The subdivision hereby created shall be known as "WILLIAMSBURG VILLAGE", and reference to the subdivision by such name or reference to any tract or portion thereof in the subdivision under such name in any recordable deed or instrument shall have the effect of referring to this document for all purposes, including aiding in description as well as for other legal incidents running with the land, without the necessity of making specific reference to this document or its date or place of record.

Having thus subdivided said 6.22 acre tract of land into the above described ten tracts, and being desirous of subjecting said subdivision to uniform building and usage restrictions and dedicating for the benefit of all owners of tracts in said subdivision a street or road, and of dedicating easements for the installation and maintenance of various utilities, the said Grantor does hereby dedicate for the use and benefit of the owners, their heirs, successors and assigns, of any and all of the sites or subdivisions of the land above described, an easement for street and road purposes over and through the above described 6.22 acre tract, said easement being described as follows:

Beginning at a point in the North line of the 60 foot wide Beinhorn Road, said point being located East a distance of 132.80 feet from the intersection of the North line of Beinhorn Road with the West line of a 10.6 acre tract in the A. H. Osborne Survey, A-610, described in deed from Wm. H. Lobb to Otway and Marguerite Taylor, dated October 13, 1944, and recorded in Vol. 1354, Page 97 of the Deed Records of Harris County, Texas;

Thence North a distance of 651.70 feet to a point of intersection with a curve, said curve having a radius of 50.00 feet, the radius center of which is located North 30° 00' East a distance of 50.00 feet from said point of intersection;

Thence in a clockwise direction along said curve, a distance of 261.80 feet to a point of intersection for a corner;

Thence South a distance of 651.70 feet to a point for a corner in the North line of Beinhorn Road;

Thence West along the North line of Beinhorn Road a distance of 50.00 feet to the place of beginning.

All sites or lots resulting from the subdivision of the first above described tract shall hereafter be conveyed subject to the foregoing easement for streets or roadways and subject to the restrictions hereinafter set forth, all of which are in the nature of, and intended as, covenants running with the land as herein provided. By the acceptance of a deed to any site in said subdivision, the Grantee in said deed covenants and agrees that he will not obstruct the private roadway hereinabove dedicated, and that he will use it for ingress and egress, and drainage purposes only, and in such a way as not to prevent or interfere with its use for similar purposes by the other owners of any sites in said subdivision.

For the purpose of creating and carrying out a uniform plan for the improvement and sale of said subdivision and sites of land therein contained as a high class, restricted district, the following restrictions, covenants, reservations, liens and charges upon the use of said property are hereby established and shall be referred to, adopted and made part of each and every contract and deed executed by or on behalf of Grantor conveying said property or any part thereof by appropriate reference to the restrictions, making the same part of such conveyance to all intents and purposes as though incorporated at length therein; and said restrictions shall be, and are hereby imposed upon each tract or parcel of land in the subdivision for the benefit not only of Grantor, its successors and assigns, but of each and every purchaser of lands in said subdivision, their heirs and assigns; and said restrictions constitute covenants running with the land and every contract and deed conveying said land or any part

Any provision herein which restrict the sale, rental or use of the described Real Property because of color or race is invalid and unenforceable under the Federal Law. Confidential information may have been redacted from the document in compliance with the Public Information Act.

thereof shall be conclusively deemed to have been executed,, delivered and accepted upon the express conditions, covenants and restrictions herein contained, to-wit:

There is excepted from these covenants and restrictions and none of same shall apply to the following described portion of the 6.22 acre tract hereby subdivided, to-wit:

Beginning at the Northeast corner of herein described tract, said corner being located in the East line of a 10.6 acre tract in the A. H. Osborn Survey, A-610, described in Deed from Wm. H. Lobb to Otway and Marguerite Taylor, dated October 13, 1944, and recorded in Vol. 1354, Page 97 of the Deed Records of Harris County, Texas, said corner being located South 0° 13' 19" East a distance of 171.24 feet from the Northeast corner of said 10.6 acre tract;
Thence South 0° 13' 19" East along the East line of said 10.6 acre tract, a distance of 15.00 feet to a point for a corner;
Thence West a distance of 154.46 feet to a point for a corner;
Thence North a distance of 15.00 feet to a point for a corner;
Thence East a distance of 154.40 feet to the place of beginning and containing 2316 square feet of land.

1. The hereinafter described covenants and restrictions shall run with the land, and shall be binding on the purchasers, their heirs and assigns, and on all persons claiming under them for 25 years from the date of this instrument, at which time said covenants and restrictions automatically shall be extended for successive periods of ten (10) years each, provided, however, that should the then owners of the majority of the sites in WILLIAMSBURG VILLAGE desire to change, modify or eliminate the said restrictions, they may do so by executing and acknowledging an appropriate agreement in writing for such purposes and by filing the same for record in the manner then required for the recording of such instruments, at least one (1) year prior to the expiration date of the first twenty-five year period, or at least one (1) year prior to the expiration of any subsequent ten (10) year period; the provision of said instruments to become operative at the end of the period in which it is executed and recorded.

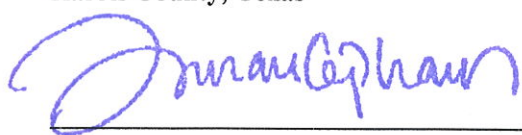

2. Grantor and all owners of sites in this subdivision mutually covenant among themselves that they will maintain this subdivision as a residence for persons of the Caucasian race, and will not sell any site therein to any person except of the Caucasian race, but it is agreed that any person of the Caucasian race owing or occupying any site in this subdivision may have persons of races other than the Caucasian race occupy servants' quarters, provided they are bona fide servants of such Caucasian owner or occupant.

3. All sites in this subdivision hereby are designated as "residential" sites and shall be used for private family residential purposes only. No apartment, flat, duplex, multiple family house of any kind, rooming or boarding house, tourist court, hospital, clinic, saloon, club, beauty parlor or any other place of business, commercial or industrial, shall be constructed, kept, operated or maintained; now shall the land without a building be used for purposes as specified above.

4. Each tract in this subdivision, shall constitute one (1) residential building plot only. It is the intent of this restriction to prevent the use of less than one full tract, as hereinabove created, for a single-family residential building site. However,

Any provision herein which restrict the sale, rental or use of the described Real Property because of color or race is invalid and unenforceable under the Federal Law. Confidential information may have been redacted from the document in compliance with the Public Information Act.

in the event any person acquires title to any two or more adjoining tracts in said subdivision and desires to consolidate any adjoining tracts, or fractions thereof, into one homesite, all of the side line building setback restrictions herein imposed shall be deemed to apply to such consolidated tracts as if they were one tract. In other words, the side line building setback restrictions shall be applied with reference to the exterior boundary lines of the tracts so consolidated into one homesite.

5. No building may be moved from another locality to a site in this subdivision.

6. All improvements shall be constructed on each tract of this subdivision, except tracts five and six, to front on the street upon which such tract faces, and each corner tract shall face on the street on which it has the largest frontage. All improvements constructed on Tract Five to Front Southeast and all improvements constructed on Tract Six shall front Southwest. No building shall be erected on any tract in this subdivision nearer than thirty (30) feet from either of the side lines of such Tract excepting Tracts One and Ten having a setback from the north line of Beinhorn Road of Sixth (50) feet. No building shall be erected on Tract Five nearer than thirty (30) feet to the East line of such tract, nearer than Seventy (70) feet to the center of the circle of the private roadway hereinabove created, nearer than Thirty (30) feet to the South line of said tract, nearer than twenty-five (25) feet to the West line of said tract, nor nearer than twenty-five (24) feet to the North line of such tract. No building shall be erected on Tract Six nearer than thirty (30) feet to the West line of such tract, nearer than seventy (70) feet to the center of the circle of the private roadway hereinabove created, nearer than thirty (30) feet to the South line of said tract, nearer than twenty-five (25) feet to the East line of said tract nor nearer than twenty-five (25) feet to the North line of said Tract. No detached building such as garages, servants' quarters or guest house shall be erected on any tract in this subdivision except on Tract Two, nearer than twenty-five (25) feet from the rear line of said tract. The existing house on Tract Two which is set thirteen (13) feet from the rear property line of said Tract shall be allowed to remain as situated. For further details of Tracts Five, Six and Two, see attached plot plan.

7. No residence or dwelling shall be erected unless in conformity with the following requirements:

Any residence constructed in WILLIAMSBURG VILLAGE must have a minimum floor area of not less than 2000 square feet, exclusive of open or screened porches, driveways, car-ports, garages and servants quarters, and such residence shall have a minimum of 5/8" brick, brick veneer, stone or masonry in the outside walls. All roofs to be of any standard roofing material other than Composition Shingle.

8. Garages shall be in keeping with the general design and material used in construction of main dwelling and all doors on garages connected to house shall face side property line. The exterior of all frame structures shall be covered immediately upon completion with at least two (2) coats of paint.

9. No fence or gas meter shall be erected or set beyond the front line of any main structure, except for a fence along Memorial Drive.

10. No building material of any kind or character shall be placed or stored upon the property until the owner is ready to commence improvements, and then such material shall be placed within the property lines of the site upon which the improvements are to be erected, and shall not be placed in the street or between the street

Any provision herein which restrict the sale, rental or use of the described Real Property because of color or race is invalid and unenforceable under the Federal Law. Confidential information may have been redacted from the document in compliance with the Public Information Act.

and property line. No stumps, trees, underbrush or refuse of any kind, or scrap materials from the improvements being erected on any site, shall be placed on any adjoining sites, streets, or easements, and upon the completion of such improvements, such material must be removed immediately from the property. Dumping of trash, or pasturing of live stock or animals on any part of the property in or adjacent to this subdivision, including roads, ravines or Bayou are prohibited, except as otherwise specified.

11. No noxious or offensive trade or activity shall be carried on upon any site, nor shall anything be done thereon which may be or become an annoyance or a nuisance to the neighborhood. No site shall be used for storage or sale of wrecked automobiles or junk or other waste material.

12. No spiritous, vinous, or malt liquors or medicated bitters, capable of producing intoxication, shall ever be sold, or offered for sale on any site in this subdivision, nor shall said premises or any part thereof be used for vicious, illegal or immoral purposes, nor for any purpose in violation of the laws of the State of Texas, or of the United States, or of municipal ordinances, police health, sanitary building or fire code, regulation or instruction relating to or affecting the use or occupancy or possession of any of the said sites, now or hereafter in force and applicable hereto.

13. No tent, trailer, basement, shack, garage or any type of outbuilding erected in this subdivision shall, at any time, be used as a residence, either temporarily or permanently, nor shall any structure of a temporary nature be used as a residence. No servants' quarters situated on any site in this subdivision shall ever be occupied as a residence except by domestic servants domiciled with an owner tenant and may not be used for rental purposes.

14. No site shall be used for the purpose of selling or offering for sale, raising, keeping, maintaining or boarding dogs, cats, hogs, goats, rabbits, mules, cattle, horses or other animals of any kind; except, however, that the occupants or residences may keep dogs and cats for pets. Any barn or building for these animals must be situated not closer than 125 feet from the front line of any site, nor closer than 35 feet from the side lines of any site. No animals of any kind shall be kept in the subdivision that would constitute a nuisance or annoyance to the residents, and no fowl of any nature shall be kept or harbored in this subdivision.

15. No cesspool shall ever be dug, used or maintained on any site in this subdivision and whenever a residence is established on any site it shall provide only an inside toilet and shall be connected with a septic tank until such time as sanitary sewers may be available for use in connection with said site. Drainage of septic tanks into roads, streets, ravines or open ditches is strictly prohibited and this prohibition is enforceable by any person or public body. Septic systems shall be constructed to conform to minimum standards required by the State and County Health Departments.

16. Drainage structures under private driveways shall have a net drainage opening area of sufficient size to permit the free flow of water without backwater. Culverts must be used for driveways and for walks, and this restriction may be enforceable by Harris County Authorities. Buyer accepts responsibility for proper installation of culverts, which shall be installed in a manner which will not obstruct the flow of water in ditches, and inside bottoms of culverts must be even with or below the level of ditches. Should a site abut on or be traversed by any drainage ditch, ravine, or bayou, an easement is retained for the use of Grantor or public authorities, for ingress and egress, to maintain such drainage facility.

17. No radio or television aerial wires shall be maintained on any portion of any site forward of the front building set-back line of said site.

18. Each and every site owner by virtue of such ownership, shall be bound to maintain the site to which such ownership attaches in a neat and clean condition free of high grass, weeds and debris, and in event of any default in this matter, Grantor may, at its option and discretion, and without any liability to said owner, clear the property of high grass, weeds and debris for the purpose of preventing any nuisance of fire hazard. In event Grantor shall, at any time, so clear any site, the then owner of said site shall promptly reimburse Grantor, upon demand of Grantor, for the actual and reasonable cost of the clearing of said site.

19. At such time as seventy-five per cent (75%) of the lots in said subdivision be sold, on an area basis, a majority of the then owners may, by vote, appoint or elect a committee composed of three (3) members to be known as the WILLIAMSBURG COMMITTEE. The number of votes of each owner is to be determined on the basis of the proportion which the amount of the land in said subdivision to which the owner holds legal title bears to the whole of said subdivision. For example, if an owner holds legal title to 1.754 acres, he will be entitled to 1,754 votes. The appointment or election of the WILLIAMSBURG COMMITTEE shall be evidenced by the recording of an appropriate instrument properly signed and acknowledged by a majority of the then owners of said subdivision, in the Deed Records of Harris County, Texas, and such instrument will serve as sufficient authority for said Committee to:

- (a) Collect and expend, in the interest of the subdivision as a whole, the maintenance fund hereinafter created.
- (b) Enforce, by appropriate proceedings, these covenants and restrictions.
- (c) Enforce or release any lien imposed on any part of this subdivision by reason of a violation of any of these covenants or restrictions, or by reason of any provision contained herein.
- (d) Approve or disapprove plans and specifications for improvements in said subdivision submitted to it in accordance with these restrictions.

20. Members of said WILLIAMSBURG COMMITTEE may, at any time, be relieved of their position and substitute members therefor appointed by vote and evidence thereof as above set out. Until such time as said WILLIAMSBURG COMMITTEE has been formed, as above provided for, Grantor specifically reserves unto itself, and any one whom it may assign the right, the right to act within the authority granted the WILLIAMSBURG COMMITTEE under these restrictions and covenants.

21. All tracts in said subdivision are hereby subjected to an annual maintenance charge for a period of 25 years beginning at such time as 75% of said subdivision has been sold, for the purpose of creating a fund to be known as the "Maintenance Fund", to be paid by the owners of each and all of the sites in said subdivision, annually, in advance. Said maintenance charge shall not exceed \$50.00 per year for each tract. The amount of said charge will be determined by the Williamsburg Committee during the month next preceding the due date of said charge. Said sums shall be paid to the Williamsburg Committee as hereinafter provided and shall be held by it in trust to be expended for any and all of the following: lighting, improving and maintaining the roadways, collecting and disposing of garbage, ashes and other refuse, employing policemen and watchman, caring for vacant lots, operating, maintaining, repairing and replacing the water system, serving the subdivision, and doing any other thing necessary or desirable in the opinion of the Williamsburg Committee to keep the property neat and in good order, or anything which it considers of benefit to the owners and occupants of said subdivision. Grantor agrees to pay the proper proportion of said fund for unsold tracts or sites in said subdivision.

Any provision herein which restrict the sale, rental or use of the described Real Property because of color or race is invalid and unenforceable under the Federal Law. Confidential information may have been redacted from the document in compliance with the Public Information Act.
