

FROM THE OWNERS--

Things we enjoyed the most on our beautiful 810 Reinecke St home:

- 1) you can walk to Velvet Tacos on Washington: It was a nice Sunday Light Delicious lunch.
- 2) We LOVED Brenner's on the Bayou. They have amazing happy hours. It is just a few minutes away on Memorial Dr. off Wescott. It was our fav date night place.
- 3) We Loved to ride our bikes to Memorial Park or walk and jog over there. It also has a couple of playgrounds that my little one loved.
- 4) At Memorial, we would love to go to the Golf course and eat after playing at Becks Prime.
- 5) We loved El Tiempo Market (the Grocery was great for last minute).
- 6) We also would sit and eat in El Tiempo restaurant. Walking distance in Washington.
- 7) We also would Bike to Back street café on Memorial and Wescott for a nice morning breakfast.
- 8) Do not miss out, the new Yoga places. I would definitely enjoy Big yoga. I would drive there (5 minutes) but so worthy.
- 9) For the little ones. There Is a 5 minute walking or less; little park for the little ones. It is on Rose Street behind the church. My son enjoyed there several afternoons.
- 10) We are so close to the aquarium, museum district and also Galleria area that is a preferred location for sure.
- 11) We LOVED our little patio, where we would barbecue with friends.
