

PERRY HOMES™

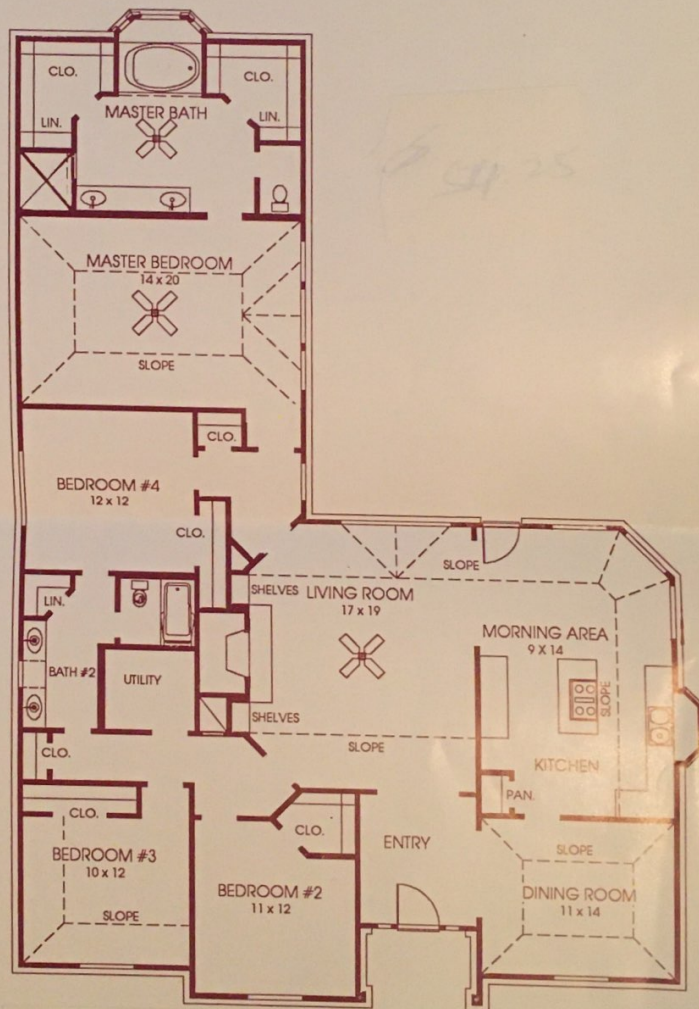

Executive Class

DESIGN 2501

This Executive Class home contains 2,501 square feet and includes four bedrooms and two full baths.

This home features many exciting design elements.

- Offering an inviting welcome, the spacious ENTRY opens into the formal DINING ROOM which is beautifully enhanced with sparkling chandelier lighting, a raised mansard ceiling, and rich solid-wood mouldings.
- The sunlit KITCHEN features a convenient island work center, a shelved pantry, a bay window at the sink, a built-in wine rack, a raised mansard ceiling, crown moulding, and a chandelier-lit MORNING AREA.
- Ideal for family gatherings, the central LIVING ROOM provides a solid-masonry fireplace, a custom-built mantel, built-in bookshelves, an overhead fan, enlarged crown moulding, and a raised mansard ceiling.
- Homeowners will appreciate the quiet MASTER BEDROOM which is located in its own wing of the home. The MASTER BEDROOM features a raised mansard ceiling, accenting crown moulding, and an overhead fan. The oversized MASTER BATH is luxuriously appointed with a relaxing six-foot whirlpool tub, an attractive bay window, a separate glass-enclosed shower, his and her walk-in closets with built-in linen shelves, an overhead fan, and a dual-sink vanity that contains a make-up desk and cosmetic drawers.
- This home also includes three secondary BEDROOMS; a full BATH with a dual-sink vanity; a UTILITY ROOM with handy overhead storage cabinets; two COAT CLOSETS; and a LINEN CLOSET

Not included: inside keyed deadbolt locks, refrigerators, furnishings, drapery, plants, decorator items and all other personal property being used in model homes.
Builder reserves the right to make changes in the plans and specifications, and to substitute material of similar quality. Room dimensions indicate approximate inside area measurements.
