

# WALDEN ON LAKE HOUSTON GOLF COURSE & COUNTRY CLUB

The Walden on Lake Houston Golf Course & Country Club is a beautiful course and country club that offers various amenities to its residents. From golfing to fitness to playgrounds and pools, this community has everything you need!

## GOLF

Members enjoy practice facilities including a full driving range, vast putting green, and a chipping green with sand bunker. While the golf courses, practice facility, and Clubhouse provide an ideal backdrop for golfers to congregate, the Club is really all about the Members. It's about fellowship, community, family, fun, good times, and of course the love of the game. Golf and Social member events fill the calendar throughout the year and provide an array of formats for members to enjoy themselves.

## EAT

Whether our Members want the best burger in town in the 19th Hole or an upscale evening in the Palmer Lounge, Members and their Guests enjoy a variety of dining options. Our Executive Chef routinely evaluates our menus to ensure the Club remains on the culinary cutting edge in the area. The 19th Hole Grill and Patio operates seven days a week and Holidays. It's a popular gathering spot for families, tennis players and golfers. Breakfast and lunch are served daily and dinner is served Wednesday through Friday. The Palmer Lounge is available for small member parties serving up to 40 people. The Main Dining Room primarily serves as an event facility and is able to accommodate up to 250 guests. Members enjoy this panoramic view of Lake Houston and the Golf Course during Holiday themed events such as Thanksgiving, Mother's Day Brunch and Easter Brunch.

## WORKOUT

The Fitness Center includes Cardio/Weights, Yoga, 3 Mile Walk-Work-Walk, Refit, Chair Yoga, and group fitness classes. Check the website for more!

## PLAY

Enjoy an outdoor playground & tennis courts! In addition, residents receive access to a private boat dock & marina exclusively for Walden on Lake Houston residents as well as a dog park.
