CHOOSE PURITY. CHOOSE NUVIA.

Premium grade filters, superior technologies, extensive testing, quality-control, and being backed by one of the industry's most comprehensive warranties, all contribute to Nuvia's unrelenting dedication to delivering delicious drinking water!

Unobtrusive and high-tech, the Nuvia Clarity 2100 QC is a compact point-of-use system and an ideal choice for clean, high-quality drinking water. The durable, ultra-slim system utilizes an advanced membrane that removes impurities as small as an atom, delivering clean, safe, and delicious water.

4-STAGE FILTRATION PROCESS

- ▶ **STAGE 1 | NW-SEDIMENT FILTRATION**
- ▶ **STAGE 2 | NW-ACTIVATED PRE-CARBON FILTRATION**
- ▶ **STAGE 3 | NW-REVERSE OSMOSIS (RO) FILTRATION**

Speciality Filters: Add Nuvia's Summit Alkaline Filter™ to enhance the taste of filtered water. Other options available depending on local water conditions and requirements.
