Proposal for New Pool with Water Feature Wall

Mrs. Jessica Donohue-Dioh,

Below please find our Price Detail Proposal for your new swimming pool and spa.

As you know by now, Venture Pool Company is a local family owned business for the Houston and surrounding areas. We have been in business for the last 18 years helping our customers making their pool experience enjoyable. We feel proud to tell you that your swimming pool project will become our priority and we will be there to ensure all aspects of the project are done per your requests. We don't consider ourselves the biggest pool builder in Houston. We like to be known as the company who will make your backyard swimming pool dreams come true. We will be there every day of the project to communicate with you during each stage until the final completion day.

Please let us know if you have any question or concerns about your Proposal. Once again, we are here to help you with your project.

Thank you for your time, Respectfully

HERMAN RONJE
