Separate utility room with clothes rod and shelf (varies per plan).
- Ceramic tile flooring in powder room, utility room and secondary baths (varies per plan).
- 9-foot ceilings on first floor of two-story plans (varies per plan)
- Wood balusters (varies per plan).*

Kitchen

- Kent Moore or handcrafted 42-inch cabinets.
- GE gas slide-in range.*
- GE built-in microwave.*
- GE dishwasher.*
- Ceramic tile flooring in kitchen/morning area.
- Undermount stainless steel sink with Delta faucet.
- Recessed can lighting.
- Granite countertops with ceramic tile backsplash.

Master Bath

- Garden tub with cultured marble surround (varies per plan).
- Separate glass enclosed shower with ceramic tile surround (varies per plan).*
- Ceramic tile flooring in master bath and commode room.
- Delta faucets.
- Delta Roman tub faucet on garden tub.
- Cultured marble vanity top with two oval sinks.
- Medicine cabinet in master bath.

Design Center

- Four (4) hours of complimentary design service to complete your selections.
