## WHAT I LOVE ABOUT MY HOME

- Location!!! Close to 99 & I-45
- Large backyard
- Love that the kitchen is between the den & the dining room, which helps with the flow when we have a large gathering
- Large corner lot
- Nice size master & master bathroom
- All the great memories made in this home – it is a wonderful home for entertaining and gathering!
- The street & neighbors are wonderful, we love Bridgestone West & are sad to leave
