

# Why we love this house

*-what the owners are saying*

- **We love being in the back of The Woodlands. Not as busy as the front. Easier to get parking at stores and have Memorial Herman ER**
- **No sun in backyard so we can enjoy sitting on our patio, swimming and cooking in our summer kitchen**
- **Being on the non-cart path side of hole 6 of The Player Course**
- **The different living spaces**
- **The media room**
- **The upstairs balcony**
- **The upstairs mini kitchen with microwave, small refrigerator, sink, ice machine**
- **Sitting at our firepit when it is cold**
- **Our big backyard and privacy**
- **The sheltered back porch watching TV**
- **Exercise room**
