

LAMPASAS

Plan 542 Approximately 2,390 Sq.Ft.

The Lampasas offers a spacious design with a large master suite downstairs and a stunning two-story entry and living room. The country kitchen adjoins the breakfast room and features a serving bar to the living room. The formal dining and a powder bath are located in the front of the home. The upstairs features two bedrooms with walk-in closets, a second full bath and a large game room that may also be shortened to create a third upstairs bedroom.

All square footage is approximate. In a continuing program to improve each home we build, Royce Homes reserves the right to change specifications and designs without notice. Front windows may vary per elevation.
