

## Limited Warranty #31235721

Congratulations, your Limited Warranty was successfully submitted.

This is important information. Please retain for your records.

Please retain proof of the installation dates for your products (i.e. invoice) to verify the registered warranty for any future claims.

For complete, comprehensive Limited Warranty terms and conditions, please refer to our Limited Warranty in the Use and Care information that accompanied your product, or contact your installing dealer.

During the Registered Limited Warranty period you have the opportunity to purchase a transferability option, which allows your Registered Limited Warranty to be transferred to a subsequent homeowner. The original owner may purchase Transferability during the 60-day Product Registration Period or the subsequent owner may purchase Transferability within the Limited Warranty period, up to ninety (90) days following their purchase of the home.

With the purchase of your equipment, you may be eligible for a labor warranty from your installing dealer. Contact the installing dealer to inquire if your system may qualify for repair labor free of charge.
