Look no further for your next vacation get away! Excellent location in the heart of Sea Isle. House being on the main canal provided a boat parade of fisherman going in & out to the bay morning & evening. The house is the cleanest we have rented! The kitchen is huge & perfect for prepping & serving on the long bar. Deck was great for morning coffee & evening fun. Layout of the bedrooms & baths gave our family plenty of space. Downstairs area was well lit & provided a great space for relaxing. We were able to keep our jet ski in the boat lift slot. This made it convenient to jump on & head right out to the bay. Flawless communication with Bob, he got back to us quickly to answer all our questions. The only issue is one week was not enough. We will definitely be back! Thank you Bob for sharing your home!

We had a wonderful family vacation. The house was perfect for our whole family. Loved the layout of the house. Fishing in the canal was fun for all. Highly recommend renting a golf cart, since we never had to use our vehicle the whole trip. We will definitely be back to this house to make more memories!

This place was perfect for our family! the layout was fantastic with two rooms and a bathroom on one side of the house and the other two rooms and bathroom on the opposite side. The fishing off the deck was a real treat for the kids and grownups alike!

Our stay was amazing. We loved everything about the house and Bob is a so attentive and helped us work out a little "issue" we had that didn't have anything to do with the house nor did he have any control over it. Even so, he helped us work out a solution and we had an awesome weekend stay there. The house had everything we needed, then some, so I can't think of anything I would change. The floor plan is very accommodating. The WIFI and cable worked great. Lots of thoughtful extras like plenty of outdoor seating and ample porch and parking space was extra nice. Would definitely recommend!!

Great location. Easy access to the bay. Enjoyed having the marina so convenient. Able to put the fish cleaning station to use in spite of Mother Nature working against us. Had a great vacation.

Nice and spacious. Home was very clean, and though we didn't have a lot of people, there was plenty of room for a large group. Great balcony and great for fishing right off the canal. I have a personal preference to have a tv in the master and I have a 6'4" boyfriend and prefer a king bed, but the queen worked. Communication with Bob was stellar!! I will be back

This home is truly like a page of a book come to life. The view was amazing and the sunrise was breathtaking. The people were very friendly and the fishing was non-stop. The home is truly comfortable and inviting. Mr. Bob was very attentiveness and informative with all the questions we had. Not to mention he was very prompt with responsiveness. My family and I can't wait to come back and experience the whole thing again. You will not regret staying here. Happy adventuring!!!!!! The Cuellar Family

July 2017

I could write a really long review on how much I had a great time, but I'm not because it would be too long and you'd waste time reading when you should be booking. ABSOLUTELY FANTASTIC. Oh and if you're gonna wanna fish, buy yourself some shad put the whole fish on the hook and go to the pier. My buddy caught a bonnet head.

July 2017

Loved this house! We were on a family vacay planning on some good fishing. The house was perfect and exactly as described and what we needed. Bob's communication was easy and quick. He allowed us to check in earlier since it was available which was very helpful. Our kids are younger and he made sure to address any safety concerns. Very friendly neighbor across the canal too! He saw us blowing up a couple of baby pools and let us use an air pump :) Also offered great fishing tips for the guys. Thanks again Bob!! Great spot!!

July 2017

We stayed at bobs for forth of July weekend and it was amazing. We went with another couple with kids and the layout of the house is perfect. There are two sides each with two bedrooms and a bathroom. The bathrooms are jack and Jill style so each bedroom has direct access to a bathroom! The beach is super close by and we caught lots of fish right outside bobs house. Great place and host!

**Wayne**  
June 2017

The house design was perfect for our family vacation. Couldn't have asked for a better location where water was a lot calmer than the other side of the island. House was very clean and Bob is a great host. We can communicate with him anytime.

**Cary**  
June 2017

Bob has a wonderful corner lot on the canals where the fish were biting faster that we could bait the hooks. Very quite with a breeze across the porch for evening cocktails. The four bedrooms had clean linens with two having queens, one with a day bed, and the last with several (6?) bunk beds. The living area was open and complete, but we spent all the time on the porch or fishing. As Bob will tell you, be sure to bring TP, paper towels and bathing accessories (there are plenty of towels), but if you forget anything a small shop is within walking distance (as well as a bait shop and restaurant).

**Jennifer**

Great fishing, close to beach.

**Janice & John**  
May 2017

Bob was easy to communicate with and has a lovely home. Great lay out and offers many "little" things that make the stay nice. For example, additional sheets in the event of an issue, board games, utensils in the kitchen that simply make preparing food for the family easier. The bean bag toss was a hit and able to enjoy by anyone. Friendly neighbors as well. Thanks Bob you are a blessing!

Great place on the canals! We loved it and will be returning to the area. This was one of the best trips I have taken

**John**

Quiet and relaxing stay on the bay. Clean house with great access to the canal

**Keri**  
March 2017

Very quiet home on the water. My kids enjoyed grabbing a pole and running downstairs when they wanted. They played some ping pong and board games that were at the home. If you are looking for seclusion and quiet, this is the place. And the neighbor across the water would turn his dock light on for us so we could draw the fish in. :)

Great stay. Very clean, nice location and deck. Great for lounging and fishing.

**Laura**  
September 2016

I booked the house for our annual guy fishing trip. The house had plenty of room for six guys and was clean and comfortable. Outside temperature and humidity was high each day but the a/c worked well! Kitchen was well stocked with cooking utensils and functional. The area and neighborhood was quiet and felt safe. Our fishing guide informed us that we were staying on the good end of the island. The value for what we received was excellent and we will defiantly rent here again. Thanks for a great experience. Sea Isle is our favorite get away community. With a little over an hour's drive from our home, it provides a great get away. We like the community pool, marina and availability of the restaurant. We have stayed in 4 different homes in the neighborhood. This is our new favorite. This home is in an ideal location. You can sit outside and watch the boats as they depart and arrive from the marina. The canal is on the east side so you do not have the afternoon sun in your eyes. It is easy to slip over to the marina for ice or bait if you are fishing. Owner allowed us to use his boat lift which is awesome - walk down the stairs, climb in the boat, hit the switch, you are in the water and headed out. The home is set up extremely well with two bedrooms on each side of the home - each set of rooms has their own bathroom. Home has very good internet access and has cable TV. Would definitely stay here again.

August 2016

This house was great. On a huge corner lot that gave 8 guys space to fish all at once. And we all pulled em in. Except Dave. That guy couldn't catch his own goldfish. We caught stingray, flounder, catfish and croaker. Probably near 50 fish the whole weekend. The house was great. All the beds slept our guests comfortably. Kitchen was big enough to entertain. And the porch was an awesome hangout at night. The guys want to make this an annual trip. I'll have a hard time arguing with them. Great stay.

August 2016

Great place for families! Open floor plan with separated bedrooms. It was a great place on the water with several amenities we enjoyed! Bob is a great communicator and made us feel welcome.

Went with a group of 6 teachers and we all agree on the following: 1.) Bob was fantastic with responding ! (I'm sure we messaged more than needed, and every time he was quick to respond) 2.) great area! Quiet, close to the beach, and a quick drive to the pier 3.) Beds (all of them) were comfortable 4.) plenty of space!! We were able to play games (which were provided) in the living room area, or spending time on the deck, or in the kitchen area, all 6 of us 5.) Great price ! Thank you so much Bob! We enjoyed staying at the Fishin Mission!!!

July 2016

We were looking for a place where we could have a family get away for 6 adults, a 3 yr old and an 8 month old. This location and house worked well for us. The house was very comfortable and well equipped with everything we needed. The neighborhood is family friendly and very relaxing right on the canal and a view of the bay. We enjoyed dining at several eateries in Galveston but were happy to be away from the beach/hotel scene when we wanted to visit as a family. Bob was a great host making sure we had everything we needed.

**Amanda**  
July 2016

We had a wonderful time at Bob's house! The location was awesome & our family had so much fun. Bob was always accessible for any questions that we had & would reply very quickly. We would definitely recommend the house to others & would love to stay here again. It was the perfect getaway.

June 2016

This house was AMAZING and everything was perfect!! Bob was great and even sent me an email on the best way to catch fish in the canal which helped my son and his friends. I will definitely request to use the house again and I look forward dealing with Bob. My son and his friends asked if we can come and use the house every month this summer.. Thank you for helping me make my sons graduation present of deep sea fishing even better!!!
