

Interview with the Sellers

Thank you for touring our home. Here is some information that we felt might help you in your decision making process.

1. Why did you decide to buy this home for yourself?
We loved the location and the gated community. It's newer than most of the houses in the area and is a first floor living. We loved the kitchen and all the storage the house had. We also liked that the HOA handles the yard maintenance.
2. What do you think are the best features of your home?
First floor living, the kitchen, the master bedroom with the study attached and fireplace. We love the master bathroom with separate sinks and separate walk in closets. All the bedrooms having its own bathroom was also a huge plus for our family. The elevator has been a great feature as well. Tankless water heater.
3. Tell me about your neighborhood.
Close to the Galleria and restaurants, also close to Memorial City area and minutes to nice dog parks and playground. We have great neighbors that are always willing to help each other out.
4. What are your favorite places for recreation, shopping, and eating nearby?
The best YMCA in Houston is two streets over and they have two pools. Also, the proximity to the Houston Country Club, Houston Racquet Club, Galleria, Memorial City and three grocery. We love Bering's. Short commute to downtown.
5. Are there any items you want specifically excluded?
The red cabinet on the wall in the kitchen. We are also willing to sell most of the furniture with the house except the antique flour mill.
