

SOMERSET GREEN

FACT SHEET

Our vision is to leave behind a legacy that improves the quality of city living and creates special places that will be cherished by future generations with enduring value for the entire community, making this truly a community of a lifetime.

SOMERSET GREEN is a community of large, elegant homes overlooking magnificent gardens, canals and fountains that recreates the notion of community that has been present in Europe for hundreds of years. It is a harbor from the city without ever having to leave the city.

SOMERSET GREEN is conveniently located minutes away from the Heights, Downtown, The Galleria, and Memorial Park.
