Notice to a Purchaser of Real Property in a Water District

NOTICE FOR DISTRICTS LOCATED IN WHOLE OR IN PART WITHIN THE CORPORATE BOUNDARIES OF A MUNICIPALITY

The real property, described below, that you are about to purchase is located in the GALVESTON MUD 46 District. The district has taxing authority separate from any other taxing authority and may, subject to voter approval, issue an unlimited amount of bonds and levy an unlimited rate of tax in payment of such bonds. As of this date, the rate of taxes levied by the district on real property located in the district is \$ 1.00 on each \$100 of assessed valuation. If the district has not yet levied taxes, the most recent projected rate of tax, as of this date, is \$ 1.00 on each \$100 of assessed valuation. The total amount of bonds, excluding refunding bonds and any bonds or any portion of bonds issued that are payable solely from revenues received or expected to be received under a contract with a governmental entity, approved by the voters and which have been or may, at this date, be issued in \$ 98,500,000.00, and the aggregate initial principal amounts of all bonds issued for one or more of the specified facilities of the district and payable in whole or in part from property taxes is \$ 24,205,000.00.

The district has the authority to adopt and impose a standby fee on property in the district that has water, sanitary sewer, or drainage facilities and services available but not connected and which does not have a house, building, or other improvement located thereon and does not substantially utilize the utility capacity available to the property. The district may exercise the authority without holding an election on the matter. As of this date, the most recent amount of the standby fee is \$ _____. An unpaid standby fee is a personal obligation of the person that owned the property at the time of imposition and is secured by a lien on the property. Any person may request a certificate from the district stating the amount, if any, of unpaid standby fees on a tract of property in the district.

The district is located in whole or in part within the corporate boundaries of the City of LEAGUE CITY. The taxpayers of the district are subject to the taxes imposed by the municipality and by the district until the district is dissolved. By law, a district located within the corporate boundaries of a municipality may be dissolved by municipal ordinance without the consent of the district or the voters of the district.

The purpose of this district is to provide water, sewer, drainage, or flood control facilities and services within the district through the issuance of bonds payable in whole or in part from property taxes. The cost of these utility facilities is not included in the purchase price of your property, and these utility facilities are owned or to be owned by the district. The legal description of the property you are acquiring is as follows:

RE: 4483 Costa Brava Park, League City, TX 77573-3342 (Property)

DATE: March 11, 2016

The attached list includes inspectors licensed by the Texas Real Estate Commission and may also include other persons authorized by law to perform certain inspections (for example, termite inspectors, engineers, electricians, or plumbers). The list is not a complete list of all inspectors that may perform inspections. You may also obtain a list from other sources (for example, the local telephone directory or the Internet).

This firm strongly recommends that you hire inspectors to help you evaluate the condition of the Property.

Inspections are of conditions which are *present* and *visible* at the time of the inspections. Property conditions change with time and use. Inspectors are not likely to point out small problems or defects that are not reasonably observable at the time of inspection. Inspectors will not move furniture, appliances, permanent coverings, or other obstructions. Neither inspectors nor real estate licensees can guarantee future performance of any item.

This firm does not recommend any particular inspector and does not warrant the quality of any inspector's inspection.

It is recommended that you accompany the inspectors during the inspections. You should address any questions about an inspection directly to your inspector.

Real estate licensees are not inspectors by virtue of their real estate licenses.

It may be necessary to make certain arrangements for the inspectors, such as providing access and turning on utilities.

Will be using prior inspection report provided by seller.

Receipt of this notice is acknowledged and:

- I choose to hire an inspector.
- I choose not to hire an inspector.
