

Top 10 Reasons Why I Love my Bayou Vista House

1. Location, location, location. Bayou Vista is close to Galveston, close to Houston, and close to Crystal Beach. Being right on the water also makes it the perfect location.
2. Neighborhood...Bayou Vista is a very close-knit community with lots of caring people. I can truthfully say I've had the best neighbors ever!
3. Size...It's the perfect sized house, not too big, not too small. Having a completely-separate guest quarters has been perfect for the college daughter, then for out-of-town guests, etc. Since it is a complete suite including full kitchen and bath, the guests have their own space and freedom.
4. Updates...multiple updates on the house have greatly increased its beauty. From maple floors, to a full walk-in pantry, to lots of beadboard and backsplash, this home is a thing of beauty.
5. "Just right" yard, front and back...sized for pets and grandkids plus lots of room on the deck for furniture and plants.
6. Back Deck... is huge and includes a covered patio. It's perfect for sunbathing or sippin' your sweet tea in the shade.
7. Sunporch...always makes me happy because I can read, watch the bayou, or take lots of pictures of the magnificent sunrises.
8. Wildlife...love the mallards and their babies are so cute. Plus there's an occasional otter or interesting cranes.
9. Sunrises and Sunsets...the best anywhere in America
