

Interview with the Sellers

Thank you for touring our home. Here is some information that we felt might help you in your decision making process.

1. Why did you decide to buy this home for yourself?
Loved the area and the modern look of this home, we hosted several get togethers (20 – 30 people in our home at time) and this was a great location for nearby night-life and sports. There is a certain energy in being this close to downtown. We also purchased this home shortly after Harvey and had peace of mind knowing the house and neighborhood did not flood.
2. What do you think are the best features of your home?
The layout of the 2nd floor open floorplan made a lot of sense – we were able to fit a full size 7-seater sectional, 82 inch TV, full sized TV stand, and 96 inch dining table and 8 dining chairs in this space. The view from the rooftop is wonderful and feels very open. The view from the kitchen sink leads into a lovely courtyard in the neighborhood behind; unlike the other units on our same driveway (in which you see only building walls). The corner lot also provides a bit more space, while being the city.
3. Tell me about your neighborhood.
Most everyone are young professionals, couples, and others that have great energy and really enjoy the dynamic/fast-paced city life.
4. What are your favorite places for recreation, shopping, and eating nearby?
 - The New Potato Bar and Backyard – within walking distance. We hosted several large events there (for free, the owner just asks that you not bring in outside drinks) including a baby shower and birthday parties.
 - Minute Maid Park and Toyota Center – easy access to Houston professional sports.
 - Saint Arnold's Brewery – easy to meet up with friends there for patio-season; or to pick up food and drinks to go.
5. Are there any items you want specifically excluded?
No – everything in the home will sell with the home.
