

A note from the sellers...

We thank you for taking the time to view our home. We hope you enjoy your visit to the place we've called home for such a pivotal time in our lives.

During our time here, our lives have massively changed in the best of ways. This has been an amazing place to experience life together. It's easy to get to fabulous local restaurants and bars, great outdoor trails and scenery, and such easy access to major roads make commuting a breeze. We've enjoyed countless gatherings with friends and family - we love to grill! And of course, during our time here we were engaged and married. (He proposed right in the living room!) We even practiced our wedding dance in the back yard!

While we are sad to leave this home that has been such a place of joy and comfort for us, we are excited to transition into a new chapter of life as parents! We are moving to be closer to family as we prepare for the arrival of our new addition.

We hope the next owners of this house will enjoy the same warmth and convenience that it has brought us. The fantastic location with wonderful neighbors, the amazing backyard and numerous upgrades inside the home make this property truly one-of-a-kind. We are certain you will fall in love with 1127 Woodhill, just like we did.
