

NT window[®]

Windows of Opportunity[®]

NOTES ON INSTALLATION

Follow manufacturer's installation instructions. Complete installation instructions should be accessed at ntwindow.com/installation.

Always ensure that replacement windows are of the correct type and size prior to removal of existing windows.

Windows must be properly shimmed and installed plumb, level & square and must be properly sealed against air and water infiltration.

Safety Warning: Do not leave small children and or pets unattended when windows are open or unlocked; screens are not designed as safety constraints. Further window and door safety tips can be found at ntwindow.com/windowsafety.
