Any vehicle parked for a longer time may be towed away by the Association at the lot owner's expense. No major repair work, dismantling, or disassembling of motor vehicles or other machinery or equipment shall be permitted in or on any drive, street, garage, carport or any part of any lot.

No motorcycles, motorbikes, dirt-bikes, motor-scooter, go-carts, or three and four wheel "off-road" vehicles, nor any similar vehicles, whether licensed or unlicensed may be operated by unlicensed operators on any lot or on any street in the Subdivision. All fences will be made of cedar, spruce, fir, pine, redwood or ornamental metal unless otherwise approved by the Committee. Cyclone fences are allowed only if fully screened from public view (i.e. "dog runs"); however, any and all such cyclone fences and the use thereof must first be approved in writing by the Committee. Fences may be reasonably stained to enhance natural appearance but are not to be painted unless approved by the Committee. The "good side" of the fence (that is, the side that shows fence slats or pickets only) shall always face the public street closest to such fence or common area, as appropriate. Final approval of fencing and its facing shall be at full discretion of the Committee.

3.21 **Maintenance of Lawns and Plantings.** Those portions of each improved lot that are visible from the street, primarily the front yard, shall be maintained with domestic grass and/or suitable ground cover, integrated with any natural trees and bushes that may be incorporated into the landscaping. In any case, whether a yard is primarily covered with grass and/or ground cover or largely covered with natural growth, the yard shall be kept in a manner consistent with a well-maintained attractive neighborhood.

If the owner of any lot fails to keep the grass and vegetation cut as often as may be necessary to maintain the lot in a neat and attractive condition, the Association may have the grass or vegetation cut, and the lot owner shall be obligated to pay, or otherwise reimburse the Association, for the cost of such work. No "burglar bars," steel or wrought iron bars, or similar fixtures, whether designated to decorative, security or other purposes, shall be installed on the exterior of any windows or doors of any dwelling. No signs, numerals or other writing shall be written on or placed in the doors, windows or exterior walls of any dwelling, either temporarily or permanently, except that the Board may, in its discretion, permit house numbers to be written temporarily on a single window of a dwelling while occupants are moving in, provided such numbers are removed within seventy-two (72) hours after the occupants have taken occupancy. Sheets or similar temporary window treatments may be used for a short time after taking occupancy of a dwelling, provided they are removed and replaced with permanent window treatments within a reasonable time, not to exceed fourteen (14) days, after taking occupancy of the dwelling, as determined in the sole discretion of the Board. Failure to comply shall constitute a violation of this Declaration, and shall give rise to a cause of action to recover sums due for damages or injunctive relief or both, maintainable by the Board on behalf of the Association or by any aggravated Owner. Declarant, for itself, its successor or assigns, reserves the right to enforce these restrictive covenants, though it may have previously sold and conveyed all subdivided Lots controlled by these covenants within the Property. The reservation of this right of enforcement shall not create an obligation of any kind to enforce the same.

3.30 No Warranty of Enforceability. While Declarant has no reason to believe that any of the restrictive covenants or other terms and provisions contained in the Declarations are or may be invalid or unenforceable for any reason or to any extent, Declarant makes no warranty or representation as to the present or future validity or enforceability of any such restrictive covenants, terms or provisions. The Architectural Committee may consider the effect the Improvement will have on the Property as a whole, it being expressly understood that neither the Architectural Committee nor the members thereof shall be liable to any Owner in monetary damages or otherwise due to the construction of any Improvement within the Property or the creating thereby of an obstruction to the view from such Owner's Lot or Lots.

- (2) To pay all real and personal property taxes and other taxes and assessments levied upon or with respect to any property owned by or leased to the Association, to the extent that such taxes and assessments are not levied directly upon individual Members of the Association. The Association shall have all rights granted by law to contest the legality and the amount of such taxes and assessments.
- (3) To execute mortgages, both construction and permanent, for construction of Improvements on property owned by or leased to the Association, and to accept lands in Common Areas, whether or not improved, from Declarant subject to such mortgages or by assuming such mortgages, including without limitation, a swimming pool or pools in Common Areas. Financing may be effected through conventional mortgages or deeds of trust, the issuance and sale of development or other bonds, or in any other form or manner deemed appropriate by the borrower, whether Declarant or the Association. The mortgage or other security interest given to secure repayment of any debt may consist of a first, second or other junior lien, as deemed appropriate by borrower, whether Declarant or the Association, on the Improvements to be constructed, together with such underlying and surrounding lands as the borrower deems appropriate. The debt secured by such mortgage or other security instrument may be retired from and secured by the revenues generated by dues, use fees, assessment of Members, or otherwise, or any combination thereof, as may be deemed appropriate by Declarant or the Association, as the case may be, but subject to the limitations imposed by this Declaration.

(B) In addition to, and not in limitation of, the power and authority of the Association as set forth in Section 5.04 of this Declaration, the Association, acting through the Board, shall have the power and authority:

U
N

- (1) To grant and convey portions of Association property, including fee title, leasehold estates, easements, right-of-way, and/or mortgages, to any person or entity for the purpose of constructing, erecting, operating or maintaining improvements;
- (2) To pay for water, sewer, garbage removal, landscaping, gardening and all other utilities, services and maintenance for the property of the Association; or within city-owned parks, parkways, entrance ways, or street rights of way which the Association desires to maintain or pay for; or to power wash or stain fences that face Common Areas or that face the outside of the subdivision; in the best interest of the Association and the aesthetic appearance of the subdivision as a whole
- (3) To enter into contracts with Declarant and other persons, with such terms and provisions as the Board shall determine, to operate and maintain any of the Common Areas or to provide any service or perform any function on behalf of Declarant or the Association in connection with the purposes of the Association.
- (4) To acquire and own and to dispose of all manner of real and personal property, whether by purchase, grant, lease, gift or otherwise.

5.07 Indemnification. The Association shall indemnify any director, officer, or member of a committee duly appointed pursuant to the Articles or Bylaws who by reason of the fact that such person is or was a director, officer or member of such a committee of the Association was, is, or is threatened to be made, a named defendant or respondent in (i) any threatened, pending, or completed action, suit or proceeding, whether civil, criminal, administrative, arbitrative, or investigative, (ii) any appeal in such an action, suit, or proceeding, and (iii) any inquiry or investigation that could lead to such an action, suit, or proceeding (hereinafter a "Proceeding"), and against all judgments, penalties (including excise and similar taxes), fines, settlements, and reasonable expenses actually incurred by the person in connection with any such Proceeding to the fullest extent permitted by the Texas Non-Profit Corporation Act, as amended and in effect from time to time. Such authorization of indemnification shall be deemed to be mandatory and deemed to constitute authorization of indemnification and advancement of expenses to the fullest extent permitted by the Texas Non-Profit Corporation Act, as amended and in effect from time to time.

**ARTICLE 6
ARCHITECTURAL COMMITTEE**

6.01 Membership of Architectural Committee. The Architectural Committee shall consist of not more than four (4) voting members ("Voting Members") and such additional

U
N

nonvoting members serving in an advisory capacity ("Advisory Members") as the Voting Members deem appropriate. The following persons are hereby designated as the initial Voting Members of the Architectural Committee: Randy French, Jeffrey French, Edna Alford, and Doug French.

- 6.02 Action by Architectural Committee. Items presented to the Architectural Committee shall be decided by a majority vote of the Voting Members.
- 6.03 Declarant's Rights of Appointment. Until the Transition Date as defined in Section 5.03(B), Declarant, its successors or assigns shall have the right to appoint and remove all Voting Members of the Architectural Committee, which persons need not be drawn from Association Members. Notwithstanding the preceding sentence, Declarant may delegate its right of appointment, or any portion thereof, to the Board by written instrument before such date. Whenever the Transition Date occurs, thereafter, the Board shall have the right to appoint all Voting Members. At such time as the Board gains the right to appoint and remove Voting Members of the Architectural Committee, or any portion of this right, a majority of the Voting Members so appointed shall be drawn from Members of the Association. Advisory Members shall, when reasonably possible, be drawn from Members of the Association.
- 6.04 Adoption of Rules. The Architectural Committee may adopt such procedural and substantive rules, not in conflict with this Declaration, as it deems necessary or proper for the performance of its duties, including but not limited to a building code, a fire code, a housing code, and other similar codes.
- 6.05 Review of Proposed Construction. Whenever in this Declaration the approval of the Architectural Committee is required, the Architectural Committee shall have the right to consider all of the Plans and Specifications for the Improvement or proposal in question and all other facts that, in its sole and absolute discretion, are relevant. Except as otherwise specifically provided herein, prior to the commencement of any construction of any Improvement on the Property or any portion thereof, the Plans and Specifications therefor shall be submitted to the Architectural Committee, and construction thereof may not commence unless and until the Architectural Committee has approved such Plans and Specifications. Until receipt by the Architectural Committee of any information or document deemed necessary by the Architectural Committee, it may postpone review of any Plans and Specifications submitted for approval. Upon receipt of all necessary information, the Architectural Committee shall consider and act upon any and all Plans and Specifications submitted for its approval pursuant to this Declaration, and perform such other related duties assigned or authorized by this Declaration, including at its option inspection of construction in progress to assure its conformance with previously approved Plans and Specifications. The Architectural Committee shall have the express authority to perform fact-finding functions hereunder and shall have the power to construe and interpret any covenant herein that may be vague, indefinite,

uncertain or capable of more than one construction. The Architectural Committee may, in its review of Plans and Specifications and such other information as it deems proper, consider whether any proposed Improvement upon a Lot would unreasonably obstruct the view from other portions of the Property. The Architectural Committee may, but shall not be required to, disapprove any Improvement upon any Lot that would unreasonably obstruct the view from any other portion of the Property. No Improvement shall be allowed on any Lot which is of such size or architectural design or involves the use of such landscaping, color schemes, exterior finishes and materials and similar features as to be incompatible with residential development within the Property and the surrounding area. The Architectural Committee shall have the authority to disapprove any proposed Improvement based upon the restrictions set forth in the preceding sentence and the decision of the Architectural Committee shall be final and binding so long as it is made in good faith. The Architectural Committee shall not be responsible for reviewing any proposed Improvement, nor shall its approval of any Plans and Specifications be deemed an endorsement, from the standpoint of structural safety, engineering soundness, or conformance with building or other codes not of its authorship.

- 6.06 Actions of the Architectural Committee. The Architectural Committee may, by resolution unanimously adopted in writing, designate one or two of its members or an agent acting on its behalf to take any action or perform any duties for and on behalf of the Architectural Committee. In the absence of such designation, the vote of a majority of all the members of the Architectural Committee taken without a meeting shall constitute an act of the Architectural Committee.
- 6.07 No Waiver of Future Approvals. The approval or consent of the Architectural Committee of any Plans and Specifications for any work done or proposed, or in connection with any other matter requiring the approval or consent of the Architectural Committee, shall *not* be deemed to constitute a waiver of any right to withhold approval or consent as to any other Plans and Specifications, or other matter whatever, subsequently or additionally submitted for approval or consent by the same or a different person.
- 6.08 Work in Progress. The Architectural Committee may at its option inspect all work in progress to insure compliance with approved Plans and Specifications.
- 6.09 No Liability for Architectural Committee Members. Neither the Architectural Committee nor any member thereof shall be liable to the Association or to any Owner or to any other person for any loss, damage or injury arising out of their being in any way connected with the performance of the Architectural Committee's duties under this Declaration unless due to the willful misconduct or bad faith of the Architectural Committee or its members, as the case may be. Neither the Architectural Committee nor any member thereof shall be liable to any Owner due

to the construction of any Improvements within the Property, or the creation thereby of any obstruction of the view from such Owner's Lot or Lots.

- 6.10 Address. Plans and Specifications shall be submitted to the Architectural Committee in care of Edna Alford at 4090 State Hwy 6 S., College Station, Texas 77845, or in care of such other person at such other address as may be designated by Declarant or the Board, as the case may be, from time to time.
- 6.11 Failure to Act. In the event the Architectural Committee or its designated representative fails to approve or disapprove any Plans and Specifications within thirty (30) days after the same have been submitted to it, complete with all other information requested by the Architectural Committee in connection with such submission, approval shall be assumed.
- 6.12 Variances. Notwithstanding any other provision of this Declaration, in order to prevent undue hardship upon the Owner or Owners of any individual Lot or Lots upon the Property, variance from any restrictions set out in this Declaration may be granted by a unanimous decision of the Architectural Committee in a written instrument to be duly acknowledged, if and when such a variance shall ever be granted.
- 6.13 Governmental Agency Approval. Nothing in this Declaration shall be construed to relieve any Owner from securing such approvals, certificates and/or permits as may be required by law in connection with the construction of any Improvements on any Lot.
- 6.14 Relationship with Association. The Architectural Committee has been created pursuant to this Declaration to perform certain functions specified herein relating to the review and approval of Plans and Specifications for Improvements built on the Property. The Architectural Committee does not exercise the authority of the Board, and shall not do so unless and until (i) the Board shall have duly appointed a majority of Board members to the Architectural Committee, and (ii) the Board shall by unanimous resolution, duly recorded in the records of the Association, make the Architectural Committee a committee of the Board in accordance with the Texas Non-Profit Corporation Act.

ARTICLE 7 FUNDS AND ASSESSMENTS

7.01 Assessments.

- (A) The Association may from time to time levy Assessments against each Lot whether or not improved. Except for special assessments, the level of Assessments shall be equal and uniform between all Lots. It is provided, however, that no Assessments hereunder shall be levied against Declarant.

(B) Where the obligation to pay an Assessment first arises after the commencement of the year or other period for which the Assessment was levied, the Assessment shall be prorated as of the date when said obligation first arose in proportion to the amount of the Assessment year or other period remaining after said date.

(C) Each unpaid Assessment together with such interest thereon and costs of collection thereof as hereinafter provided, shall be the personal obligation of the owner of the Lot against which the Assessment falls due, and shall become a lien against each such Lot and all Improvements hereon. The Association may enforce payment of such Assessments in accordance with the provisions of this Article.

7.02 Regular Annual Assessments. The initial annual Assessment per Lot shall be determined by the initial board of directors based on the anticipated budgeted expenses. Thereafter, prior to the beginning of each fiscal year, the Board shall estimate the expenses to be incurred by the Association during such year in performing its functions under this Declaration. Assessments sufficient to pay such estimated expenses shall then be levied as herein provided, and the level of Assessments set by the Board shall be final and binding so long as it is made in good faith. If the sums collected prove inadequate for any reason, including nonpayment of any individual Assessment, the Association may at any time, and from time to time levy further Assessments in the same manner as aforesaid. All such regular Assessments shall be due and payable to the Association in the time and manner directed by the Board at its sole discretion, either (a) annually, at the beginning of the fiscal year, or (b) during the fiscal year in equal monthly installments on or before the first day of each month, or (c) in other convenient installments.

7.03 Special Assessments. In addition to the regular annual Assessments provided for above, the Board may levy special Assessments whenever in the Board's opinion such special Assessments are necessary to enable the Board to carry out the mandatory functions of the Association under this Declaration. The amount and due date of any special Assessments shall be at the reasonable discretion of the Board. The Board may also make special assessments against individual Owners for costs related to repair or maintenance of damages or loss to Common Areas or property for which the Association has a repair obligation caused by the negligence or intentional acts of any Owner or occupants of a Lot.

7.04 Owner's Personal Obligation for Payment of Assessments. The regular and special Assessments provided for herein shall be the personal and individual debt of the owner of the Lot covered by such assessments. Except as otherwise provided in Section 7.01(A) hereof, no Owner may exempt himself from liability for such Assessments. In the event of default in the payment of any such Assessment, the owner of the Lot shall be obligated to pay interest at the highest rate allowed by

applicable usury laws then in effect on the amount of the Assessment from due date thereof (or if there is no such highest rate, then at the rate of 1-1/2% per month), together with all costs and expenses of collection, including reasonable attorney's fees.

7.05 Assessment and Fine Lien and Foreclosure. All sums assessed in the manner provided in this Article but not paid by the Owner, and all fines assessed by the Board in the manner provided in Section 5.04, shall, together with interest as provided in Section 7.04 hereof and the cost of collection, including attorney's fees as herein provided, thereupon become a continuing lien and charge on the Lot covered by such Assessment or fine, which shall bind such Lot in the hands of the Owner, and such Owner's heirs, devisees, personal representatives, successors or assigns. The aforesaid lien shall be superior to all other liens and charges against the said Lot, except only for tax liens and all sums unpaid on a first mortgage lien or first deed of trust filed of record, securing in either instance sums borrowed for the acquisition or improvement of the Lot in question. The Association shall have the power to subordinate the aforesaid Assessment and Fine lien to any other lien. Such power shall be entirely discretionary with the Board and an officer of the Association, duly authorized by the Board, shall effectuate such subordination. To evidence an Assessment and Fine lien, the Association may prepare a written notice of Assessment and Fine lien setting forth the amount of the unpaid indebtedness, the name of the Owner of the Lot covered by such lien, and a description of the Lot. Such notice shall be signed by an officer of the Association, duly authorized by the Board, and shall be recorded in the office of the County Clerk of Washington County, Texas. Such lien for payment of Assessments or Fines shall attach with the priority above set forth from the date such payment becomes delinquent, and may be enforced subsequent to the recording of a notice of Assessment and Fine lien as provided above, by the foreclosure of the defaulting Owner's Lot by the Association judicially or by expedited foreclosure proceedings pursuant to the provisions of Section 209.0092 of the Texas Property Code and Texas Rules of Civil Procedure Rules 735 and 736, and successor statutes, and each Owner expressly grants the Association a power of sale in connection therewith, or the Association may institute suit against the Owner personally obligated to pay the Assessment or Fine and/or for foreclosure of the aforesaid lien judicially. Any Owner may waive expedited foreclosure proceedings. In any foreclosure proceeding, whether judicial or not judicial, the Owner shall be required to pay the costs, expenses, and reasonable attorney's fees incurred by the Association. The Association shall have the power to bid on the property at foreclosure or other legal sale and to acquire, hold, lease, mortgage, convey or otherwise deal with the same. Upon the written request of any Mortgagee, the Association shall report to said Mortgagee the status of any Assessments or Fines relating to the Mortgagee's mortgage and remaining unpaid for longer than thirty (30) days after due.

ARTICLE 8
EASEMENTS

- 8.01 Reserved Easements. All dedications, limitations, restrictions, and reservations shown on any plat covering all or any portion of the Property and all grants and dedications of easements, rights-of-way, restrictions, and related rights made by Declarant prior to the Property becoming subject to this Declaration, are incorporated herein by reference and made a part of this Declaration for all purposes as if fully set forth herein, and shall be construed as being adopted in each and every contract, deed or conveyance executed or to be executed by or on behalf of Declarant conveying any part of the Property.
- 8.02 Surface Areas. The surface of easement areas for underground utility services may be used for planting of shrubbery, trees, lawns or flowers. However, neither the Declarant nor any supplier of any utility service using any easement area shall be liable to any Owner or to the Association for any damage done by them or either of them, or their respective agents, employees, servants or assigns, to any of the aforesaid vegetation as a result of any activity reasonably relating to the construction, maintenance, operation or repair of any facility in any such easement area.
- 8.03 Drainage Easements. Each Owner covenants to provide easements for drainage and water flow, as contours of land and the arrangement of Improvements approved by the Architectural Committee thereon require. Each Owner further covenants not to disturb any trees or other vegetation within the drainage easements as defined in this Declaration and shown on the Plat. There shall be no construction of Improvements, temporary or permanent, in any drainage easement, except as may be approved in writing by the Architectural Committee.
- 8.04 Blanket Easement. An easement is hereby retained in favor of the Association over all Lots and the Common Areas for the purpose of enforcing the Declaration, and for the construction of a common cable television system, a common sprinkler system, maintenance of landscaping, or any other item for the common benefit of the Owners. An easement is further granted for the purpose of repairing and maintaining any such system so constructed. An entry upon any Lot or the Common Areas to effectuate the foregoing purposes shall not be deemed as trespass.
- 8.05 Specific Easements. In addition to the easements set forth above, two specific easements are reserved by the Declarant, on its own behalf, and on behalf of the Association, as follows:
- (A) A sidewalk easement for pedestrians or private vehicular traffic by the Declarant and Association on, over and across the Variable Width Access Easement located on Lot 20, Block 3, Ralston Creek Estates, Phase I as

more particularly described in Exhibit "E", attached hereto and made a part hereof. No improvements, fences, trees or shrubbery shall be built or placed within this Specific Easement by the Owner of Lot 20, Block 3, Ralston Creek Estates, Phase I.

(B) A landscape and subdivision sign easement for landscaped areas and maintenance and Ralston Creek Estates subdivision signage, to be built or placed within the areas designated on Exhibit "F", attached hereto and made a part hereof, at the south corner of Lot 17, Block 1, Ralston Creek Estates, Phase I, together with an access easement across Lot 46, Block 1, Ralston Creek Estates, Phase I, for the sole purpose of maintenance and construction of the landscaped areas and the sign.

**ARTICLE 9
MISCELLANEOUS**

9.01 Term. This Declaration, including all of the covenants, conditions, and restrictions hereof, shall run until twenty (20) years from date hereof ("the Termination Date"), unless amended as herein provided. On the Termination Date, this Declaration, including all such covenants, conditions, and restrictions shall be automatically extended for successive periods of ten (10) years each.

9.02 Dissolution. Upon termination of this Declaration, the Association shall be dissolved. In the event of any such dissolution of the Association, other than incident to a merger or consolidation, the assets of the Association shall be dedicated to any appropriate public agency to be used for purposes similar to those of the Association with respect to the Common Areas. In the event that such dedication is refused acceptance, such assets shall be granted, conveyed and assigned to any nonprofit corporation, association, trust or other organization to be devoted to such similar purposes.

9.03 Amendment.

(A) By Declarant. This Declaration may be amended by the Declarant, acting alone, until ten (10) years from date hereof ("the Transition Date"), and thereafter for so long as Declarant holds a majority of the votes of the Association. No amendment by Declarant shall be effective until there has been recorded in the Official Records of Washington County, Texas, an instrument executed and acknowledged by Declarant and setting forth the amendment, and, if amended after the Transition Date, an instrument executed and acknowledged by the Secretary of the Association, certifying that the Declarant had the requisite number of votes.

(B) By Owners. In addition to the method in Section 9.03 (A), after the Transition Date, this Declaration may be amended by the recording in the

Official Records of Washington County of an instrument executed and acknowledged by the President and Secretary of the Association setting forth the amendment and certifying that such amendment has been approved by Owners entitled to cast at least fifty-one percent (51%) of the number of votes entitled to be cast pursuant to Section 5.03 hereof.

- 9.04 Notices. Any notice permitted or required by this Declaration shall be in writing and may be delivered either personally or by mail. If delivery is made by mail it shall be deemed to have been delivered on the third (3rd) day (other than a Sunday or legal holiday) after a copy of the same has been deposited in the United States mail, postage prepaid, addressed to the person at the address given by such person to the Association for the purpose of service of notices. Such address may be changed from time to time by notice in writing given by such person to the Association.
- 9.05 Interpretation. The provisions of this Declaration shall be liberally construed to effectuate the purposes of creating a uniform plan for the development and operation of the Property and of promoting and effectuating the fundamental concepts of the Property set forth in this Declaration. This Declaration shall be construed, governed and enforced under the laws of the State of Texas.
- 9.06 Exemption of Declarant. Notwithstanding any provision in this Declaration to the contrary, neither Declarant nor any of Declarant's activities shall in any way be subject to the control of or under the jurisdiction of the Architectural Committee. Without in any way limiting the generality of the preceding sentence, this Declaration shall not prevent or limit the right of Declarant to (i) excavate and grade, (ii) construct and alter drainage patterns and facilities, (iii) construct any and all other types of Improvements, sales and leasing offices, and similar facilities, and (iv) post signs incidental to construction, sales, and leasing anywhere within the Property.
- 9.07 Assignment of Declarant. Notwithstanding any provision in this Declaration to the contrary, Declarant may assign, in whole or in part, any of its privileges, exemptions, rights, and duties under this Declaration to any other person or entity and may permit the participation, in whole or in part, by any other person or entity in any of its privileges, exemptions, rights, and duties hereunder.
- 9.08 Enforcement and Nonwaiver.
- (A) Right of Enforcement. Except as otherwise provided herein, any Owner at his own expense, Declarant, and/or the Board shall have the right to enforce any and all of the provisions of the Declarations. Such right of enforcement shall include both damages for, and injunctive relief against, the breach of any such provision.

(B) Nonwaiver. The failure to enforce any provision of the Declarations at any time shall not constitute a waiver of the right thereafter to enforce any such provision or any other provision of said restrictions.

(C) Liens. The Association shall have the right, when appropriate in this judgment, to claim or impose a lien upon any Lot or Improvement constructed thereon in order to enforce any right or effect compliance with this Declaration.

9.09 Construction.

(A) Restrictions Severable. The provisions of the Declarations shall be deemed independent and severable, and the invalidity or partial invalidity of any provision or portion thereof shall not affect the validity or enforceability of any other provision or portion thereof.

(B) Singular Includes Plural. Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular; and the masculine, feminine or neuter shall each include the masculine, feminine, and neuter.

(C) Sole and Absolute Discretion. Notwithstanding anything herein to the contrary, whenever a party to this Declaration is entitled to exercise its "sole and absolute discretion", such discretion may be exercised by that party for any reason or for no reason, whether such discretion is arbitrary, uncontrolled or unreasonable. Any parties' exercise of its "sole and absolute discretion" shall be final and shall not be subject to appeal or be subject to adjudication by a court of law, arbitration, mediation, or otherwise.

(D) Captions. All captions and titles used in this Declaration are intended solely for convenience of reference and shall not enlarge, limit or otherwise affect that which is set forth in any of the paragraphs, sections or articles.

(E) Deadlines on Business Day. If any deadline in this Declaration should fall on a Saturday, Sunday or a Texas or federal holiday, such deadline shall automatically be extended to the next business day.

(F) Choice of Law. This Declaration shall be construed in accordance with the laws of the State of Texas.

IN WITNESS WHEREOF, Declarant has executed this Declaration as of this 25th day of FEBRUARY, 2014.

GOVERNING BODY

Page 4 of 19 Pages

3.1 BOARD OF DIRECTORS. The Board of Directors shall govern the Association, each of whom shall have one (1) vote. The Board shall consist of five (5) Directors. Directors shall be elected at the first annual meeting. A Director takes office upon the adjournment of the meeting or balloting at which he is elected or appointed and, absent, death, ineligibility, resignation, or removal will hold office until his successor is elected or appointed. The number of Directors may be changed by amendment of these Bylaws, but shall not be less than three (3); however, a decrease in the number of Directors may not shorten the term of an incumbent Director. Notwithstanding anything contained in these Bylaws, during the Declarant Control Period, the Class "B" Member is entitled to appoint and remove the members of the Board of Directors and the officers of the Association. Thereafter, at least one-third (1/3) of the members of the Board shall be elected by the Owners other than the Declarant not later than the tenth (10th) anniversary after this Declaration was recorded in the Official Records of Washington County, Texas.

3.2 QUALIFICATION AND TERM. After the Declarant Control Period expires, and the Class "B" membership ceases to exist, all Directors must be Members of the Association. At the first annual meeting after the expiration of the Declarant Control Period, the Members shall elect two (2) Directors to three (3) year terms, one Director to a two (2) year term, and one (1) Director to a one (1) year term. At each annual meeting thereafter, the Members shall elect one (1) Director to serve a three (3) year term.

3.2.1 Co-Owners. Co-Owners of a single Lot may not serve on the Board at the same time. Co-Owners of more than one Lot may serve on the Board at the same time, provided the number of Co-Owners serving at one time does not exceed the number of Lots they co-own.

3.3 ELECTION. Directors shall be elected by the Members by written ballot. The election of Directors shall be conducted at the annual meeting of the Association, at any special meeting called for that purpose, or by mail, facsimile transmission, or a combination of mail and facsimile transmission. Any Board Member whose term has expired must be elected by the Members.

3.4 VACANCIES. A Board Member may be appointed by a majority of the remaining Board Members only to fill a vacancy caused by resignation, death, or disability. Each Director so elected shall serve out the remaining term of his predecessor. This section does not apply to the appointment of a Board Member during the Declarant Control Period.

3.5 REMOVAL OF DIRECTORS. At any Annual or special meeting of the Association, any one or more of the Directors may be removed with or without cause by Members representing a majority of the votes present in person or by proxy at such meeting, and a successor shall then and there be elected to fill the vacancy thus created. Any Director whose removal has been proposed by the Members shall be given an opportunity to be heard at the meeting. However,

if the Board is presented with written, documentary evidence from a database or other record maintained by a governmental law enforcement authority that a Board Member had been convicted of a crime of moral turpitude, the Member is immediately ineligible to serve on the Board, and is automatically considered removed from the Board, and is prohibited from future service on the Board.

3.6 MEETINGS OF THE BOARD.

3.6.1 Organizational Meeting of the Board. After the Certificate of Formation is filed, the Board of Directors named in the Certificate of Formation shall hold an organizational meeting of the Board, at the call of a majority of the Directors to adopt these Bylaws and elect officers and for other purposes determined by the Board at the meeting. The Directors calling the meeting shall send notice of the time and place of the meeting to each Director named in the Certificate of Formation not later than the third day before the date of the meeting. Within ten (10) days after each annual meeting, the Directors shall convene an organizational meeting for the purpose of electing Officers. The time and place of such meeting shall be fixed by the Board and announced to the Directors.

3.6.2 Open Meetings of the Board. Regular and special board meetings must be open to Owners, subject to the right of the Board to adjourn a board meeting and reconvene in a closed executive session to consider actions involving personnel, pending or threatened litigation, contract negotiations, enforcement actions, confidential communications with the Association's attorney, matters involving the invasion of privacy of individual Owners, or matters that are to remain confidential by request of the affected parties and agreement of the Board. Following an executive session, any decision made in the executive session must be summarized orally and placed in the minutes, in general terms, without breaching the privacy of individual Owners, violating any privilege, or disclosing information that was to remain confidential at the request of the affected parties. The oral summary must include a general explanation of expenditures approved in an executive session. This section applies to a meeting of the Association Board during the Declarant Control Period only if the meeting is conducted for the purpose of adopting or amending the dedicatory instruments of the Association, increasing the amount of Regular Assessments of the Association or adopting or increasing a Special Assessment; electing non-developer Board members of the Association or establishing a process by which those members are elected; or changing the voting rights of Members of the Association.

3.7 NOTICE OF BOARD MEETINGS.

3.7.1 To Board Members. Subject to the Act and other provisions of the Association's dedicatory instruments, regular meetings of the Board shall be held on the first Tuesday of each month at 7:00 p.m. at the address of the Association's Managing Agent as designated on the most recent Management Certificate. Notice of special meetings shall be provided to each Director at least seventy-two (72) hours before the start of the meeting. Attendance of a Director at a meeting constitutes a waiver of notice, unless the Director attends a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

3.7.2 To Members. Members shall be given notice of the date, hour, place, and general subject of a regular or special Board meeting, including a general description of any matter to be

brought up for deliberation in an executive session. The notice shall be mailed to each Member not later than the tenth (10th) day or earlier than the sixtieth (60th) day before the date of the meeting, or provided at least seventy-two (72) hours before the start of the meeting by posting the notice in a conspicuous manner reasonably designed to provide notice to Members in a place located in the Common Area or, with the property Owner's consent, on other conspicuously located privately owned property within the Subdivision; or on any Internet website maintained by the Association or other Internet media; and sending the notice by e-mail to each Owner who has registered an e-mail address with the Association. It is an Owner's duty to keep an updated e-mail address registered with the Association.

3.8 SPECIAL MEETINGS OF THE BOARD. Special meetings of the Board may be called by the President or, if he or she is absent or refuses to act, by any two (2) Directors. At least three (3) days notice shall be given to each Director, personally or by telephone or written communication, which notice shall state the place, time, and purpose of such meeting.

3.9 CONDUCT OF MEETINGS. The President shall preside over all meetings of the Board and the Secretary shall keep, or cause to be kept, a record of all resolutions adopted by the Board and a record of all transactions and proceedings occurring at such meetings. When not in conflict with law or the governing documents, the then current edition of Robert's Rules of Order shall govern the conduct of the meetings of the Board.

3.10 QUORUM. At all meetings of the Board, a Majority of Directors shall constitute a quorum for the transaction of Business, and the acts of the majority of the Directors present at a meeting at which a quorum is present shall be the acts of the Board. If less than a quorum is present at any meeting of the Board, the majority of those present may adjourn the meeting from time to time. At any such reconvened meeting at which a quorum is present, any business which might have been transacted at the meeting as originally called may be transacted without further notice. A Director present by proxy at a meeting may not be counted toward a quorum.

3.11 PROXY. A Director may vote in person or, by proxy executed in writing by the Director. A proxy expires three (3) months after the date the proxy is executed.

3.12 PLACE OF MEETINGS. Except for a meeting held by electronic or telephonic means, a Board meeting must be held in a county in which all or part of the property in the Subdivision is located or in a county adjacent to that county.

3.13 METHOD OF MEETING. The Board may meet by any method of communication, including electronic and telephonic, without prior notice to Owners, if each Director may hear and be heard by every other Director, or the Board may take action by unanimous written consent to consider routine and administrative matters or a reasonably unforeseen emergency or urgent necessity that requires immediate Board action. A remote electronic communications system, including videoconferencing technology or the Internet, may be used only if each person entitled to participate in the meeting consents to the meeting being held by means of that system, and the system provides access to the meeting in a manner or using a method by which each person participating in the meeting can communicate concurrently with each other participant. Any action taken without notice to Owners must be summarized orally, including an explanation of any known actual or estimated expenditures approved at the meeting, and documented in the minutes of the next regular or special Board meeting. The Board may not, without prior notice to Owners under

Exhibit "D"

consider or vote on fines, damage assessments, initiation of foreclosure actions, initiation of enforcement actions, excluding temporary restraining orders or violations involving a threat to health or safety, increase in Regular Assessments, levying of Special Assessments, appeals from a denial of architectural control approval, or a suspension of a right of a particular Owner before the Owner has an opportunity to attend a Board meeting to present the Owner's position, including any defense, on the issue.

3.14 MINUTES. The Board shall keep a record of each regular or special Board meeting in the form of written minutes of the meeting. The Board shall make meeting records, including approved minutes, available to a Member for inspection and copying on the Member's written request to the Association's Managing Agent at the address appearing on the most recently filed Management Certificate or, if there is not a Managing Agent, to the Board.

3.15 RECESS. If the Board recesses a regular or special Board meeting to continue the following regular business day, the Board is not required to post notice of the continued meeting if the recess is taken in good faith and not to circumvent the requisites of this Article. If a regular or special Board meeting is continued to the following regular business day, and on that following day the Board continues the meeting to another day, the Board shall give notice of the continuation in at least one manner prescribed by the Act and these Bylaws within two (2) hours after adjourning the meeting being continued.

3.16 ACTION WITHOUT A MEETING. Any action required or permitted to be taken by the Board at a meeting may be taken without a meeting, if all of the Directors individually or collectively consent in writing to such action. The written consent shall be filed with the minutes of the Board. Action by written consent shall have the same force and effect as a unanimous vote.

3.17 LIABILITIES AND STANDARD OF CARE. A Director shall discharge the Director's duties, including duties as a committee member, in good faith, with ordinary care, and in a manner the Director reasonably believes to be in the best interest of the Association. A Director is not liable to the Association, a Member, or another person for an action taken or not taken as a Director if the Director acted in compliance with this section. A person seeking to establish liability of a Director must prove that the Director did not act in good faith, with ordinary care, in a manner the Director reasonably believed to be in the best interest of the Association. A Director is not considered to have the duties of a trustee of a trust with respect to the Association or with respect to property held or administered by the Association. A Director is not if, in the exercise of ordinary care, the Director acted in good faith and in reliance on the written opinion of an attorney for the Association.

3.18 INTERESTED DIRECTORS. A contract or transaction between the Association and one or more Directors, Officers, or Members which have a financial interest otherwise valid and enforceable contract or transaction is valid and enforceable, and is not void or voidable, notwithstanding any relationship or interest, if the material facts as to the relationship or interest and as to the contract or transaction are disclosed to or known by the Association's Board of Directors, a committee of the Board of Directors, or the Members, and the Board, the committee, or the Members in good faith and with ordinary care authorize the contract or transaction by the affirmative vote of the majority of the disinterested Directors, committee members or Members, regardless of whether the disinterested Directors, committee members or Members constitute a

quorum of the Members entitled to vote on the authorization of the contract or transaction, and the contract or transaction is specifically approved in good faith and with ordinary care by a vote of the Members, or the contract or transaction is fair to the Association when the contract or transaction is authorized, approved, or ratified by the Board of Directors, a committee of the Board of Directors, or the Members. Common or interested Directors or Members of the Association may be included in determining the presence of a quorum at a meeting of the Board, a committee of the Board, or Members that authorize the contract or transaction. The person who has the relationship or interest may be present at or participate in and, if the person is a Director, Member, or committee member, may vote at a meeting of the Board of Directors, of the Members, or of a committee of the Board that authorized the contract or transaction; or sign, in the person's capacity as a Director, Member, or committee member, a written consent of the Directors, Members, or committee members to authorize the contract or transaction.

3.19 POWERS AND DUTIES. The Board shall have all the powers and duties necessary for the administration of the Association and for the operation and maintenance of the Subdivision. The Board may do all such acts and things except those which, by law or the governing documents are reserved to the Members and may not be delegated to the Board. The act of a majority of the Directors present in person or by proxy at a meeting at which a quorum is present is the act of the Board of Directors. Without prejudice to the general and specific powers and duties set forth in laws or the governing documents, or such powers and duties as may hereafter be imposed on the Board by resolution of the Association, the powers and duties of the Board shall include, but shall not be limited to, the following:

- a. Rules and Regulations. The Board, by resolution may from time to time adopt and publish Rules and Regulations governing use of the Common Area and the personal conduct of the Members, and their guests, and may suspend the right to use of the Common Area, after notice and hearing, pursuant to Sections 209.006 and 209.007 of the Act.
- b. Guests. The Board may limit the number of guests of Owners with respect to the use of the Common Areas.
- c. Delinquent Accounts. The Board may establish, levy, and collect reasonable late charges for Members' delinquent accounts. The Board may also establish a rate of interest to be charged on Members' delinquent accounts, provided the rate of interest does not exceed eighteen percent (18%) or the maximum rate permitted by state law, whichever is the lesser.
- d. Fidelity Bonds. The Board shall require that all Officers, agents, and employees of the Association handling or responsible for Association funds shall furnish adequate fidelity bonds. The premiums on such bonds may be an expense of the Association.

Committees may be appointed from among the Members or professionals in the area of expertise for which the committee is formed.

- g. Fines. In addition to, or in lieu of, other remedies as provided by law, the Board may levy fines for each day or occurrence that a violation of the dedicatory instruments persists after notice and hearing, provided the amount of the fine does not exceed the amount necessary to ensure compliance with the dedicatory instruments.
- h. Contracts for Services. The Board may enter into contracts for services on behalf of the Association, and, when appropriate, shall solicit competitive bids based on a standard statement of work prepared or approved by the Board.

The Board shall maintain current and accurate financial records with complete entries as to each financial transaction of the Association, including income and expenditures, in accordance with generally accepted accounting principles. The Board shall annually prepare or approve a financial report for the Association for the preceding year. A Director who is present at a meeting of the Board of Directors at which action is taken on an Association matter is presumed to have assented to the action unless the Director's dissent has been entered in the minutes of the meeting, the Director has filed a written dissent to the action with the person acting as the secretary of the meeting before the meeting is adjourned, or the Director has sent a written dissent by registered mail to the Secretary of the Association immediately after the meeting has been adjourned. The right to dissent under this section does not apply to a Director who voted in favor of the action.

A successor may be elected at any regular or special meeting of the Board called for that purpose. An Officer may resign at any time by giving written notice of the Board. Unless the notice of resignation state otherwise, it is effective when received by the Board and does not require acceptance by the Board. The resignation or removal of an Officer who is also a Director does not constitute resignation or removal from the Board.

4.4 STANDARD OF CARE. An Officer is not liable to the Association or any other person for an action taken or omission made by the Officer in the person's capacity as an Officer unless the Officer's conduct was not exercised in good faith with ordinary care, and in a manner the Officer reasonably believes to be in the best interest of the Association. This section shall not affect the liability of the Association for an act or omission of the Officer.

ARTICLE 5

MEETINGS OF THE ASSOCIATION

5.1 ANNUAL MEETING. Annual meetings of the Association shall be held at 2:00 p.m. on the third Sunday in March each year, or within thirty (30) days thereafter, weather permitting. At the annual meeting the Members shall elect Directors in accordance with these Bylaws. The Members may also transact such other business of the Association as may properly come before them. Notwithstanding any other provision in these Bylaws, the Board shall call an Annual Meeting of the Members of the Association.

5.2 MANDATORY ELECTION REQUIRED AFTER FAILURE TO CALL ANNUAL MEETING. If the Board does not call an Annual Meeting of the Members of the Association, an Owner may demand that a meeting of the Association be called not later than the thirtieth (30th) day after the date of the Owner's demand. The Owner's demand must be made in writing and sent by certified mail, return receipt requested, to the registered agent of the Association and to the Association at the address for the Association according to the most recently filed Management Certificate. A copy of the notice must be sent to each Owner who is a Member of the Association. If the Board does not call a meeting of the Members of the Association on or before the thirtieth (30th) day after the date of a demand, three or more Owners may form an election committee. The election committee shall file written notice of the committee's formation with the county clerk of each county in which the Subdivision is located. A notice filed by an election committee must contain: (i) a statement that an election committee has been formed to call a meeting of Owners who are Members of the Association for the sole purpose of electing Board Members; (ii) the name and residential address of each committee member; and (iii) the name of the Subdivision over which the Association has jurisdiction under the dedicatory instruments. Each committee member must sign and acknowledge the notice before a notary or other official authorized to take acknowledgments. The county clerk shall enter on the notice the date the notice is filed and record the notice in the county's real property records. Only one committee in the Subdivision may operate under this section at one time. If more than one committee in a Subdivision files a notice, the first committee that files a notice, after having complied with all other requirements of this section, is the committee with the power to act under this section. A committee that does not hold or conduct a successful election within four (4) months after the date the notice is filed with the county clerk is dissolved by operation of law. An election held or conducted by a dissolved committee is ineffective for any purpose under this section. The election committee may call meetings of the Owners who are Members of the

Association for the sole purpose of electing Board Members. Notice, quorum, and voting provisions contained in these Bylaws apply to any meeting called by the election committee.

5.3 SPECIAL MEETINGS. It shall be the duty of the President to call a special meeting of the Association if directed to do so by majority of the Board or by a petition signed by Members representing at least ten percent (10%) of the eligible votes in the Association. Such meeting shall be held within thirty (30) days after the Board resolution or receipt of the petition. The notice of any special meeting shall state the time, place, and purpose of such meeting. No business, except the purpose stated in the notice of the meeting, shall be transacted at a special meeting.

5.4 PLACE OF MEETINGS. Meetings of the Association shall be held at place as is designated by the Board in the notice of the meeting.

5.5 NOTICE OF MEETINGS. Not later than the tenth (10th) day or earlier than the sixtieth (60th) day before the date of an election or vote, the Association shall give written notice of the election or vote to each Owner in the Association, for purposes of an Association-wide election or vote or to vote for the elections of members of the Board.

5.6 ELIGIBILITY. All Members of the Association may receive notice of meetings of the Association, vote at meetings of the Association, or be elected to serve as a Director.

5.7 RECORD DATES.

5.7.1 Determining Notice Eligibility. The Board shall fix a date as the record date for determining the Members entitled to notice of a meeting of the Association. The record date may not be more than sixty (60) days before the date of a meeting of the Association at which Members will vote.

5.7.2 Determining Voting Eligibility. The Board shall fix a date as the record date for determining the Members entitled to vote at a meeting of the Association. The record date may not be more than sixty (60) days before the date of a meeting of the Association at which Members will vote.

5.7.3 Determining Rights Eligibility. The Board shall fix a date as the record date for determining the Members entitled to exercise any rights other than those described in the preceding two paragraphs. The record date may not be more than sixty (60) days before the date of the action for which eligibility is required, such as a nomination to the Board.

5.7.4 Adjournments. A determination of Members entitled to notice of or to vote at a meeting of the Association is effective for any adjournment of the meeting unless the Board fixes a new date for determining the right to notice or the right to vote. The Board must fix a new date for determining the right to notice or the right to vote if the meeting is adjourned to a date more than ninety (90) days after the record date for determining Members entitled to notice of the original meeting.

5.8 VOTING MEMBERS LIST. The Board shall prepare and make available a list of the Association's voting Members in accordance with Business Organizations Code Section 22.158. After setting a record date for the notice of a meeting, the Association shall prepare an

Exhibit "D"

Page 13 of 19 Pages

alphabetical list of the names of all its voting Members. The list must identify the Members who are entitled to notice, the address of each voting Member and the number of votes each voting Member is entitled to cast at the meeting. Not later than the second (2nd) business day after the date notice is giving of a meeting for which a list was prepared in accordance with this section, and continuing through the meeting, the list of voting Members must be available at the office of the Association's Managing Agent, according to the most recent Management Certificate recorded, as identified in the notice of the meeting, for inspection by Members entitled to vote at the meeting for the purpose of communications with other Members concerning the meeting. A voting Member or voting Member's agent or attorney is entitled on written demand to inspect any, at the Member's expense and subject to Section 209.005 of the Act, copy the list at a reasonable time during the period the list is available for inspection. The Association shall make the list of voting Members available at the meeting. A voting Member or voting Member's agent or attorney is entitled to inspect the list at any time during the meeting or an adjournment of the meeting.

5.9 QUORUM. At any meeting of the Association, the presence in person or by proxy of Members entitled to cast at least ten percent (10%) of the votes that may be cast for election of the Board shall constitute a quorum. Members present at a meeting at which a quorum is present may continue to transact business until adjournment, notwithstanding the withdrawal, during the course of the meeting, of Members constituting a quorum.

5.10 LACK OF QUORUM. If a quorum shall not be present or represented at any meeting, the Members entitled to vote shall have power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum is present and represented.

5.11 VOTES. Members of the Association shall have one vote for each Lot owned in the Subdivision. The vote of Members representing at least a majority of the votes cast at any meeting at which a quorum is present shall be binding upon all Members for all purposes, except when a higher percentage is required by the Declaration or these Bylaws. There shall be no cumulative voting. The voting rights of an Owner may be cast or given in person or by proxy at a meeting of the Association; by absentee ballot in accordance with this section; or by electronic ballot in accordance with these Bylaws.

5.12 PROXIES. Unless otherwise provided by the proxy, a proxy is revocable and expires eleven (11) months after the date of its execution. A proxy may not be irrevocable for longer than eleven (11) months.

5.13 BALLOTS. Any vote cast in an election or vote by a Member of the Association must be in writing and signed by the Member. In an Association-wide election, written and signed ballots are not required for uncontested races. Electronic votes cast as provided below constitute written and signed ballots. An absentee or electronic ballot may be counted as an Owner present and voting for the purpose of establishing a quorum only for items appearing on the ballot, and may not be counted for the purpose of establishing a quorum only for items appearing on a ballot even if properly delivered, if the owner attends any meeting to vote in person. Any vote cast at a meeting by an Owner supersedes any vote submitted by absentee or electronic ballot previously submitted for that proposal, and may not be counted on the final absentee or electronic ballot. A solicitation for votes by absentee ballot must include: an absentee ballot that contains each proposed action and provides an opportunity to vote for or against each proposed action;

instructions for delivery of the completed absentee ballot, including the delivery location; and the following language: "By casting your vote via absentee ballot you will forgo the opportunity to consider and vote on any action from the floor on these proposals, if a meeting is held. This means that if there are amendments to these proposals your votes will not be counted on the final vote on these measures. If you desire to retain this ability, please attend any meeting in person. You may submit an absentee ballot and later choose to attend any meeting in person, in which case any in person vote will prevail." For the purposes of this section, "electronic ballot" means a ballot, giving by e-mail, facsimile, or posting on an Internet website for which the identity of the Owner submitting the ballot can be confirmed and for which the property owner may receive a receipt of the electronic transmission and receipt of the Owner's ballot. If an electronic ballot is posted on the Association's Internet website, a notice of the posting shall be sent to each Owner that contains instructions on obtaining access to the posting on the website.

5.13.1 Co-Owned Lots. If a Lot is owned by more than one Member and only one Member is present at a meeting of the Association, that person may cast the vote allocated to that Lot. If more than one of the multiple Owners is present, the vote allocated to that Lot may be cast only in accordance with the Owners' unanimous agreement. Multiple Owners are in unanimous agreement if one of the multiple owners casts the vote allocated to the Lot and none of the other Owners makes prompt protest to the person presiding over the meeting.

5.13.2 Corporation-Owner Lots. If a Lot is owned by a corporation, the vote appurtenant to that Lot may be cast by an officer of the corporation in the absence of express notice of the designation of a specific person by the Board of Directors or bylaws of the owning corporation. The vote of a partnership may be cast by any general partner of the owning partnership in the absence of express notice of the designation of a specific person by the owning partnership. The person presiding over a meeting or vote may require reasonable evidence that a person voting on behalf of a corporation or partnership is qualified to vote.

5.14 TABULATION AND ACCESS TO BALLOTS. A person who is a candidate in the Association's Board election or who is otherwise the subject of an Association vote, or a person related to that person within the third degree by consanguinity or affinity, as determined under Chapter 573 of the Texas Government Code, may not tabulate or otherwise be giving access to the ballots cast in that election or vote except as provided by this section. A person other than a person described above may tabulate votes in an Association election or vote, but may not disclose to any other person how an individual voted. Notwithstanding any other provision of this chapter or any other law, a person other than a person who tabulates votes may be given access to the ballots cast in the election or vote only as part of a recount process authorized by law.

5.15 RECOUNT OF VOTES. Any Owner may, not later than the fifteenth (15th) day after the date of the meeting at which the election was held, require a recount of the votes. A demand for a recount must be submitted in writing by certified mail, return receipt requested, or by delivery by the United States Postal Service with signature confirmation services to the Association's mailing address or in person as reflected on the Latest Management Certificate, or to the address to which absentee and proxy ballots are mailed. The Association shall, at the expense of the Owner requesting the recount, retain for the purpose of performing the recount, the services of a person qualified to tabulate votes under this section. The Association shall enter into a contract for the services of a person who is not a Member of the Association or related to a Member of the Association Board within the third degree by consanguinity or affinity, as determined under

Exhibit "D"

Page 15 of 19 Pages

Chapter 573 of the Texas Government Code, who is a current or former county judge, county elections administrator, justice of the peace, county voter registrar, or a person agreed on by the Association and the persons requesting the recount. Any recount under this section must be performed on or before the thirtieth (30th) day after the date of receipt of a request. If the recount changes the results of the election, the Association shall reimburse the requesting Owner for the cost of the recount. The Association shall provide the results of the recount to each Owner who requested the recount. Any action taken by the Board in the period between the initial election vote tally and the completion of the recount is not affected by any recount.

5.16 CONDUCT OF MEETINGS. Unless the notice of meeting state otherwise, the order of business at annual meetings of the Association shall be as follows:

- a. Determine votes present by roll call or check-in procedure
- b. Announcement of a quorum
- c. Proof of notice of meeting
- d. Reading and approval of minutes of receding meeting
- e. Reports
- f. Election of Directors

- i. Adjournment

5.17 ADJOURNMENT OF MEETING. At any meeting of the Association, a majority of the Members present at that meeting, either in person or by proxy, may adjourn the meeting to another time.

ARTICLE 6

COMMITTEES

6.1 NOMINATING COMMITTEE. After the expiration of the Declarant Control Period, nominations for the election of the Board of Directors may be made by a Nominating Committee. The Nominating Committee shall make as many nominations to the Board as it shall in its discretion determine, but not less than the number of vacancies that are to be filled. Nominations may also be made from the floor at the annual meeting.

6.2 OTHER COMMITTEES. The Board of Directors may appoint other committees as the Board deems appropriate to carry out its purposes.

ARTICLE 7

RULES AND REGULATIONS

7.1 RULES. The Board shall have the right to establish and amend, from time to time, reasonable Rules and Regulations for: (i) the administration of the Association and the governing documents; (ii) the maintenance, management, operation, use, conservation, and beautification of the Subdivision; and (iii) the health, comfort, and general welfare of the residents; provided,

however, that such Rules may not be in conflict with law or the governing documents. An Owner who mortgages his or her Lot shall furnish the Board with the name and mailing address of the mortgagee.

8.3 ASSESSMENTS. All Owners shall be obligated to pay Maintenance Charges and other assessments imposed by the Association to meet the Common Expenses as defined in the Declaration.

9.1 AVAILABILITY. The Association shall make the books and records of the Association, including financial records, open to and reasonably available for examination by an Owner, or a person designated in a writing signed by the Owner as the Owner's agent, attorney, or certified public accountant, in accordance with this section. An Owner is entitled to obtain from the Association copies of information contained in the books and records. Association attorneys' files and records, excluding invoices requested by an Owner are not records of the Association and are not subject to inspection by the Owner or production in a legal proceeding. If a document in an attorney's files and records relating to the Association would be responsive to a legally authorized request to inspect or copy Association documents, the document shall be produced by using the copy from the attorney's filed and records if the Association has not maintained a separate copy of the document. This Article does not require production of a document that constitutes attorney work product or that is privileged as an attorney-client communication. An Owner or the Owner's authorized representative must submit a written request for access or information by certified mail, with sufficient detail describing the Association's books and records requested, to the mailing address of the Association or authorized representative as reflected on the most current Management Certificate. The request must contain an election either to inspect the books and records before obtaining copies or to have the Association forward copies of the requested books and records and if an inspection is requested, the Association, on or before the tenth (10th) business day after the date the Association received the request, shall send written notice of dates during normal business hours that the Owner may inspect the requested books and records to the extent those books and records are in the possession, custody, or control of the Association, or if copies of identified books and records are requested, the Association shall, to the extent those books and records are in the possession, custody, or control of the Association, produce the requested books and records for the requesting party on or before the tenth (10th) business day after the date the Association receives the request. The prescribed charges may include all reasonable costs of materials and labor. An Owner is responsible for costs related to the compilation, production, and reproduction of the requested information in the amounts prescribed by the policy adopted under this section. The Association may require advance payment of the estimated costs of compilation,

production, and reproduction of the requested information. If the estimated costs are lesser or greater than the actual costs, the Association shall submit a final invoice to the Owner on or before the thirtieth (30th) business day after the date the information is delivered. If the final invoice includes additional amounts due from the Owner, the additional amounts, if not reimbursed to the Association before the thirtieth (30th) business day after the date the invoice is sent to the Owner, may be added to the Owner's account as an assessment. If mailed, the notice is deemed delivered when deposited in the U.S. Mail addressed to the Member at the address shown on the Association's records.
