

Unit 77 Upgrades

This unit was such a pleasure to work on. We have fallen in love with the neighborhood and also with the neighbors. The three neighbors in the courtyard have been great and some have lived in their homes for over 20 years. It's so nice at night with the lighting in the courtyard. The following items are what we have done in this unit.

- Wainscoting in dining room
- Installed wide vinyl plank flooring
- Installed ceiling fan in living room
- Replaced fence pickets on patio
- AC unit tune up and line insulation
- Duct cleaning and sanitization
- New appliances
- New Granite countertop
- Updated half bath
- Replaced carpet
- Installed access doors and pex piping upstairs with shut off valves in each bathroom
- Installed ceiling fans in each room
- Added double vanity in master
- Tiled shower in master
- Tiled tub in guest bathroom
- Updated master bathroom
- Updated guest bathroom
- All fresh paint
- Sliding door maint. With new track wheels and weather stripping
- New light fixtures
- LED lighting
