

Interview with the Sellers

Thank you for touring our home. We would like to share some information that we felt might help you in deciding on your new home.

1. Why did you decide to buy this home for yourself?

The location is in the heart of all the restaurants and entertainment on Washington Avenue as well as a quick drive to Downtown or the Galleria. We love the fact that the home is two-stories (not three) with finishes that make the home unique.

2. What do you think are the best features of your home?

We love the open floor plan with the main living area on the first floor and all bedrooms on the second floor. We love the wood floors (no carpet), ample storage, and large master suite with walk in closet. A bonus is the lemon tree in the front and the many lemons it produces in Oct./Nov. We were also high and dry during every torrential downpour including Harvey.

3. Tell me about your neighborhood.

Our neighborhood is very quiet considering how close it is to all of the "action" (occasional siren). It is a mix of young professionals and have a few retirees mixed in. People are friendly in the area and help each other as needed.

4. What are your favorite places for recreation, shopping, and eating nearby?

Washington Avenue is scattered with great places to eat. El Tiempo is a short walk away and has the best fajitas in town. Memorial Park is a 20-minute walk from our front door. The Galleria and Memorial City are about a ten-minute drive away.

5. Are there any items you want specifically excluded?

None. (The refrigerator can be included).
