A Tuscan influence infuses this Mediterranean style home, from the limestone and stucco exterior and multicolored tile roof, to the Italian looking limestone floors and rich European textured walls. Hefty wood beams, natural finishes, barrel vaulted ceilings, high ceilings and unique entry door. A wrought iron circular staircase graced by ornate windows rises a dramatic two and a half stories. This Tuscan influenced home has 6 bedrooms, 6 full baths, 2 half baths, living room, great room, great room, with computer room, covered veranda with summer kitchen, game room, media room, four car garage, and a very sophisticated and beautiful wine room.
