

## Our 10 Favorite Things about our Castle-

1. We have the feel of living in the country, but the convenience of being close to a wealth of shops, restaurants and entertainment.

2. The home is very well insulated and our utility costs are very low for a house of this size.

3. We love watching our 120" 4K TV under the starlights where you can lose track of time hiding away in the quiet darkness watching a movie and stars.

4. Soaking in my jet bathtub with the warmth of the fireplace and a glass of favorite wine. TV is optional.

5. My fully organized closet with a glass display showing all of my shoe and purse options for the day.

6. Sitting on our back covered patio enjoying the wildlife such as birds, bunnies, turtles and ducks.

7. Our outdoor kitchen where we smoke our briskets on the green egg while enjoying a beer or two from our double tap kegerator.

8. Soaking in the natural spring hot tub with the bubbling rocks and waterfall on while the sunsets in the evening.

9. Snuggling up on our courtyard sofa with our copper fire pit aglow and socializing with our friends.

10. Our expansive yard with our beautiful mature oak and pecan trees for shade with plenty of storage for outdoor items in our 3 horse-stall barn with tack room.
