CONDITIONS AND RESTRICTIONS

THE STATE OF TEXAS § 11/18/98 100903775 T390781 \$17.00
 §
COUNTY OF HARRIS §

WHEREAS, ROMULUS CO., a Texas corporation, with its principal office at One Riverway, Suite 1700, Houston, Texas 77056, is the owner of Lots 202 and 203 of Westheimer Gardens Extension, a subdivision in Harris County, Texas, according to the map or plat thereof recorded in Volume 25, Page 62, Map Records of Harris County, Texas, as amended by instrument recorded under Film Code No. 391029 of the Map Records of Harris County, Texas ("Property"), as such plat may be further amended or replatted from time to time, which Property is known as Winsome Close;

WHEREAS, ROMULUS CO. executed on September 23, 1998, a Declaration of Covenants, Conditions and Restrictions ("Original Declaration") applicable to the Property and recorded under Clerk's File No. T284774 in the Real Property Records of Harris County, Texas; and

WHEREAS, ROMULUS CO. desires to amend the Original Declaration in certain respects;

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

That for and in consideration of the premises, Romulus Co. amends the Original Declaration in the following respects, to wit:

- A. Section 1.9 of the Original Declaration is deleted and the following is inserted in lieu thereof: "1.9 "Common Use Area" shall mean and refer to the Private Drive, which is for the use of all Owners as well as certain third parties authorized by this Declaration and the common areas so identified on the Plot Plan, which are not for the use by all Owners, but only for the use of the Owner(s) holding legal title to the same, subject to the terms and provisions of this Dedication.
- B. Section 1.10 of the Original Declaration is deleted and the following is inserted in lieu thereof: "1.10 Common Use Facilities" shall mean and refer to any existing and subsequently provided improvements upon or within any part of the Common Use Area. By way of illustration, Common Use Facilities may include, but not necessarily include or be limited to sidewalks; landscaping; and other similar and appurtenant improvements, excluding, however, any air conditioning, heating and ventilation equipment or facilities located within the Common Use Area. Notwithstanding anything herein contained to the contrary, the Development Fence, the Development Sign, the Controlled Access Gates and the Shared Utility Facilities are not part of the Common Use Facilities."

- C. Section 1.29 of the Original Declaration is deleted and the following is inserted in lieu thereof: "1.29 Private Drive" shall mean that portion of the Property so designated on the plot plan as well as the easterly extension thereof from the easterly boundary of the Property to the paved right of way of Bering Drive.
- D. Section 1.36 of the Original Declaration is deleted and the following is inserted in lieu thereof: "1.36 Utility Easement Area" shall mean the Utility Easement, the Private Drive, the ground area ten (10) feet in width adjoining the southerly edges of the slabs constructed on the five (5) Lots lying on the southerly side of the Private Drive, the ground area lying between the westerly right of way of Bering Drive and the easterly edges (as extended to the northerly and southerly boundaries of the Property) of the slabs constructed for Units 2814 and 2830 as shown on the Plot Plan, and the land area lying between the northerly boundary of the Property and the northerly edges (as extended to the westerly boundary of the Property) of the slabs constructed on the four (4) Lots lying northerly of the Private Drive."
- E. Section 4.4 of the Original Declaration is deleted and the following is inserted: "4.4 The Association shall maintain the Development Fence, Development Sign, Shared Utility Facilities, Private Drive, Controlled Access Gates, land area lying between the easterly boundary of the Property and the paved right of way of Bering Drive and Common Use Facilities, if any, in a manner substantially equivalent to other comparable private residential subdivisions in the City."
- F. Section 5.14 of the Original Declaration is deleted and the following is substituted in lieu thereof: "5.14 No fence, wall, building or other improvements shall be erected, placed or altered on any Lot other than as originally constructed by Declarant or as permitted by the City and its applicable ordinances."
- G. Section 7.1 of the Original Declaration is deleted and the following is inserted in lieu thereof: "7.1 There is hereby created a private, non-exclusive drainage and utility easement upon, across, over and under the Utility Easement Area for ingress and egress, installation, locating replacing, repairing, operating and maintaining utilities, including without limitation, water, sewer, stormwater, drainage, telephone, electricity, gas and cable television. The Declarant shall have the right, but no obligation, to amend the Plot Plan and/or this Declaration from time to time to create additional drainage and utility easements upon, across, over and under portions of the Property (regardless of whether or not such portions of the Property are then owned by Declarant) for ingress and egress, installation, locating replacing, repairing, operating and maintaining utilities (including without limitation, water, sewer, stormwater, drainage, telephone, electricity, gas and cable television) so as to provide such utilities as may be reasonably necessary for the construction, use, development and enjoyment of the Development or any portion thereof and an unlocated easement over the Development is hereby reserved by Declarant for such purposes; provided,

24

522-32-1986

however, such additional drainage and utility easements shall not be located so as to unreasonably interfere with the use of any improvements existing on any Lot as of the date such additional drainage and utility easements are created. The easements hereby created, together with any additional drainage and utility easements created pursuant to this Section 7.1 shall sometimes be hereinafter referred to collectively as the "Utility Easement". By virtue of the Utility Easement, it shall be expressly permissible for the Declarant, the Association and/or the applicable service provider to affix, construct, maintain, repair, replace and operate pipes, wires, conduits or other service lines within, on, across, over, through, along and under the Utility Easement."

- H. Section 7.3 of the Original Declaration is deleted and the following is substituted in lieu thereof: "7.3 Any structure, improvement, planting or other materials placed or permitted to remain within the Utility Easement Area which damages or interferes with the use, location, installation, repair, operation, replacement, removal or maintenance of drainage facilities or utilities or which may change the direction or impair the flow in drainage facilities is subject to being removed, damaged or modified by Declarant, the Association or applicable utility service provider without notice or compensation to any Owner. The Utility Easement Areas within a Lot shall be maintained by the Owner of such Lot, except for those improvements for which Declarant or the Association is responsible pursuant to this Declaration or for which a public authority or utility company is responsible."
- I. Section 7.11 of the Original Declaration is deleted and the following is substituted in lieu thereof "7.11 During the Development Period, Declarant shall convey to the Association by Special Warranty Deed all of Declarant's right, title and interest (if any) in and to the Common Use Area, Common Use Facilities, Control Access Gates, Development Fence, Development Sign, Shared Utility Facilities, its easement estate in the Private Drive (it being understood that fee title to each Lot includes a portion of the Private Drive and thus fee title to the aggregate of the Private Drive shall be in the Owners) and other portions of or interest in the Development, together with all contracts, rights and warranties related to the same."

The provisions of the Original Declaration as amended hereby shall control over any contrary provisions of that certain Sanitary Sewer Maintenance Agreement dated October 22, 1997, recorded under Clerk's File No. S697126 in the Real Property Records of Harris County, Texas.

24

522-32-1987

As amended hereby, the Original Declaration is ratified and confirmed to be in full forces and effect. In the event of any conflict between the terms and provisions of this Amendment and the Original Declaration, this Amendment shall control.

EXECUTED on the 13th day of November, 1998.
