4.7 Decision of Approval Entity. The decision of the Approval Entity shall be made within thirty (30) days after receipt by the proper Approval Entity of all materials required by the Approval Entity. The decision shall be in writing and, if the decision is not to approve a proposed Improvement to Property, the reasons therefore shall be stated. The decision of the Approval Entity promptly shall be transmitted to the Applicant at the address furnished by the Applicant to the Approval Entity. The Owner, however, is responsible under all circumstances to conform to the provisions of these restrictions in their entirety.

4.8 Failure of Approval Entity to Act on Plans. Any request for approval of a proposed Improvement to Property shall be deemed approved by the appropriate Approval Entity, unless disapproval or a request for additional information or materials is transmitted to the Applicant by the Approval Entity, within thirty (30) days after the date of receipt by the appropriate Approval Entity of all required materials; provided, however, that no such deemed approval shall operate to permit any Owner to construct or maintain any Improvement to Property that violates any provision of this Declaration or the Architectural Guidelines. The Approval Entity shall at all times retain the right to object to any Improvement to Property that violates any provision of this Declaration or the Architectural Guidelines.

4.9 Prosecution of Work After Approval. After approval of any proposed Improvement to Property, the proposed Improvement to Property shall be accomplished as promptly and diligently as possible and in strict conformity with the description of the proposed Improvement to Property in the materials submitted to the Approval Entity. Failure to complete the proposed Improvement to Property within nine (9) months after the date of approval or such other period of time as shall have been designated in writing by the Approval Entity (unless an extension has been granted by the Approval Entity in writing) or to complete the Improvement to Property in strict conformity with the description and materials furnished, to the Approval Entity, shall operate automatically to revoke the approval by the Approval Entity of the proposed Improvement to Property. No Improvement to Property shall be deemed completed until the exterior fascia and trim on the structure have been applied and finished and all construction materials and debris have been cleaned up and removed from the site and all rooms in the dwelling unit, other than attics, have been finished. Removal of materials and debris shall not take in excess of thirty (30) days following completion of the exterior.

4.10 Inspection of Work. The Approval Entity or its duly authorized representative shall have the right, not the obligation, to inspect any Improvement to Property before or after completion, provided that the right of inspection shall terminate once the Improvement to Property becomes occupied. All work conducted on behalf of or by property owner shall have as a minimum inspections by a state of Texas licensed inspector which shall insure and certify that all work is in substantial compliance with the plans as approved and that said design is in compliance with the current building codes as adopted by the State of Texas. Further only licensed and insured contractors and trades shall be permitted to work in the subdivision. Inspections shall at a minimum be at the following stages. Pre Pour, per insulation, pre cover, and final. Copies all such inspections shall be provided to the Approval Entity within 10 days of inspection or all work must cease.

4.11 Notice of Noncompliance. If, as a result of inspections or otherwise, the Approval Entity finds that any Improvement to Property has been constructed or undertaken without obtaining the approval of the Approval Entity or has been completed other than in strict conformity with the description and materials furnished by the Owner to the Approval Entity or has not been completed within to the standards as adopted by the State of Texas, or has not been completed within the required time period after the date of approval by the Approval Entity, the Approval Entity shall notify the Owner in writing of the noncompliance ("Notice of Noncompliance"). The Notice of Noncompliance shall specify the particulars of the noncompliance and shall require the Owner to take such action as may be necessary to remedy the noncompliance within the period of time set forth therein.

4.12 Correction of Noncompliance. If the Approval Entity finds that a noncompliance continues to exist after such time within which the Owner was to remedy the noncompliance as set forth in the Notice of Noncompliance, the Association may, at its option but with no obligation to do so, (a) record a Notice of Noncompliance against the Lot on which the noncompliance exists in the Office of the County Clerk of Polk County, Texas; (b) remove the non-complying Improvement to Property; and/or (c) otherwise remedy the noncompliance (including, if applicable, completion of the Improvement in question), and, if the Board elects to take any action with respect to such violation, the Owner shall reimburse the Association upon demand for all expenses incurred therewith. If such expenses are not promptly repaid by the Owner to the Association, the Board may levy an assessment for such costs and expenses against the Owner of the Lot in question and such assessment will become a part of the assessment provided for in Article 7 hereof. The permissive (but not mandatory) right of the Association to remedy or remove any noncompliance (it being understood that no Owner may require the Association to take such action) shall be in addition to all other rights and remedies that the Association may have at law, in

equity, under this Declaration, or otherwise.

4.13 No Implied Waiver or Estoppel. No action or failure to act by an Approval Entity shall constitute a waiver or estoppel with respect to future action by the Approval Entity with respect to any Improvement to Property. Specifically, the approval by the Approval Entity of any Improvement to Property shall not be deemed a waiver of any right or an estoppel against withholding approval or consent for any similar Improvement to Property or any similar proposals, plans, specifications, or other materials submitted with respect to any other Improvement to Property by such Person or otherwise.

4.14 Power to Grant Variances. Each Approval Entity may authorize variances from compliance with any of the provisions of Article III and Article IV of this Declaration including restrictions upon placement of structures, the time for completion of construction of any Improvement to Property, or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic, environmental, or other relevant considerations may require. Such variances must be evidenced in writing and shall become effective when signed by at least a majority of the members and the chairman of the Approval Entity. If any such variance is granted, no violation of the provisions of this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted; provided however, that the granting of a variance shall not operate to waive any of the provisions of this Declaration for any purpose except as to the particular property and particular provision hereof covered by the variance, nor shall the granting of any variance affect the jurisdiction of the Approval Entity other than with respect to the subject matter of the variance, nor shall the granting of a variance affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting the Lot concerned.

4.15 Compensation of Architectural Control Committee. The members of the

Architectural Control Committee shall be entitled to reimbursement by the Association for reasonable expenses incurred by them in the performance of their duties hereunder as the Board from time to time may authorize or approve.

4.16 Non-liability for Approval Entity Action. None of the members of the Architectural Control Committee, the Association, any member of the Board of Directors, shall be liable for any loss, damage, or injury arising out of or in any way connected with the performance of the duties of any Approval Entity except to the extent caused by the willful misconduct or bad faith of the party to be held liable. In reviewing any matter, the Approval Entity shall not be responsible for reviewing, nor shall its approval of an Improvement to Property be deemed approval of, the Improvement to Property from the standpoint of safety, whether structural or otherwise, or conformance with building codes, or other governmental laws or regulations. Furthermore, none of the members of the Architectural Control Committee, or any member of the Board of Directors, shall be personally liable for debts contracted for or otherwise incurred by the Association or for any torts committed by or on behalf of the Association, or for a tort of another of such individuals, whether such other individuals were acting on behalf of the Association, the Architectural Control Committee, the Board of Directors, or otherwise. Finally, neither the Association, the Board, the Architectural Control Committee, or their officers, agents, members, or employees shall be liable for any incidental or consequential damages for failure to inspect any premises, Improvements, or portion thereof, or for failure to repair or maintain the same.

4.17 Construction Period Exception. During the course of actual construction of any permitted structure or Improvement to Property, and provided construction is proceeding with due diligence, the Approval Entity may temporarily suspend certain provisions of this Declaration as to the Lot upon which the construction is taking place to the extent necessary to permit such construction; provided, however, that during the course of any such construction, nothing shall be done that will result in a violation of any of the provisions of this Declaration upon completion of construction or that will constitute a nuisance or unreasonable interference with the use and

enjoyment of other property within the Property.

ARTICLE V.

AUTUMN SHORES PROPERTY ASSOCIATION OWNERS, INC.

5.1 Membership and Voting Rights. Every Owner of a Lot shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. No Owner shall have more than one membership for each Lot owned by an Owner.

(a) Each Owner is required at all times to provide the Association with proper mailing information should it differ from the property address relative to ownership. Further, when an alternate address exists, Owner is required to render notice of tenant, if any, or agency, if any, involved in the management of said property. The Owner is required and obligated to maintain current information with the Association or its designated management company at all times.

5.2 The Association shall have ONE class of voting membership:

Class A. Class A members shall be all Owners and shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Lot. The members shall have no rights as such to vote as a class, except as required by the Texas Non-Profit Corporation Act, the Articles of Incorporation or the Bylaws of the Association or as herein provided, and shall vote upon all matters as one group.

5.3 Non-Profit Corporation. AUTUMN SHORES PROPERTY OWNERS ASSOCIATION, INC., a non-profit corporation will be organized; and it shall be governed by its

Articles of Incorporation and Bylaws. All duties, obligations, benefits, liens and rights hereunder in favor of the Association shall be vested in said corporation. The Association, by a majority vote of the Board of Directors of the Association, shall have the authority to borrow money for the purpose of making capital improvements on property owned by the Association.

5.4 Bylaws. The Association may make, establish, and change such rules or bylaws as it may choose to govern the organization and administration of the Association, provided, however, that such rules or bylaws are not in conflict with the terms and provisions hereof. The right and power to alter, amend or repeal the bylaws of the Association, or to adopt new bylaws is expressly reserved by and delegated by the members of the Association to the Board of Directors of the Association.

5.5 Inspection of Records. The members of the Association shall have the right to inspect the books and records for the Association at reasonable times during the normal business hours by appointment.

ARTICLE VI PROPERTY RIGHTS

6.1 Owner's Easement of Enjoyment. Every Owner shall have a right and easement of enjoyment in and to the Common Area and common facilities, if any, which shall be appurtenant to and shall pass with the title to every Lot subject to the following provisions:

(a) The right of the Association to charge reasonable admission and other fees for the use of any recreational facility situated upon the Common Area.

(b) The right of the Association to suspend the voting rights and right to use the recreation facility by an Owner; to suspend any other service provided by the Association for an Owner for any period during which any assessment against his Lot remains unpaid; and for a period not to exceed sixty (60) days for each infraction of its published rules and regulations, or breach of any provisions of the Declaration.

(d) The right of the Association to dedicate or transfer all or any part of the

Common Area, if any, to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the members. No such dedication or transfer shall be effective unless an instrument signed by two-thirds (2/3) of the members agreeing to such dedication or transfer has been recorded in the Official Public Records of Real Property of San Jacinto County, Texas; provided, however, the Board of Directors by majority vote of the Board is authorized and empowered to cause the dedication and conveyance of utility easements and easements for similar purposes without submitting such matter to a vote of the members, and to authorize any officer of the Association to execute the documents required for such dedication or conveyance.

(e) The right of the Association to collect and disburse those funds as set forth in Paragraph 7.1.

(f) The right of the Association, acting through the Board, to dedicate or transfer all or any part of the Common Area, subject to the approval of sixty-seven percent (67%) of the votes of all Owners.

6.2 Delegation of Use. Any Owner may delegate in accordance with the bylaws the Owner's right of enjoyment to the Common Area and facilities, if any, to the members of the Owner's family, tenants or contract purchasers who occupy the residential dwelling of the Owner's Lot.

ARTICLE VII

MAINTENANCE ASSESSMENTS

7.1 Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the subdivision hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association; (1) annual assessment or charges, and (2) special assessments for capital improvements, and (3) other charges assessed against an Owner and his Lot as provided in Sections 3.14, 4.12 and 8.2 of this Declaration, such assessments and charges to be established and collected as herein provided. The annual and special assessments, as well as the other charges described in Sections 3.15, 4.12 and 8.2 of this Declaration, together with interest, collection costs

and reasonable attorney's fees, shall be a charge on the Lot and shall be secured by a continuing lien upon the Lot against which each such assessment is made. Each such assessment and other charges, together with interest, collection costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due, and the personal obligation for delinquent assessments shall not pass to subsequent Owners of the concerned Lot unless expressly assumed in writing.

7.2 Purpose of Assessments. The assessments levied by the Association shall be used to promote the recreation, health, safety, and welfare of the residents in the Property, for the mowing of front lawns and for the improvement, maintenance and management of any Common Area and Common Facilities of the Association as well as any esplanades or landscaped areas within street rights-of-way designated by the Board of Directors of the Association as being appropriate for maintenance by the Association, and to enable the Association to fulfill its responsibilities. The responsibilities of the Association shall include, but not be limited to, the maintenance and repair of the Common Area and Common Facilities, if any; constructing and maintaining parkways, green belts, detention areas, right-of-ways, easements, esplanades, Common Areas, sidewalks, paths, and other public areas; construction and operations of all street lights; insecticide services; purchase and/or operating expenses of recreation areas, if any; payment of all legal and other expenses incurred in connection with the collection and enforcement of all charges, assessments, covenants, restrictions, and conditions established under this Declaration; payment of all reasonable and necessary expenses in connection with the collection and administration of the maintenance charges and assessments; employing policemen and watchmen, and/or security service, if desired; caring for vacant Lots and doing other thing or things necessary or desirable in the opinion of the Board of Directors to keep the Lots neat and in good order, or which is considered of general benefit to the Owners or occupants of the Lots; and obtaining liability, workers compensation, property and

Director and Officer liability insurance in amounts deemed proper by the Board of Directors of the Association. It is understood that the judgment of the Board of Directors in the expenditure of said funds shall be final and conclusive so long as such judgment is exercised in good faith. All Lots in the Property shall commence to bear their applicable maintenance fund assessment simultaneously from the date of conveyance of the first Lot by Declarant to a resident Owner. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. Lots which are or at any time have been occupied, shall be subject to the annual assessment determined by the Board of Directors according to the provisions of Section 7.3. Lots which are owned by Declarant SHALL NOT BE SUBJECT TO ANY ANNUAL ASSESMENT, Lots which are not and have never been occupied, and which are owned by a builder or a building company shall be subject to an annual assessment equal to one-half (1/2) of the annual assessment applicable to occupied Lots. The rate of assessment for any calendar year for any individual Lot will change within that calendar year as the character of ownership and the status of occupancy changes. The applicable assessment for each Lot shall be prorated for each calendar year according to the rate applicable for each type of ownership of the Lot during that calendar year.

7.3 Rate of Assessment. The initial annual maintenance assessment is \$ 500.00 per year.

(a) Thereafter, the Board of Directors of the Association (the "Board of Directors") shall fix the amount of the ensuing year's annual assessment (and the annual assessment for each subsequent calendar year) at least thirty (30) days in advance of the annual assessment period, which shall begin on the first day of January 1 of each year. Written notice of the annual assessment shall be sent to every Owner subject thereto at the address of each Lot or at such other address provided to the Association in writing pursuant to Section 5.1 (a). Maintenance fees are due on January 1st of each year and considered delinquent if not received by January 31 of that year. If for any reason

the Board of Directors fails to fix the annual assessment for any year by December 2 of the preceding year, it shall be deemed that the annual assessment for such year will be the same as that established for the preceding year, and such annual assessment shall continue unchanged from year to year until the Board of Directors establish a new annual assessment in accordance with the provisions hereof.

(b) From and after January 1, the maximum annual assessment may be increased each year by a majority vote of the Board of Directors of the Association only to an amount which is not more than ten percent (10%) above the maximum annual assessment for the previous year.

(c) From and after January 1, of the year immediately following the conveyance of the first Lot to a resident Owner, the maximum annual assessment may be increased by more than ten (10%) percent of the previous year's maximum annual assessment only if the increase is approved by the affirmative vote of a majority of those members who are voting, in person or by proxy, at a meeting duly called for the purpose of considering such increase. Subject to the provisions of Section 7.5, the voting process for this action may also be handled by mail ballot as long as the ballots contain the name, property address, and certification by the Secretary of the Association, alternate address of the member, if applicable, and the date and signature of the member. Ballots may be returned by U.S. mail in envelopes specifically marked as containing ballots for the special election, or may be collected by door to door canvas. Upon levying of any increased assessment pursuant to the provisions of this Section 7.3, the Association shall cause to be recorded in the Official Public Records of Real Property of Polk County, Texas a sworn and acknowledged affidavit of the President (or any Vice President) and of the Secretary of the Association which shall certify, among other items that may be appropriate, the total number of members as of the date of the voting, the quorum required, the number of votes represented, the number voting "for" and "against" the levy, the amount of the increased assessment and the date

by which such increased assessment must be paid in order to avoid being delinquent.

7.4 Special Assessment for Capital Improvements. In addition to the annual assessments authorized above, the Board of Directors may levy, in any assessment year, a special assessment applicable to the current year only for the purpose of defraying in , whole or in part, the cost/of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided any such assessment shall have the approval of two-thirds (2/3) of the votes of those members who are voting in person or by proxy at a meeting duly called for this purpose. Likewise, subject to the provisions of Section 7.5, the voting process for this action may also be handled by mail ballot as long as the ballots contain the name, property address, and certification by the Secretary of the Association, alternate address of the member, if applicable, and the date and signature of the member. Ballots may be returned by U. S. mail in envelopes specifically marked as containing ballots for the special election or may be collected by door to door canvas. Upon the levying of any Special Assessment pursuant to the provisions of this Section 7.4, the Association shall cause to be recorded in the Real Property Records of the Polk County Clerk's Office a sworn and acknowledged affidavit of the President (or any Vice President) and of the Secretary of the Association which shall certify, among other items that may be appropriate, the total number of members as of the date of the voting, the quorum required, the number of votes represented, the number voting "for" and "against" the levy, the amount of the special assessment authorized, and the date by which the special assessment must be paid in order to avoid being delinquent.

7.5 Notice and Quorum for any Action Authorized under Paragraphs 7.3 and 7.4.
Written notice of any meeting called for the purpose of taking any action authorized under Sections 7.3 and 7.4 shall be sent to all members not less than fifteen (15) days or more than sixty (60) days in

advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty (60) percent of all the votes of all membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting. If the vote of the members is conducted by mail or door to door canvas, the approval of two-thirds (2/3) of the total membership is required.

7.6 Effect of Nonpayment of Assessments. Any assessment, annual or special, or other charges assessed in accordance with Sections 3.15 and 4.1 not paid within thirty-one (31) days after its due date shall bear interest from the due date at a rate of ten percent (10%) per annum on the unpaid balance. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien herein retained against the Lot. Interest, costs and reasonable attorney's fees incurred in any such action shall be added to the amount of such assessment or charge. In order to secure the payment of the assessments or charges hereby levied, a vendor's lien for the benefit of the Association shall be and is hereby reserved in the Deed from the Declarant to the purchaser of each Lot or portion thereof, which lien shall be enforceable through appropriate judicial and non judicial proceedings by the Association. As additional security for the payment of the assessments hereby levied, each Owner of a Lot in the subdivision, by such party's acceptance of a deed thereto, hereby grants the Association a lien on such Lot which may be foreclosed on by non-judicial foreclosure and pursuant to the provisions of Section 51.002 of the Texas Property Code (and any successor statute); and each such Owner hereby expressly grants the Association a power of sale in connection therewith. The Association shall, whenever it proceeds with non judicial foreclosure pursuant to the provisions of said Section 51.002 of the Texas Property Code and said power of sale, designate in writing a Trustee to post or cause to be posted all required notices of such

foreclosure sale and to conduct such foreclosure sale. The Trustee may be changed at any time and from time to time by the Association by means of a written instrument executed by the President or any Vice President of the Association and filed for record in the Real Property Records of Polk County, Texas.

In the event that the Association has determined to non judicially foreclose the lien provided herein pursuant to the provisions of said Section 51.002 of the Texas Property Code and to exercise the power of sale hereby granted, the Association shall mail to the defaulting Owner a copy of the Notice of Trustee's Sale not less than twenty-one (21) days prior to the date on which said sale is scheduled by posting such notice through the U. S. Postal Service, postage prepaid, registered or certified, return receipt requested, properly addressed to such Owner at the last known address of such Owner according to the records of the Association. If required by law, the Association or Trustee shall also cause a copy of the Notice of Trustee's Sale to be recorded in the Real Property Records of Polk County, Texas. Out of the proceeds of such sale, there shall first be paid all expenses incurred by the Association in connection with such default, including, reasonable attorney's fees and reasonable trustee's fee; second, from such proceeds there shall be paid to the Association an amount equal to the amount in default; and, third, the remaining balance shall be paid to such Owner. Following any such foreclosure, each occupant of any such Lot foreclosed on and each occupant of any improvements thereon shall be deemed to be a tenant at sufferance and may be removed from possession by any and all lawful means, including a judgment for possession in an action of forcible detainer and the issuance of a writ of restitution there under.

In addition to foreclosing the lien hereby retained, in the event of nonpayment by any Owner, of such Owner's portion of any assessment, the Association may, acting through the Board, upon ten (10) days' prior written notice thereof to such nonpaying Owner, in addition to all other rights

and remedies available at law or otherwise, restrict the right of such nonpaying Owner to use the Common Areas, if any, in such manner as the Association, deems fit or appropriate and/or suspend the voting rights of such nonpaying Owner so long as such default exists.

It is the intent of the provisions of this Section 7.6 to comply with the provisions of said Section 51.002 of the Texas Property Code relating to non judicial sales by power of sale and, in the event of the amendment of said Section 51.002 of the Texas Property Code hereafter, the President or any Vice President of the Association, acting without joinder of any other Owner or mortgagee or other person may, by amendment to this Declaration filed in the Real Property Records of Polk County, Texas amend the provisions hereof so as to comply with said amendments to Section 51.002 of the Texas Property Code.

No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot. In addition to the above rights, the Association shall have the right to refuse to provide the services of the Association to any Owner who is delinquent in the payment of the above described assessments.

7.7 Subordination of the Lien to Mortgages. As hereinabove provided, the title to each Lot shall be subject to a vendor's lien and power of sale and no judicial foreclosure securing the payment of all assessments and charges due the Association, but said vendor's lien and power of sale and non judicial foreclosure shall be subordinate to any valid purchase money lien or mortgage covering a Lot and any valid lien securing the cost of construction of home improvements. Sale or transfer of any Lot shall not affect said vendor's lien or power of sale and non judicial foreclosure. However, the sale or transfer of any Lot which is subject to any valid purchase money lien or mortgage pursuant to a judicial or non judicial foreclosure under such lien or mortgage shall extinguish the vendor's lien and power of sale and non judicial foreclosure securing such assessment or charge only as to payments which became due prior to such sale or transfer. No sale or transfer

shall relieve such Lot or the Owner thereof from liability for any charges or assessments thereafter becoming due or from the lien thereof. In addition to the automatic subordination provided hereinabove, the Association, in the discretion of the Board of Directors, may subordinate the lien securing any assessment provided for herein to any other mortgage, lien or encumbrance, subject to such limitations, if any, as such Board may determine.

ARTICLE VIII

GENERAL PROVISIONS

8.1 Term. The covenants and restrictions of this Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Association or the Owner of any land subject to this Declaration or any Supplemental Declaration, their respective legal representatives, heirs, successors and assigns, for an initial term of twenty (20) years from the date these covenants are recorded. During such initial term, the covenants and restrictions of this Declaration may be changed or terminated only by an instrument executed by the then Owners of seventy-five (75) percent of all the Lots within the Property, and properly recorded in the Official Public Records of Real Property of Polk County, Texas. Upon the expiration of such initial term, unless terminated as below provided, said covenants and restrictions (as changed, if changed), and the enforcement rights relative thereto, shall be automatically extended for successive periods of ten (10) years each. At any time during the initial term above stated and at any time during any such ten (10) year automatic extension period, the covenants and restrictions of this Declaration may be changed or terminated only by an instrument signed by the then Owners of not less than sixty-seven (67%) percent of all the Lots in the Property and properly recorded in the Official Public Records of Real Property of Polk County, Texas. In addition, Declarant shall

have the right at any time and from time-to-time, without the joinder or consent of any other party, to amend this Declaration by an instrument in writing duly signed, acknowledged, and filed for record in Polk County, Texas for the purpose of correcting any typographical or grammatical error, ambiguity, or inconsistency appearing herein, or for the purpose of complying with any statute, regulation, ordinance, resolution, or order of the Federal Housing Administration (the "FHA"), the Veterans Administration (the "VA"), or any federal, state, county, or municipal governing body, or any agency or department thereof, provided that any such amendment shall be consistent with and in furtherance of the general plan and scheme of development as evidenced by this Declaration and any Supplemental Declaration taken collectively and shall not impair or effect the vested rights of any Owner or mortgagee.

8.2 Enforcement. The Association, any Owner, or the Declarant, and their respective successors and assigns, shall have the right to enforce by a proceeding at law or in equity all easements, restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration and in connection therewith, shall be entitled to recover all reasonable collection costs and attorney's fees. Failure by the Association or by any other person entitled to enforce any covenant or restriction herein shall in no event be deemed a waiver of the right to do so thereafter. It is hereby stipulated, the failure or refusal of any Owner or any occupant of a Lot to comply with the terms and provisions hereof would result in irreparable harm to other Owners, to Declarant and to the Association. Thus, the covenants, conditions, restrictions and provisions of this Declaration may not only be enforced by an action for damages at law, but also may be enforced by injunctive or other equitable relief (i.e., restraining orders and/or injunctions) by any court of competent jurisdiction, upon the proof of the existence of any violation or any attempted or threatened violation. Any exercise of discretionary authority by the Association concerning a covenant created by this Declaration is presumed reasonable unless the court

determines by a preponderance of the evidence the exercise of discretionary authority was arbitrary; capricious or inconsistent with the scheme of the development (i.e., the architectural approval or disapproval for similar renovations relative to a given location within the Property). The Association on its own behalf or through the efforts of its management company may initiate defend or intervene in litigation or any administrative proceeding affecting the enforcement of a covenant created by this instrument or for the protection, preservation or operation of the Property covered by this Declaration. Notification will be deemed to have been given upon deposit of a letter in the U. S. mail addressed to the Owner alleged to be in violation. Any cost that has accrued to the Association pursuant to this Section shall be secured and collectable in the same manner as established herein for the security and collection of annual assessments as provided in Article VII.

8.3 Severability. Invalidation of any one of these covenants by judgment or other court order shall in no way affect any of the other provisions which shall remain in full force and effect.

8.4 Intentionally Blank

8.5 Interpretation. If this Declaration or any word, clause, sentence, paragraph or other part thereof shall be susceptible of more than one or conflicting interpretations, then the interpretation which is most nearly in accordance with the general purposes and objectives of this Declaration shall govern.

8.6 Omissions. If any punctuation, word, clause, sentence or provision necessary to give meaning, validity or effect to any other word, clause, sentence or provision appearing in this Declaration shall be omitted herefrom, then it is hereby declared that such omission was unintentional and that the omitted punctuation, word, clause, sentence or provision shall be supplied by inference.
