Story | COLES CROSSING HOA

Spring has sprung in Coles Crossing! The grass is green and things are in bloom all over the neighborhood. The spring color rotation was delayed due to the freeze, but is scheduled for later this month. It's a beautiful time of year to get outside for a walk, run or bike ride.

April is typically one of the busiest months in our community with activities for everyone. At the time of printing, event plans were still uncertain. Please visit the HOA Facebook page for the most current information.

As April concludes, our eyes will be on the upcoming pool season. This month's feature article talks about the pools and the tennis courts. We are so fortunate to have two pools and six tennis courts right here in Coles Crossing. If it's been awhile since you visited these amenities or you are new to the neighborhood, we encourage you to put them both on your summer calendar.

Don't forget that the HOA has several official information sources. Facebook groups can be a great resource, but if you are looking for information on HOA events or amenities, make sure you go to the Coles Crossing HOA Facebook page. To contact the Board or a committee chair, visit the HOA website. And don't forget to sign up for email as we send regular updates to subscribers. Finally, please make sure your account is active at the Crest Portal. This is the mailing list used to distribute annual meeting notices and other official documents.

Happy spring, one and all!

Sarah S., Sarah G., Jerry, Angela & Carl
