# Interview with the Sellers

Thank you for touring our home. Here is some information that we felt might help you in your decision-making process.

1

Why did you decide to buy this home for yourself?

After searching different areas I fell in love with the neighborhood, close proximity to 290 and I-10.

2

What do you think are the best features of your home?

Lot size, layout and subsequent flow, openness/brightness and the pool/entertainment area.

3

Please tell me about your neighborhood.

Quite, safe, no solicitation, mature trees, very little parking in the streets, country club, park w/ workout equipment/track and baseball fields.

4

What are your favorite places for recreation, shopping and dining nearby?

Houston premium outlets

5

Are there any items you want specifically excluded?

The counter-depth fridge, washer/dryer and patio furniture are excluded but negotiable. The front yard fountain, planters with pillars and flower bowls aren't.
