

Seller Improvements

2003 Milford

Per Seller, this is a list of some of the improvements Seller has done since they have owned the property.

-On the first floor, replaced all the windows and doors in the kitchen, dining room and sunroom/den. Also on the second floor replaced the four windows in the third bedroom, and all four windows on the third floor. (2015)

-Installed shutters in both the second and third bedrooms on the second floor, the bathroom on the second floor, the powder room, and all the windows on the third floor. (2015)

-Pool area has been entirely redone, the pool interior and the decking, coping and all the stone work. (Within Last 5 Years)

-Replaced all the fencing on the east side, and the south side of the back yard.

-Replaced the seagrass in the sunroom and main room of the third floor, as well as replacement of the garage apartment/guest house carpeting.

-Repainted the Front Door and pediment surround and the walls of the stairs from 1st to 2nd floor and upstairs hall. (2020)
