

## What I love about my house:

I was one of the first to purchase in Willowbrook  
Condos. As a single woman I have always felt safe.  
The neighbors are great. Of course the pool is SPECTACULAR!  
I love this neighborhood, it is close to anything you  
could possibly need, Mall, Restaurants, Hospitals & more.  
I love the layout of my home. It fits me perfectly.  
Unfortunately, unforeseen medical issues  
has forced me to a new phase of my life.  
I just love this home and hope whoever purchases  
it will love it as much as I do.

Ps. Our area has never flooded.  
nor ~~has~~ did we loose power from  
the winter storm, 2021.
