

963 Del Norte Street

Situated on a prime corner lot, under the sprawling canopy of one of the most majestic oak trees, this beautiful Candlelight Plaza home features 4 beds, 2 ½ baths, an oversized 3 car garage, a sparkling pool and is just shy of 3000 SF. The recently updated kitchen (09/20) boasts a KitchenAid SS appliance suite, including double-ovens, gas cooktop, wine fridge, dishwasher, refrigerator, sink and fixtures. The freshly installed granite counters and white subway tile backsplash make this kitchen light, bright and perfect for the most discerning chef. Direct sightlines throughout the main living area, breakfast room and kitchen, with direct access through double French doors to the stunning backyard, make this an ideal space for living and entertaining. The Primary Suite showcases two walk-in closets w/custom built-ins and a spa-like en-suite bathroom, featuring double sinks, walk-in shower and newly installed designer bathtub. Upstairs are two oversized bedrooms, both w/double closets, and gameroom w/ample storage. Huge backyard has a covered patio, dazzling pool, playscape and additional greenspace. This Candlelight Plaza gem won't last long!
