All dimensions are shown where and this information is intended as a guide only. Recessed lighting, window configurations and appliances may vary from the home shown. Not all colors shown may be available in this select community. Purchasers may review detailed architectural drawings available in the sales office. All square footages are approximate and are based on the finished surface footage of the home as built. The title of light calculations for this home were made based on the floor plan only and may vary from the finished surface footage of the home within a particular building. Exterior colors vary by building and are not selected by the buyer. All other items are subject to change without notice. Please see Sales Associate for details.
