WHAT I LOVE ABOUT MY HOME

- The pergola on the back porch provides shade during the summer.
- The tall ceilings in the entryway feel welcoming.
- The open concept kitchen and living room.
- The gorgeous built-in cabinets in the living room provide ample storage.
- The gas fireplace.
- Having an upstairs primary bedroom allows for an isolated place to retreat
- Plantation shutters throughout the home allow plenty of light, while also allowing privacy.
- Our neighbors are kind and helpful.
- Our front and back yards are the perfect size: not too overwhelming to maintain, but still plenty of space.
- The front elevation of our home is quaint, yet elegant.
