Welcome to Legends Ranch

Legends Ranch, the popular Canyon Gate community in North Houston, offers new homes priced from the mid 100's-400's in a guard gated community with 24-hour controlled access.

Legends Ranch offers access via I-45 and the Hardy Toll Rd. Located near I-45 North on Rayford Rd., this 450-acre community is only minutes away from Bush Intercontinental Airport and The Woodlands.

Residents in Legends Ranch enjoy year round water and sport recreation with the SplashPad Texas recreation center. The water park and recreation area sports enough attractions to entertain a large family all year round.

The \$2.5 million Recreation Center & Clubhouse centers around a lodge-style clubhouse with a beautiful natural stone fireplace. Just off the large gathering room is a fully-operational kitchen with a pass-through serving bar leading to the pool area.

The gated area of Legends Ranch will be monitored by a uniformed guard 24 hours, 7 days a week at the Guardhouse. Residents enter the main gate via EZ Tags. Visitors must check in with the guard at the main Guardhouse before entering Canyon Gate at Legends Ranch.
