

11 Violetta Description

Perfect location in front of woodlands. Get on I-45 via Vision Park without going through a traffic light! 10 minute bike ride to Hughes landing.

Location at end of cul-de-sac is quiet and peaceful.

Standalone casita complete with full bathroom and separate garage provides a private option for your guests' (and your!) privacy.

Open floorplan with large kitchen / living / dining room area is perfect for entertaining.

Kitchen is a chef's dream – 6-burner gas stovetop, warming drawer, large island with loads of counter space, ample cabinets with pull-out shelves, and large pantry.

5-piece bathroom in spacious master suite has walk-in shower, large soaking tub, and plenty of cabinet and closet space.

Floorplan gives you options. 2nd room upstairs can be a media room, workout area, or a large 4th bedroom. Double glass doors adjacent to the open living area lead to a large office, bar, or craft space.

Notice the attention to detail – plantation shutters and custom fans throughout, granite countertops in every bathroom, high ceilings with crown molding and wired speakers, heavy wooden door, roomy tiled utility room with sink and space for a freezer.

3rd Garage with built-in shelves for all of your toys.

Interior courtyard is shaded, spacious, and secluded.

Saltwater pool with heater, cooler, waterfall, remote control and auto-fill is beautiful and easy to maintain. Built-in gas grill, outdoor fans, and wired speakers complete your backyard relaxation picture.
