Notwithstanding anything contained herein, the Developer, the Association, and the successors, assigns, affiliates and designees of each may conduct such activities as have been or may be permitted by the U.S. Army Corps of Engineers (the "COE") or any successor thereof responsible for the regulation of wetlands.

(b) Notwithstanding anything to the contrary contained herein, the Developer shall have and reserves the right at any time and from time to time, without the joinder or consent of any Owner or other party, to unilaterally impose additional restrictive covenants upon any Tract or upon the Common Area for purposes of complying with any condition, regulation or requirements of the COE or any other federal, state or local governmental agency.

ARTICLE IV ARCHITECTURAL CONTROL COMMITTEE

Section 4.01. Basic Control.

(a) No building or other improvements of any character shall be erected or placed, or the erection or placing thereof commenced or changes made in the design or exterior appearance thereof (excluding, without limitation, painting, staining or siding), or any addition or exterior alteration made thereto after original construction, or demolition or destruction by voluntary action made thereto after original construction, on any Tract in the Subdivision until the obtaining of the necessary approval (as hereinafter provided) from the Developer until the establishment of the Committee as hereafter provided, and, thereafter, the Committee, and Montgomery County (if required by law, rule or other regulation) of the construction plans and specifications for the construction or alteration of such improvements or demolition or destruction of existing improvements by voluntary action.

(b) Each application made to the Committee or to the Developer under Section 4.02 below must be accompanied by Four sets of plans and specifications for all proposed construction (initial or alteration) to be done on such Tract, including plot plans showing location on the Tract. Upon receipt, the Committee shall forward one set of the plans and specifications to the Developer. There is a deposit fee to be paid by contractor for the cost of processing an approval of plans. A portion of the deposit set fourth by the committee is non-refundable. The portion of non-refundable fees are used for postage, copies, phone, onsite inspection, re-survey or however deemed necessary by the Committee. A contractors deposit may also be levied by the Committee for damage to community as a result of contractor or his agents. Fines may also be imposed against contractors deposit for non-compliance of the conditions set fourth in the ACC Application to build.

Section 4.02. Architectural Control Committee.

Each Owner, by accepting a deed or other instrument conveying any interest in any portion of the Property acknowledges that, as the developer of the Property, Developer has a substantial interest in ensuring that all structures and improvements within the Property enhance Developer's reputation as a community developer and do not impair Developer's ability to market, sell or lease any portion of the Property. Therefore, the Developer may, on its behalf, establish the Committee to be responsible for administration and review of all applications for construction and modifications under the Declaration. The members of the Committee, which need not be members of the Association, may, but need not, include architects, landscape

architects, engineers or similar professionals, whose compensation, if any, shall be established from time to time by the Committee. The Committee may establish and charge reasonable fees for review of applications hereunder and may require such fees to be paid in full prior to review of any application. Such fees may include the reasonable costs incurred by the Committee in having any application reviewed by architects, engineers or other professionals.

The Committee shall have exclusive jurisdiction over all construction on any portion of the Property. Until 100% of the Property has been developed and conveyed to Owners other than Builders, and initial construction on each Tract has been completed in accordance with Committee approval, the Developer retains the right to appoint all members of the Committee which may consist of one or more Persons, who shall serve at the Developer's discretion. There shall be no surrender of this right prior to that time except in a written instrument in recordable form executed by Developer. Upon the expiration or surrender of such right, the Board shall appoint the members of the Committee who shall thereafter serve and may be removed in the Board's discretion.

Section 4.03. Effect of Inaction. Approval or disapproval as to architectural control matters as set forth in the preceding provisions shall be in writing. In the event that the authority exercising the prerogative of approval or disapproval (whether the Developer or the Committee) fails to approve or disapprove in writing any plans and specifications and plats received by it in compliance with the preceding provisions within thirty (30) days following such submission, such plans, specifications and plot plan shall be deemed approved and the construction of any such building and other improvements may be commenced and proceeded with in compliance with all such plans, specifications and plot plan and all of the other terms and provisions hereof.

Section 4.04. Effect of Approval. The granting of the aforesaid approval, whether in writing or by lapse of time, shall constitute only an expression of opinion by the Committee that the terms and provisions hereof shall be complied with if the building and/or other improvements are erected in accordance with said plans, specifications and plot plan; and such approval shall not constitute any nature of waiver or estoppel either as to the Persons expressing such approval or any other Person in the event that such building and/or improvements are not constructed in accordance with such plans, specifications and plot plan or in the event that such building and/or improvements are constructed in accordance with such plans, specifications and plot plan, but, nevertheless, fail to comply with the provisions hereof. Further, no Person exercising any prerogative of approval or disapproval shall incur any liability by reason of the good faith exercise thereof. Exercise of any such prerogative by one (1) or more members of the Committee in their capacity as such shall not constitute action by the Developer.

The criteria and requirements established by the Committee for approval of architects, Builders and Contractors are solely for the Developer's protection and benefit and are not intended to provide the Owner with any form of guarantee with respect to any approved architect, Builder or Contractor. Owner's selection of an architect, Builder or Contractor shall be conclusive evidence that the Owner is independently satisfied with any and all concerns Owner may have about the qualifications of such architect, Builder or Contractor. Furthermore, Owner waives any and all claims and rights that Owner has or may have now or in the future, against the Committee or the Developer. The standards and procedures established pursuant to this Article are

intended to provide a mechanism for maintaining and enhancing the overall aesthetics of the Property only, and shall not create any duty to any Person. Review and approval of any application pursuant to this Article is made on the basis of aesthetic considerations only and the Committee shall bear no responsibility for ensuring the structural integrity or soundness of approved construction or modifications, the adequacy of soils or drainage, nor for ensuring compliance with building codes and other governmental requirements, nor for ensuring compliance with building codes and other governmental requirements, nor for ensuring that all Dwellings are of comparable quality, value or size, of similar design, or aesthetically pleasing or otherwise acceptable to neighboring property owners. Neither the Developer, the Association, the Board of Directors, the Committee or any committee, or member of any of the foregoing shall be held liable for any injury, damages, or loss arising out of the manner or quality of approved construction or modifications to any Tract. In all matters, the committees and their members shall be defended and indemnified by the Association as provided in Section 4.6.

Section 4.05. Minimum Construction Standards: Inspections. The Committee may, from time to time, promulgate an outline of minimum acceptable construction standards; provided, however, that such outline will serve as a minimum guideline only and the Committee shall not be bound thereby. In order to control the quality of construction and to reasonably insure that all residential construction (including the construction of the Dwelling and all other improvements on the Tract) are constructed in accordance with (a) the Plat, (b) this Declaration, (c) the Montgomery County and other governmental regulations, (d) minimum acceptable construction standards as promulgated from time to time by the Committee, and (e) Committee regulations and requirements, the Committee may conduct certain building inspections and the Owner, in the construction of all improvements, shall hereby be subject to such building inspections and building inspection policies and procedures as established from time to time by the Committee. A fee in an amount to be determined by the Committee shall be paid to the Committee prior to architectural approval, or at such other time as designated by the Committee, to defray the expense of such building inspections and re-inspections.

Section 4.06. Variances. The Committee may authorize variances from compliance with any of the provisions of this Declaration, or minimum acceptable construction standards or regulations and requirements as promulgated from time to time by the Committee, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations may require a variance. Such variances must be evidenced in writing and shall become effective when signed by the Developer or by at least a majority of the members of the Committee. If any such variances are granted, no violation of the provisions of this Declaration shall be deemed to have occurred with respect to the matter for which the variance is granted; provided, however, that the granting of a variance shall not operate to waive any of the provisions of this Declaration for any purpose except as to the particular property and particular provisions hereof covered by the variance, nor shall the granting of any variance affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting the property concerned and the Plat.

Section 4.07. Notices of Completion and Noncompliance. Each Owner shall send a written notice of the completion ("Notice of Completion") of such Owner's construction of residential improvements to the Committee and to the Association within fifteen (15) days after completion of such Owner's construction. If, as a result of inspections or otherwise, the Committee finds that any residential construction has been done without obtaining the approval of the Committee

or was not done in conformity with the approved plans and specifications and plot plan, the Committee shall notify the Owner in writing of the noncompliance, which notice ("Notice of Noncompliance") shall be given, in any event, within sixty (60) days after the Committee receives a Notice of Completion. The Notice of Noncompliance shall specify the particulars of the noncompliance and shall require the Owner to take such action as may be necessary to remedy the noncompliance. If for any reason other than Owner's act or neglect, the Committee fails to notify the Owner of any noncompliance within sixty (60) days after receipt by the Committee of the Notice of Completion, the improvements constructed by such Owner on the Lot shall be deemed in compliance if such improvements were, in fact, completed as of the date of the Notice of Completion. If, however, the Committee issues a Notice of Noncompliance, the Owner shall commence to correct the noncompliance without delay. If the Owner does not correct the noncompliance within forty-five (45) days after receipt of the Notice of Noncompliance or commence, within ten (10) days after receipt of the Notice of Noncompliance, the correction of such noncompliance, in the case of a noncompliance which cannot reasonably be expected to be corrected within forty-five (45) days (provided that such Owner diligently continues the removal of such noncompliance) the Committee may, at its option, record a Notice of Noncompliance against the Lot on which the noncompliance exists, and/or may otherwise correct such noncompliance, and the Owner shall reimburse the Committee, upon demand, for all expenses incurred therewith, which reimbursement obligation shall be a charge on such Owner's Lot and shall be a continuing lien, secured by the same lien which secures the Maintenance Charge and Special Assessment. The right of the Committee to remedy or remove any noncompliance shall be in addition to all other rights and remedies which the Committee may have at law, in equity, or under this Declaration to cure such noncompliance.

Section 4.08. No Implied Waiver or Estoppel. No action or failure to act by the Committee shall constitute a waiver or estoppel with respect to future action by the Committee, the Developer or the Board of Directors, as applicable, with respect to the construction of any improvements within the Subdivision. Specifically, the approval by the Committee, Developer or Board of Directors, as applicable, of any such residential construction shall not be deemed a waiver of any right or an estoppel to withhold approval or consent for and similar residential construction or any similar proposals, plans, specifications or other materials submitted with respect to any other residential construction by such person or other Owners.

Section 4.09. Disclaimer. No approval of plans and specifications and no publication or designation of architectural standards shall ever be construed as representing or implying that such plans, specifications or standards will result in a properly designed structure or satisfy any legal requirements, including compliance with the provisions of Section 3.19.

**ARTICLE V
RIDGELAKE SHORES
PROPERTY OWNERS ASSOCIATION**

Section 5.01. Membership. Every Person or entity who is a record Owner of any Tract which is subject to the Maintenance Charge provided herein (or could be following the withdrawal of an exemption therefrom) and other assessments provided herein, including contract sellers, shall be a "Member" of the Association. The foregoing is not intended to include Persons or entities that

hold an interest merely as security for the performance of an obligation or those having only an interest in the mineral estate. Owners shall have one membership for each Tract, including consolidated Tracts under Section 3.02, owned by such Member. Memberships shall be appurtenant to and may not be separated from the ownership of the Tract. Regardless of the number of persons who may own a Tract (such as husband and wife, or joint tenants, etc.) there shall be but one membership for each Tract. Additionally, the Directors of the Association shall also be Members of the Association (as more particularly described in the By-laws). Ownership of the Tracts shall be the sole qualification for membership. The voting rights of the Members are set forth in the Bylaws of the Association. However, the Restrictive covenants will not be construed as to assess the Veterans Land Board or the State of Texas. Any assessments are the personal obligation of the Veteran purchaser, his heirs and assigns. Any lien imposed by the restrictive covenants does not affect the Veterans Land Board's interest in the property.

Section 5.02. Non-Profit Corporation. RidgeLake Shores Property Owners Association, Inc., a non-profit corporation, has been (or will be) organized and it shall be governed by the Articles of Incorporation and Bylaws of said Association; and all duties, obligations, benefits, liens and rights hereunder in favor of the Association shall vest in said corporation.

Section 5.03. Bylaws. The Association has adopted or may adopt whatever Bylaws it may choose to govern the organization or operation of the Subdivision and the use and enjoyment of the Tracts and Common Areas, provided that the same are not in conflict with the terms and provisions hereof.

Section 5.04. Owner's Right of Enjoyment. Every Owner shall have a beneficial interest of use and enjoyment in and to the Common Areas and such right shall be appurtenant to and shall pass with the title to every assessed Tract, subject to the following provisions:

(a) the right of the Association, with respect to the Common Areas, to limit the number of guests of Owners;

(b) the right of the Association to charge reasonable admission and other fees for the use of any facility situated upon the Common Areas;

(c) the right of the Association, in accordance with its Articles and Bylaws (and until 100% of all Tracts in the Subdivision are sold, subject to the prior written approval of the Developer), to (i) borrow money for the purpose of improving and maintaining the Common Areas and facilities (including borrowing from the Developer or any entity affiliated with the Developer) and (ii) mortgage said property; provided, however, the rights of such mortgagee of said property shall be subordinate to the rights of the Owners hereunder;

(d) the right of the Association to suspend a Member's voting rights and the Member's and "Related Users" (as hereinafter defined) right to use any recreational facilities within the Common Areas during any period in which the Maintenance Charge or any assessment against his Tract remains unpaid;

(e) the right of the Association to suspend a Member's voting rights and the Member's, including the Member's family members, guests and invitees (the "Related Users"), right to use any recreational facilities within the Common Area, after notice and hearing by the Board of Directors as set forth in the Bylaws, for the infraction or violation by such Member or Related Users of this Declaration or the "Rules and Regulations", as hereinafter defined, which suspension shall continue for the duration of such infraction or violation, plus a period not to exceed sixty (60) days following the cessation or curing of such infraction or violation.

ARTICLE VI MAINTENANCE FUND & SPECIAL ASSESSMENT FUND

Section 6.01. Maintenance Fund Obligation. Each Owner of a Tract by acceptance of a deed therefore, whether or not it shall be expressed in any such deed or other conveyance, is deemed to covenant and agrees to pay to the Association an annual maintenance charge (the "Maintenance Charge"), and any other assessments or charges hereby levied. The Maintenance Charge, fines or charges hereby levied, together with such interest thereon and costs of collection thereof, including reasonable attorney's fees as allowed by the Act, as hereinafter provided, shall be a charge on the Tract and shall be a personal obligation of the Owner of the Tract and a continuing lien upon the property against which each such Maintenance Charge, and other charges, fines and assessments are made.

Section 6.02. Basis of the Maintenance Charge.

(a) The Maintenance Charge and Special Assessment referred to shall be used to create funds to be known as the "Maintenance Fund for Section Four", which shall be used as herein provided; and each such Maintenance Charge (except as otherwise hereinafter provided) shall be paid by the Owner of each Tract (or residential building site) to the Association. The Maintenance Charge for the year of purchase shall be pro-rated at closing and then shall be paid annually, in advance, on or before the first day of the first month of each calendar year. Provided, however, that if an Owner owns more than one Tract in the Subdivision, such Owner shall pay only twice the assessment of one (1) Tract no matter how many Tracts are owned. In the event an Owner obtains consent from the Committee for a Composite Building site pursuant to Section 3.02 hereof, such Composite Building Site shall, for this purpose, be considered one Tract beginning upon the completion of the improvements thereon.

(b) Any Maintenance Charge and Special Assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the lesser of (i) the rate of eighteen percent (18%) per annum or (ii) the maximum rate permitted by law. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the hereinafter described lien against the Owner's Tract. No Owner may waive or otherwise escape liability for the Maintenance Charge by non-use of any Common Areas or recreational facilities available for use by Owners of the Subdivision or by the abandonment of his Tract.

(c) The exact amount of the Maintenance Charge applicable to each Tract will be initially determined by the Developer. All other matters relating to the Maintenance Charge and the collection,

expenditures and administration of the Maintenance Fund shall be determined by the Developer until the Control Transfer Date and thereafter by the Board of Directors of the Association, subject to the provisions hereof.

(d) The Association, from and after the Control Transfer Date, shall have the further right at any time, with a majority vote of all Association Members, to adjust or alter said Maintenance Charge from year to year as it deems proper to meet the reasonable operation expenses and reserve requirements of the Association in order for the Association to carry out its duties hereunder.

Section 6.03. Creation of Lien and Personal Obligation. In order to secure the payment of the Maintenance Charge, and other charges, fines and assessments hereby levied, each Owner of a Tract in the Subdivision, by such party's acceptance of a deed thereto, hereby grants to the Association a contractual lien on such Tract which may be foreclosed on by judicial or non-judicial foreclosure and in like manner as a mortgage on real estate under power of sale pursuant to the provisions of Title 5, Chapter 51 of the Texas Property Code (and any successor statute); and each such owner hereby expressly grants the Association a power of sale in connection therewith. Notwithstanding anything to the contrary contained herein and as set forth in the Act, neither the Developer nor the Association shall be permitted to bring an action for foreclosure under this Section solely for fines assessed by the Association or for attorneys' fees incurred by the Association solely associated with fines assessed by the Association.

In any foreclosure action brought under the power of sale provisions, the Association shall be deemed to be the holder and owner of the obligation secured by this Declaration. The registered agent of the Association shall be the trustee for all purposes of the foreclosure proceeding, and the Association shall have the power to appoint a substitute trustee if for any reason the Association desires to replace the trustee, and the substitute trustee shall succeed to all rights, powers and duties thereof. The Association shall request of the trustee to sell the Tract subject to the lien at public auction for cash, after having first given such notice and advertising the time and place of such sale in such manner as may then be provided by law for mortgages, and upon such sale and upon compliance with the law then relating to foreclosure proceedings under power of sale to convey to the purchaser in as full and ample manner as authorized by Title 5, Chapter 51 of the Texas Property Code. The trustee shall be authorized to retain an attorney to represent such trustee in such proceedings. The proceeds of the sale shall, after the trustee retains its commission, together with any additional attorneys' fees incurred by the trustee, be applied to the costs of the sale, including but not limited to costs of collection, taxes, assessments, costs of recording, service fees, and incidental expenditures, the amount due on any note secured by the Tract, and any advancements made by the Association in the protection of the security. Following any such foreclosure, each occupant of any such Tract foreclosed on and each occupant of any improvements thereon shall be deemed to be a tenant at sufferance and may be removed from possession by any and all lawful means, including a judgment for possession in an action of forcible detainer and the issuance of a writ of restitution thereunder.

The Association may bid for the Tract at the foreclosure sale and acquire, hold, lease, mortgage, and convey the Tract. While a Tract is owned by the Association following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no Maintenance Charge or other charge, fine, or

assessment shall be levied on it; and (c) each other Tract shall be charged, in addition to its usual Maintenance Charge & Special Assessment, its pro rata share of the Maintenance Charge & Special Assessment that would have been charged such Tract had it not been acquired by the Association.

In the event of non-payment by any Owner of any Maintenance Charge or other charge, fine, or assessment levied hereunder, the Association may, in addition to foreclosing the lien hereby retained, and exercising the remedies provided herein, upon ten (10) days prior written notice thereof to such nonpaying Owner, exercise all other rights and remedies available at law or in equity. The Association may sue for unpaid Maintenance Charge or other charges, fines, or assessments authorized hereunder without foreclosing or waiving the lien securing the same.

It is the intent of the provisions of this Section 6.03 to comply with the provisions of Title 5, Chapter 51 of the Texas Property Code relating to judicial or non-judicial foreclosure and, in the event of the amendment of said Title 5, Chapter 51 of the Texas Property Code hereafter, the Board of Directors of the Association, acting without joinder of any other Owner or mortgagee or other person may, by amendment to this Declaration filed in the Real Property Records of Montgomery County, Texas, amend the provisions hereof so as to comply with said amendments to Title 5, Chapter 51 of the Texas Property Code.

Section 6.04. Notice of Lien. In addition to the right of the Association to enforce the Maintenance Charge or other charge, fine, or assessment levied hereunder, the Association may file a claim or lien against the Tract of the delinquent Owner by recording a notice ("Notice of Lien") setting forth (a) the amount of the claim of delinquency, (b) the interest and costs of amount of the claim of delinquency, (c) the interest and costs of collection which have accrued thereon, (d) the legal description and street address of the Tract against which the lien is claimed and (e) the name of the Owner thereof. Such Notice of Lien shall be signed and acknowledged by an officer of the Association or other duly authorized agent of the Association. The lien shall continue until the amounts secured thereby and all subsequently accruing amounts are fully paid or otherwise satisfied. When all amounts claimed under the Notice of Lien and all other costs and assessments which may have accrued subsequent to the filing of the Notice of Lien have been fully paid or satisfied, the Association acting through its duly authorized officer or agent shall execute and record a notice releasing the lien upon payment by the Owner of a reasonable fee as fixed by the Board of Directors to cover the preparation and recordation of such release of lien instrument. Notwithstanding the foregoing, neither the Developer nor the Association shall be permitted to file a lien on any Tract owned by the Veterans Land Board following foreclosure and assumption of ownership of the Tract by the Veteran's Land Board.

Section 6.05. Liens Subordinate to Mortgages. The lien described in this Article VI shall be deemed subordinate to a first lien or other liens of any bank, insurance company, savings and loan association, university, pension and profit sharing trusts or plans, or any other third party lender, including Developer, which may have heretofore or may hereafter lend money in good faith for the purchase or improvement of any Tract and any renewal, extension, rearrangement or refinancing thereof. The sale or transfer of any Tract shall not affect the lien or relieve such Tract from the lien for any subsequent Maintenance Charge or other charge, fine, or assessment. However, the sale or transfer of any Tract pursuant to foreclosure of the first mortgage shall extinguish the lien as to any installments of such Maintenance Charge or other charge, fine, or assessment due prior to such sale or transfer. A mortgagee or other purchaser of a Tract who obtains title pursuant to foreclosure of the mortgage shall not be personally liable for Maintenance

Charges or other charges, fines or assessments on such Tract due prior to such acquisition of title. Such unpaid Maintenance Charges or other charges, fines, or assessments shall be deemed to be common expenses of the Association collectible from Owners of all Tracts subject to assessment under Article VI, including such acquirer, its successors and assigns. Any other sale or transfer of a Tract shall not affect the Association's lien for Maintenance Charges or other charges, fines or assessments. The Association shall make a good faith effort to give each such mortgagee sixty (60) days advance written notice of the Association's proposed foreclosure of the lien described in Section 6.01 hereof, which notice shall be sent to the nearest office of such mortgagee by prepaid United States registered or Certified mail, return receipt requested, and shall contain a statement of delinquent Maintenance Charges or other charges, fines, or assessments upon which the proposed action is based provided, however, the Association's failure to give such notice shall not impair or invalidate any foreclosure conducted by the Association pursuant to the provisions of this Article VI.

Section 6.06. Purpose of the Maintenance Charge & Special Assessment for Section III.

(a) The Maintenance Charge levied by the Developer or the Association may be used by the Association for the general benefit of the Owners which may include, but is not necessarily limited to promoting the recreation, health, safety, and welfare of the Owners of the Subdivision and other portions of the Annexable Area which hereafter may become subject to the jurisdiction of the Association. In particular, the Maintenance Charge shall be used for any improvement or services in furtherance of these purposes and the performance of the Association's duties described in Article VIII, including the maintenance of any Common Areas, any drainage easements and any storm water detention facilities and the establishment and maintenance of a reserve fund for maintenance of any Common Areas. The Maintenance Fund may be expended by the Developer or the Association for any purposes which, in the judgment of the Developer or the Association, will tend to maintain the property values in the Subdivision, including, but not limited to, providing funds for the actual cost to the Association of all taxes, insurance, repairs, energy charges, replacement and maintenance of the Common Area as may from time to time be authorized by the Association. Except for the Developer or the Association's use of the Maintenance Charge to perform its duties described in this Declaration and in the Bylaws, the use of the Maintenance Charge for any of these purposes is permissive and not mandatory. It is understood that the judgment of the Developer or the Association as to the expenditure of said funds shall be final and conclusive so long as such judgment is exercised in good faith.

(b) The Special Assessment levied by the Developer or the Association may be used by the Association for the general benefit of the Owners in Section III which may include, but is not necessarily limited to promoting the recreation, health, safety, and welfare of the Owners in Section III. In particular, the Special Assessment shall be used for any improvement or services in furtherance of these purposes and the performance of the Association's duties described in Article VIII, including the maintenance of any Common Areas, any drainage easements and any storm water detention facilities, maintenance of roads and the establishment and maintenance of a reserve fund for maintenance of any Common Areas. The Special Assessment may be expended by the Developer or the Association for any purposes which, in the judgment of the Developer or the Association, will tend to maintain the property values in Section III, including, but not limited to, providing funds for the actual cost to the Association of all taxes, insurance, repairs, energy charges, replacement and maintenance of the Common Area as may from time to time be authorized by the Association. Except for the Developer or the Association's use of the

Special Assessment to perform its duties described in this Declaration and in the Bylaws, the use of the Special Assessment for any of these purposes is permissive and not mandatory. It is understood that the judgment of the Developer or the Association as to the expenditure of said funds shall be final and conclusive so long as such judgment is exercised in good faith.

Section 6.07. Exempt Property. The following property subject to this Declaration shall be exempt from the Maintenance Charge and all other charges and assessments created herein: (a) all properties dedicated to and accepted by a local public authority; (b) the Common Area; (c) all properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of Texas; (d) all tracts owned by the Developer; however, no land or improvements devoted to Dwelling use shall be exempt from said Maintenance Charge.

Section 6.08. Handling of Maintenance Charges. The collection and management of the Maintenance Charge or other charge or assessment levied hereunder, shall be performed by the Developer until the Control Transfer Date, at which time the Developer shall deliver to the Association all funds on hand together with all books and records of receipt and disbursements. The Developer and, upon transfer, the Association, shall maintain separate special accounts for these funds, and Owners shall be provided at least annually information on the Maintenance Fund & Special Assessment.

Section 6.09. Annexation by City of Conroe, Texas and the Insolvency or Dissolution of the Association. The Subdivision is located within the extraterritorial jurisdictional limits of the City of Conroe, Texas (the "City"). Storm water detention facilities, screening, bulk heading (if applicable), Common Areas, and streetlights are maintained either by a governmental entity or the Developer, and after the Control Transfer Date, will be maintained by the Association. In the event, and only in the event, that: (i) the Subdivision is annexed into and becomes a part of the City and (ii) the Association is insolvent or has been dissolved, then in the event that both conditions are met, or (iii) after the Control Transfer Date, the Association fails to properly perform its maintenance responsibilities hereunder, the City may, upon notice in accordance with Section 8.11 hereof and the Bylaws and an opportunity to cure such failure, repair storm water detention facilities, screening, bulk heading (if applicable), Common Areas and street lights located in the Subdivision ("Public Facilities"), if the City reasonably determines that the Public Facilities reasonably interfere with the provision of legitimate governmental services or pose a significant threat of injury to persons or property located outside of the Subdivision. Any repairs made by the City shall not obligate the City to future maintenance responsibility of the Public Facilities unless it is otherwise obligated to do so by law, regulation or ordinance or unless otherwise agreed to by the City.

The cost of any repairs made by the City shall be assessed against the Owners of Tracts in the Subdivision on a fair and equitable basis after the Owners of Tracts in the Subdivision are served with notice and offered an opportunity to be heard in accordance with the provisions of Section 8.11 hereof and the Bylaws and on the same basis as would be required of the Association were it still in operation. The cost of the repairs able to be assessed against the Owners of Tracts by the City shall be only those costs actually incurred by the City. Such assessments may be secured by a lien in favor of the City established pursuant to the terms of Section 6.03 hereof against the Tract(s) on a fair and equitable basis. In order for such lien to be enforced, the Tract Owner must be billed by the City for his/her proportionate share of the costs incurred by the City hereunder, be given not less than sixty (60) days to pay and be not less than ninety (90) days delinquent in payment before the filing of the lien. A Notice of Lien must be given to each Tract Owner assessed according to the terms and provisions of Section 6.04 hereof, and which lien in order to be enforceable against each Tract assessed, must be filed for record in the Real Property

Records of Montgomery County, Texas. Furthermore, any lien, including purchase money, improvement, equity and any renewal, extension, rearrangement or refinancing of same, created under the terms of this Section, shall be subordinate to all such liens as provided for in Section 6.05 of this Declaration.

The City does not by the terms of this Section 6.09 acquire any rights which would be greater than the rights of the Association under the terms of this Declaration, but may after annexation of the Subdivision by the City, and after the Control Transfer Date, act in the stead of the Association upon the dissolution or insolvency of said Association in accordance with the terms of this Section 6.09. Furthermore, after annexation of the Property subject to this Declaration by the City and the Control Transfer Date, in the event that the Association is reorganized, revived or otherwise begins operating anew, or another Property Owner's Association is created by the Tract Owners for the Subdivision under the provisions of this Declaration, then in that event, this Section 6.09 shall be inapplicable until such time as the reorganized, revived or new Association(s) becomes insolvent or is dissolved.

Pursuant to City Ordinance Section 17 ½ -44 (Provision for maintenance of private improvements), the City, as a condition of plat approval, has required the inclusion of this Section 6.09 in this Declaration. In the event that this Section 6.09 shall in any way constitute a violation of any law, rule or regulation, whether federal, state, or local, this Section 6.09 shall be void. Likewise, if any law, rule or regulation, whether federal, state or local, shall otherwise empower the City to secure the cost of repairs of the Public Facilities with liens again the Owners' Tracts, then in that event, the provisions of such law, rule or regulation shall control and this Section 6.09 shall be void. In the event that Section 6.09 is or shall become void, it shall not affect the remaining provisions of this Declaration which shall remain in full force and effect as written.

ARTICLE VII DEVELOPER'S RIGHTS AND RESERVATIONS

Section 7.01. Period of Developer's Rights and Reservations. Developer shall have, retain and reserve certain rights as hereinafter set forth with respect to the Association and the Common Area from the date hereof, until the earlier to occur of (i) the Control Transfer Date or (ii) Developer's written notice to the Association of Developer's termination of the rights described herein. The rights and reservations hereinafter set forth shall be deemed accepted and reserved in each conveyance of a Tract by Developer to an Owner whether or not specifically stated therein and in each deed or other instrument by which any property within the Common Area is conveyed by Developer. The rights, reservations and easements hereafter set forth shall be prior and superior to any other provisions of this Declaration and may not, without Developer's prior written consent, be modified, amended, rescinded or affected by any amendment of this Declaration. Developer's consent to any one such amendment shall not be construed as a consent to any other or subsequent amendment.

Section 7.02. Right to Construct Additional Improvements in Common Area. Failure of the Association, the Developer, or of any Owner to take any action upon any breach or default with respect to any of the foregoing violations shall not be deemed a waiver of their right to take enforcement action thereafter or upon a subsequent breach or default.

ARTICLE IX GENERAL PROVISIONS

Section 9.01. Term. The provisions hereof shall run with all property in the Subdivision and shall be binding upon all Owners and all persons claiming under them for a period of forty (40) years from the date this Declaration is recorded, after which time said Declaration shall be automatically extended for successive periods of ten (10) years each, unless an instrument, signed by not less than two-thirds (2/3rds) of the Owners (including the Developer) of the Tracts has been recorded agreeing to amend or change, in whole or in part, this Declaration.

Section 9.02. Amendments. This Declaration may be amended or changed, in whole or in part, at any time by the written agreement or signed ballot of two-thirds (2/3rds) of the Owners (including the Developer) entitled to vote. If the Declaration amendment is signed by less than (2/3rds) of all of the Owners entitled to cast votes such amendment may be adopted if it is

subsequently approved by two-thirds (2/3rds) of such Owners within Three hundred sixty-five (365) days after the date the first Owner executed such amendment. The date an Owner's signature is acknowledged shall constitute prima facia evidence of the date of execution of said amendment by such Owner. Each Tract shall be entitled to one (1) vote, with the exception of consolidated Tracts under Section 3.02, and therefore, if any Member is the Owner of two (2) or more Tracts, he shall be entitled to the same number of votes as he owns Tracts. Those Members (Owners, including the Developer) entitled to cast not less than two-thirds (2/3rds) of all of the votes of the Members of the Association may also vote to amend this Declaration, in person, or by proxy, at a meeting of the Members (Owners, including the Developer) duly called for such purpose, written notice of which shall be given to all Owners in accordance with the Bylaws and shall set forth the purpose of such meeting. Any such amendment shall become effective when an instrument is filed for record in the Real Property Records of Montgomery County, Texas, accompanied by a certificate, signed by a majority of the Board of Directors, stating that the required number of Members (Owners, including the Developer) executed the instrument amending this Declaration or cast a written vote, in person or by proxy, in favor of said amendment at the meeting called for such purpose. Copies of the written ballots pertaining to such amendment shall be retained by the Association for a period of not less than Three (3) years after the date of filing of the amendment or termination.

Section 9.03. Amendments by the Developer. The Developer shall have and reserves the right at any time and from time to time prior to the Control Transfer Date, without the joinder or consent of any Owner or other party, to unilaterally amend this Declaration by an instrument in writing duly signed, acknowledged, and filed for record, if such amendment is necessary (a) to bring any provision into compliance with any applicable governmental statute, rule, regulation, or judicial determination; (b) to enable any reputable title insurance company to issue title insurance coverage on the Tracts; (c) to enable any institutional or governmental lender, purchaser, insurer or guarantor of Mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to make, purchase, insure or guarantee mortgage loans on the Tracts; (d) to satisfy the requirements of any local, state or federal governmental agency; and (e) to correct any typographical or grammatical error, oversight, ambiguity or inconsistency appearing herein, provided that any such amendment shall be consistent with and in furtherance of the general plan and scheme of development as evidenced by this Declaration and shall not impair or adversely affect the vested property or other rights of any Owner or his mortgagee. However, any such amendment shall not adversely affect the title to any Tract unless the Owner shall consent in writing. Additionally, Developer shall have and reserves the right at any time and from time to time prior to the Control Transfer Date, without the joinder or consent of any Owner or other party, to amend this Declaration by an instrument in writing duly signed, acknowledged and filed for record for the purpose of permitting the Owners to enjoy the benefits from technological advances, such as security, communications or energy-related devices or equipment which did not exist or were not in common use in residential subdivisions at the time this Declaration was adopted. Likewise, the Developer shall have and reserves the right at any time and from time to time prior to the control Transfer Date, without the joinder or consent of any Owner or other party, to amend this Declaration by an instrument in writing duly signed, acknowledged and filed for record for the purpose of prohibiting the use of any device or apparatus developed and/or available for residential use following the date of this Declaration if the use of such device or apparatus will

adversely affect the Association or will adversely affect the property values within the Subdivision.

Section 9.04. Approval by the City of Conroe, Texas. Notwithstanding Sections 9.02 and 9.03 above, in the event that the Subdivision is annexed into and becomes a part of the City, neither the Developer, the Board nor the Members of the Association may amend this Declaration for the purposes of modifying Sections 6.06 or 6.09 hereof or for the purposes of reducing any of the rights reserved in favor of the City, without first obtaining the prior approval of the City, which approval shall not be unreasonably withheld.

Section 9.5. Severability. Each of the provisions of this Declaration shall be deemed independent and severable and the invalidity or unenforceability or partial invalidity or partial unenforceability of any provision or portion hereof shall not affect the validity or enforceability of any other provision.

Section 9.06. Liberal Interpretation. The provisions of this Declaration shall be liberally construed as a whole to effectuate the purpose of this Declaration.

Section 9.07. Successors and Assigns. The provisions hereof shall be binding upon and inure to the benefit of the Owners, the Developer and the Association, and their respective heirs, legal representatives, executors, administrators, successors and assigns.

Section 9.08. Effect of Violations on Mortgages. No violation of the provisions herein contained, or any portion thereof, shall affect the lien of any mortgage or deed of trust presently or hereafter placed of record or otherwise affect the rights of the mortgagee under any such mortgage, the holder of any such lien or beneficiary of any such deed of trust; and any such mortgage, lien or deed of trust may, nevertheless, be enforced in accordance with its terms, subject, nevertheless, to the provisions herein contained.
