

COVID – 19 Showing Instructions

Questions are for all parties entering the home

Including buyers and agents.

1. Do you currently have a fever or in the past 48 hours had a fever?
2. Have you been sick with flu symptoms in the last 2 weeks?
3. Have you been exposed to anyone with flu like symptoms or diagnosis of COVID – 19 in the last 2 weeks?

If Any Of The Above Answers Are Yes

Please Delay Showing The Home

For Everyone's Protection

1. Prior to entering the home each person should sanitize their hands.
2. Remove Shoes or wear shoe covers.
3. If possible do not touch surfaces unless you are wearing gloves.
4. For the protection of you and your clients stay 6' apart at all times.
5. If you do touch surfaces with your bare hands please be sure to wipe down with a disinfectant wipe.

Thank you!
