Executive Class

DESIGN 2114

This Executive Class home contains 2,324 square feet and includes four bedrooms and two baths.

This versatile one-story plan is great for today's casual, active lifestyle.

- The ENTRY of this one-story home invites guests into the elegance of the formal DINING ROOM, with its rich moldings and chandelier-lighting.
- Impressive columns and crown moulding accent the doorway to the centrally located LIVING ROOM. This fan-cooled room is highlighted with a solid-masonry fireplace surrounded with marble and crown moldings.
- A pass-through serving bar to the KITCHEN is a convenient feature for serving a buffet or snacks while entertaining. This kitchen also has a shelved pantry, custom-built cabinets, and a MORNING AREA surrounded with divided-light windows.
- A LIBRARY is set at the front of the home, directly off the master suite. With a wall of built-in book shelves, this peaceful room is terrific as an at-home office or quiet reading spot.
- A raised vaulted ceiling and an overhead fan accentuate the spacious MASTER BEDROOM. The MASTER BATH welcomes you with an inviting six-foot whirlpool tub, a separate glass-enclosed shower, a dual-sink vanity with a built-in make-up desk, and his and hers closets.
- Accessed from a separate hallway, the three secondary BEDROOMS each have a walk-in closet. This home also has a UTILITY ROOM, a full BATH with a dual-sink vanity, a COAT CLOSET, and one LINEN CLOSET.

The included items listed include: built-in bookshelves, whirlpool tub, separate shower, dual-sink vanity, built-in make-up desk, and his and hers closets.
