Loved everything about this house but the cameras. I realize they were only outside, and I understand the reasoning, but it was a bit creepy knowing that every time you stepped outside you were being watched. There's even a sign saying Smile, Your On Camera. If you don't mind this, I would recommend this house. We'll stay elsewhere next time.

My family got to have a getaway which was much needed. The beach was great.

★★★★★ Daniel M. Aug 2020

Great!!! My family and I love it so much!! Best location!!! We had a wonderful time!!! Will come back for sure!!!

★★★★★ Mindy M. Jul 2020

The house was a perfect place to get away! We loved being able to walk to the beach and the decor was so cute. Everything that we needed was available in the house and it was a perfect size for our group of 7. Not a deal breaker, but it said on the description that beach chairs were available but we never found them. We can't wait to return!

★★★★★ SCOTTIE J. Jul 2020

NICE QUIET NEIGHBORHOOD WITH EASY ACCESS TO THE BEACH. WOULD DEFINITELY STAY THERE AGAIN.

★★★★★ Karla J. Jun 2020

Beautiful house! We had a very comfortable stay and the house is very well stocked, it had everything we needed. The oversized deck is very inviting and has a really great ocean view. Also just a quick walk to the beach. My family and I really enjoyed our stay and will definitely be back!

★★★★★ Carol H. Jun 2020

We loved the house and had plenty of room but we didn't like the fact we were monitored by cameras and furniture and beds were uncomfortable and there was not enough soap laundry detergent etc. otherwise we enjoyed our stay

Manager response:

Hi, Carol! We appreciate your feedback and apologize for the disappointments you experienced. We do not have cameras in the home and believe you must be referring to the motion sensors that are part of the alarm system. There are exterior cameras facing the driveway for security purposes the owner does monitor. The mattresses are all new, so we are sorry to read you found them so uncomfortable. We hope to have a chance to impress you in the future!

What a charming beach house. Well decorated and a great location. A short walk or super fast drive to the beach. Downstairs (outdoor) shower is great for knocking off the sand before you head inside after a long day at the beach.

★★★★★ **Kathy C.** Apr 2019

This beach house was very nice, comfortable, very well organized. The beds were comfy and the common areas were spacious and pleasantly decorated. The kitchen is fully stocked. The beach is a close drive but there is a parking fee and you must obtain a sticker from the nearby store. There is also stocked grocery a few miles away and a convenience store just a quick walk away.

Great home but needed a few things. The thermostat didn't work so we changed the batteries and all was good. The front deck lights didn't work so you may want to check on them. Otherwise it was perfect for our family!!! Everything we needed was provided.

Manager response:

We appreciate your feedback and have contacted local staff about the front deck lights. We hope to house you in the future!
