TERMS AND CONDITIONS

1. CALIFORNIA-ONLY CONSUMER INFORMATION:

- (a) **CAL. BUS. & PROF. CODE §8516 REQUIREMENT.** Terminix shall conduct a full inspection of the Structures for wood destroying pests and organisms and provide a written report to Purchaser within ten (10) business days of the date of the inspection and prior to commencing the provision of any services under this Agreement in accordance with Cal. Bus. & Prof. Code §8516.
 - (b) **NOTICE OF WORK COMPLETED AND NOT COMPLETED.** Within ten (10) business days of the date of the completion of the initial service, Terminix will file with the California Structural Pest Control Board and furnish to Purchaser a copy of the written Notice of Work Completed and Not Completed in accordance with Cal. Bus. & Prof. Code §8518 and Title 16, Article 4, §1996.2 of the California Code of Regulations respectively.
2. **GENERAL DESCRIPTION.** By executing this Subterranean Termite Baiting System (hereinafter the "Agreement"), Purchaser and Terminix agree that: a) Terminix shall provide the Services (as defined below) at the Structures identified on page 1 of this Agreement and b) Purchaser shall pay Terminix the Fees stated on the face of this Agreement in exchange for the Services.
 3. **INITIAL TERM; RENEWAL.** The term of this Agreement shall commence on the date of initial installation (the "Installation Date") of the Baiting System and shall continue thereafter for one year (the "Initial Term"), unless terminated earlier as set forth herein. Following completion of the Initial Term, this Agreement shall automatically renew on a month to month basis unless earlier terminated in accordance with this Agreement.
 4. **EARLY TERMINATION FEE.** If the Customer cancels this Agreement or discontinues Services for any reason prior to completion of the Initial Term, Terminix reserves the right to assess an Early Termination Fee. In view of the impracticality and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties, the Early Termination Fee assessed will be equal to the amount of the unpaid balance of the Initial Term's fees at the time of Customer's termination of the selected plan.
 5. **FEES.** Purchaser shall pay the fees for Baiting System Installation and Services for the Initial Term and any Renewal Term based upon the Payment Option selected by Purchaser.
 6. **INSPECTION GRAPH.** This Inspection Graph, prepared by Terminix and provided to Purchaser, is a record of a visual, non-destructive inspection by Terminix of certain readily accessible areas of the identified property for visible termite infestation/damage. Terminix is not responsible for repairs to damages identified on the Inspection Graph. In addition, hidden damage may exist in concealed, obstructed or inaccessible areas. No attempt to remove siding, plastic or sheetrock insulation, carpeting, paneling, etc., to search for hidden damage was made. Terminix cannot guarantee that the damage disclosed by visual inspection of the premises depicted in the Inspection Graph represents the entirety of the damage which may exist as of the date of the initial control application. Terminix shall not be responsible for repair of any existing damage including, without limitation, any damage which existed in areas or in structural members which were not accessible for visual inspection as of the date of the Inspection Graph. If X (circled or not) appears on the Inspection Graph, it is advisable that a qualified building expert inspect the property to determine what effect, if any, the infestation/damage has upon the structural integrity of the property.
 7. **PROTECTION PLAN SERVICES.** Terminix will perform the following termite protection services during the Initial Term or any Renewal Term, as applicable, of this Agreement (hereinafter the "Services"): (a) Install the Terminix Subterranean Termite Baiting System (the "Baiting System") on and around the Structures described on the Inspection Graph attached to this Agreement, which contains termite bait in all stations; (b) Conduct an inspection of the Structures identified on the Inspection Graph for termite activity on an annual basis or at any time upon the request of Purchaser; and (c) Inspect and service the installed Baiting System, including replacement of termite bait and other components of the Baiting System at no additional charge to Purchaser, as deemed necessary by Terminix, to provide ongoing prevention, control and/or elimination of Subterranean Termite colonies in compliance with the Bait System Label and applicable federal and state laws and regulations.
 8. **PROTECTION AGAINST SUBTERRANEAN TERMITES.** THE BAITING SYSTEM ONLY CONTROLS FOR AND PROTECTS THE STRUCTURES FROM SUBTERRANEAN (IN-GROUND) TERMITES (*RETICULITERMIS SPP.*, *HETEROTERMES SPP.*) AND FORMOSAN TERMITES (*COPTOTERMES SPP.*) (COLLECTIVELY "SUBTERRANEAN TERMITES") INFESTATIONS. THE BAITING SYSTEM DOES NOT CONTROL OR PROTECT THE STRUCTURES FROM AERIAL (ABOVE-GROUND) INFESTATION OF ANY KIND, DRYWOOD TERMITES (*KALOTERMES SPP.*, *INCISITERMES SPP.*, *CRYPTOTERMES SPP.*) OR OTHER WOOD-DESTROYING ORGANISMS INCLUDING, BUT NOT LIMITED TO, CARPENTER ANTS, POWDER-POST BEETLES OR WOOD-DECAY FUNGI. FUMIGATION OR SPOT TERMITICIDE TREATMENT MAY BE NECESSARY TO CONTROL AERIAL INFESTATIONS. IF A FUMIGATION OR SPOT TERMITICIDE TREATMENT IS DEEMED NECESSARY BY TERMINIX TO CONTROL AN AERIAL (ABOVE-GROUND) INFESTATION, PURCHASER GRANTS TERMINIX A RIGHT OF ACCESS TO THE STRUCTURES TO TREAT SUCH AERIAL INFESTATION AND PURCHASER SHALL PAY TO TERMINIX ADDITIONAL CHARGES FOR SUCH AERIAL INFESTATION TREATMENT AT TERMINIX'S THEN-CURRENT RATES.
 9. **DAMAGE REPAIR PLAN; COVERED DAMAGES.** If Subterranean Termite damage to the Structures and/or their contents occurs subsequent to the Installation Date during the Initial Term or any Renewal Term (hereinafter "Covered Damage"), Terminix will, following inspection of and confirmation that such damage constitutes Covered Damage, arrange for and pay the costs of labor and materials of a contractor to repair such Covered Damage. Terminix is not responsible for the repair of any damage, whether visible or hidden, occurring prior to or on the Installation Date, whether or not live termites are present. Damage discovered after the Installation Date with no verified live and active infestation present shall be deemed to have been caused before the Installation Date. Because damage may be present in areas that are inaccessible to visual inspection, Terminix does not guarantee that the damage disclosed on the Inspection Graph represents all of the existing damage as of the date of this Agreement. TERMINIX IS NOT RESPONSIBLE FOR THE REPAIR OF ANY DAMAGE TO ANY EXTERIOR FENCES OR DECKS LOCATED ON PURCHASER'S PREMISES.
 10. **NOTICE OF CLAIMS; TIMING.** Any claim made by Purchaser for Terminix to repair any Covered Damage must be made in writing to Terminix during the Initial Term, any Renewal Term or within the one (1) year following the expiration or termination of this Agreement ("Claim Period"). Purchaser's failure to provide such written notice of a claim within the Claim Period shall constitute an intentional waiver of any such claim.
 11. **ACCESS TO PROPERTY.** Purchaser must allow Terminix access to the Structures for any purpose contemplated by this Agreement including, but not limited to, reinspections, whether the inspections were requested by the Purchaser or considered necessary by Terminix. The failure to allow Terminix such access will terminate this Agreement without further notice.
 12. **PURCHASER COOPERATION.** Purchaser's cooperation is important to ensure the most effective results from Services. Whenever conditions conducive to the breeding and harborage of pests covered by this contract are reported in writing by Terminix to the Purchaser, and are not corrected by Purchaser, Terminix cannot ensure effective Services. If Purchaser fails to correct the conditions noted by Terminix within a reasonable time period, all guarantees as to the effectiveness of the Services in this Agreement shall automatically terminate. Further, additional treatments in areas of such conditions that are not corrected as required shall be paid for by Purchaser as an extra charge.
 13. **PURCHASER SATISFACTION.** Subject to Purchaser's Cooperation (as defined above), if Purchaser is not satisfied with the services rendered, upon the request of Purchaser and as Purchaser's sole and exclusive remedy, at no additional cost(s) to Purchaser Terminix shall reapply and/or retreat pesticides to the Structure(s) as is reasonably necessary to control for and mitigate against acute infestations of Standard Pests and/or Premium Pests, as the case may be.
 14. **LIMITATION OF LIABILITY; LIMITED WARRANTY.** EXCEPT AS OTHERWISE PROHIBITED BY LAW, TERMINIX DISCLAIMS AND SHALL NOT BE RESPONSIBLE FOR ANY LIABILITY FOR INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, PUNITIVE AND/OR LOSS OF ENJOYMENT DAMAGES. THE OBLIGATIONS OF TERMINIX SPECIFICALLY STATED IN THIS AGREEMENT ARE GIVEN IN LIEU OF ANY OTHER OBLIGATION OR RESPONSIBILITY, EXPRESS OR IMPLIED, INCLUDING ANY REPRESENTATION OF MERCHANTABILITY OR FITNESS FOR A

PARTICULAR PURPOSE. PURCHASER ACKNOWLEDGES THAT TERMINIX HAS NOT TREATED THE STRUCTURES WITH TERMITICIDE, HAS NOT TREATED THE SOIL OF THE STRUCTURES WITH TERMITICIDE, IS NOT REQUIRED TO TREAT THE PROPERTY AND IS ONLY OBLIGATED TO PROVIDE FURTHER BAITING SYSTEM TREATMENT IF DEEMED NECESSARY BY TERMINIX. IN CONSIDERATION OF SUMS CHARGED BY TERMINIX HEREUNDER AND AS A LIQUIDATED DAMAGE AND NOT AS A PENALTY, AND NOTWITHSTANDING ANY CONTRACT, TORT OR OTHER CLAIM THAT TERMINIX FAILED TO PERFORM ITS OBLIGATIONS HEREUNDER, THE SOLE RESPONSIBILITY OF TERMINIX IN THE EVENT OF A CLAIM SHALL BE TO PROVIDE FURTHER BAITING SYSTEM TREATMENT FOUND NECESSARY BY TERMINIX FREE OF CHARGE AND/OR TO ARRANGE FOR AND PAY THE COSTS OF LABOR AND MATERIALS OF A CONTRACTOR TO REPAIR ANY COVERED DAMAGE. PURCHASER EXPRESSLY RELEASES TERMINIX FROM, AND AGREES TO INDEMNIFY TERMINIX WITH RESPECT TO, ANY OTHER OBLIGATION TO PURCHASER WHATSOEVER. TERMINIX IS NOT RESPONSIBLE FOR ANY REPAIR OF COVERED DAMAGE UNLESS ARRANGED FOR BY TERMINIX OR AUTHORIZED TO BE PERFORMED IN ITS ENTIRETY IN WRITING BY AN OFFICER OF TERMINIX. ANY UNAUTHORIZED REPAIR WILL TERMINATE THE LIABILITY OF TERMINIX FOR THE REPAIR OF COVERED DAMAGE AUTOMATICALLY WITHOUT FURTHER NOTICE. THIS AGREEMENT DOES NOT GUARANTEE, AND TERMINIX DOES NOT REPRESENT, THAT TERMITES WILL NOT RETURN.

15. **WATER LEAKAGE.** Water leakage in treated areas, in interior areas or through the roof or exterior walls of the Structures may destroy the effectiveness of treatment by Terminix and is conducive to new infestation. Purchaser is responsible for making timely repairs as necessary to stop the leakage. Purchaser's failure to make timely repairs will terminate this Agreement automatically without further notice. Terminix shall have no responsibility for repairs with respect to water leakage.
16. **INFORMATION REGARDING THE BAITING SYSTEM.** Purchaser understands that: (a) As termites feed on the bait in the stations, their growth is disrupted, causing a decline of the termite colony to the point where the colony can no longer sustain itself and is eliminated. Subterranean Termite colony elimination or control is impacted by the colony size, geographical location, weather and/or other factors. During the period before colony elimination or control is achieved, new damage to Structures from termite feeding may occur. State regulations may require specific treatment standards be performed for liquid termite treatments. These standards do not apply to Subterranean Termite baiting treatments. The termite bait used within the Baiting System is registered for use in this state; (b) The Baiting System involves installation, an initial period of monitoring, colony elimination or control with termite bait and subsequent monitoring for continuous protection from new Subterranean Termite activity; (c) Intervals of from two to several months may occur between: (i) installation of the Baiting System and sufficient termite activity to allow additional termite bait; (ii) addition of termite bait and mitigation or elimination of the Subterranean Termite colony; and (iii) the total time from initial installation to Subterranean Termite colony mitigation or elimination is dependent upon geographical location, weather and/or other factors; (d) Additional services, such as spot applications of conventional termiticides, are available for an additional fee to combat termite activity on a localized basis, if desired, but are not necessarily needed for the Subterranean Termite colony elimination or control; and (e) In some circumstances, the Baiting System may not eliminate or control the Subterranean Termite colony. If after 24 months from commencement of the Baiting System, Subterranean Termite colony elimination or control has not been achieved, Terminix may, in its sole discretion, propose treatment using conventional methods at no additional charge. In that case, Purchaser may elect to continue with the Baiting System (on the same terms and conditions) or the conventional treatment. If Purchaser chooses not to continue with the Baiting System, this Agreement will terminate without further obligation of Terminix. If treatment using conventional methods is offered by Terminix and agreed to by Purchaser, then Purchaser must first execute a new written contract in the form then in use by Terminix. Due to the nature of construction, the extent of existing termite damage, the degree of termite activity, application restrictions and/or Terminix guidelines, such new contract may not provide any damage repair commitment.
17. **ADDITIONS OR ALTERATIONS TO STRUCTURES.** This Agreement covers the Structures described on the Inspection Graph as of the date of the installation of the Baiting System. In the event the premises are structurally modified, altered or otherwise changed, or if soil is removed or added around the foundation, or if Baiting System stations are removed or disturbed (collectively "Alterations"), Purchaser must provide Terminix with written notice of such Alterations within ten (10) days of the occurrence of such Alterations. Purchaser's failure to provide such notice will terminate this Agreement automatically without further notice. The failure of Terminix to discover such Alterations does not release Purchaser from the obligations to provide written notice to Terminix of the same. Purchaser shall pay Terminix's then-current charges for a service call to evaluate the Alterations and provide additional Bait Station treatment as a result of the Alterations. Terminix reserves the right to increase the Annual Renewal Term Fee as a result of the Alterations.
18. **OWNERSHIP TRANSFER.** Upon transfer of ownership of the Structures, Services may be continued upon request of the new owner and upon payment of the Ownership Transfer Fee set forth on page 1 of this Agreement. In addition, Terminix reserves the right to revise the Annual Renewal Term Fee upon transfer of ownership. In the event the new owner fails to request continuation of this Agreement or does not agree to pay the transfer fee of the revised Annual Renewal Term Fee, this Agreement will terminate automatically as of the date of the change of ownership.
19. **FORCE MAJEURE.** Terminix shall not be liable to Purchaser for any failure to perform or delay in the performance under this Agreement attributable in whole or in part to any cause beyond its reasonable control and without its fault or negligence including, but not limited to, acts of God, fires, floods, earthquakes, strikes, unavailability of necessary utilities, blackouts, government actions, war, civil disturbance, insurrection or sabotage.
20. **ADDITIONAL DISCLAIMERS.** This Agreement does not cover, and Terminix will not be responsible for, damage resulting from or services required for: (a) any and all damage resulting from termites and/or any other wood-destroying organisms, except as specifically provided herein; (b) moisture conditions including, but not limited to, fungus damage and/or water leakage caused by faulty plumbing, roofs, gutters, downspouts and/or poor drainage; (c) masonry failure or grade alterations; (d) inherent structural problems including, but not limited to, wood-to-ground contacts; (e) termites entering any rigid foam, wooden or cellulose-containing components in contact with the earth and the Structures, regardless of whether the component is a part of the Structures; and (f) the failure of Purchaser to properly cure at Purchaser's expense any condition that prevents proper treatment or inspection or is conducive to termite infestation.
21. **CHANGE IN LAW.** Terminix performs its services in accordance with the requirements of law. In the event of a change in existing law as it pertains to the services herein, Terminix reserves the right to revise the Annual Renewal Term Fee or terminate this Agreement.
22. **NON-PAYMENT; DEFAULT.** In case of non-payment or default by the Purchaser, Terminix has the right to terminate this Agreement. In addition, cost of collection, including reasonable attorney's fees, shall be paid by the Purchaser, whether suit is filed or not. In addition, interest at the highest legal rate will be assessed for the period of delinquency.
23. **CHANGE IN TERMS.** At the time of any renewal of this Agreement, Terminix may change this Agreement by adding, deleting or modifying any provision. Terminix will notify the Purchaser in advance of any such change, and Purchaser may decline to accept such a change by declining to renew this Agreement. Renewal of this Agreement will constitute acceptance of any such changes.
24. **SEVERABILITY.** If any part of this Agreement is held to be invalid or unenforceable for any reason, the remaining terms and conditions of this Agreement shall remain in full force and effect.
25. **MANDATORY ARBITRATION.** Any claim, dispute or controversy, regarding any contract, tort, statute or otherwise ("Claim"), arising out of or relating to this Agreement or the relationships among the parties hereto, shall be resolved by one arbitrator through binding arbitration administered by the American Arbitration Association ("AAA"), under the AAA Commercial or Consumer, as applicable, Rules in effect at the time the Claim is filed ("AAA Rules"). Copies of the AAA Rules and forms can be located at www.adr.org, or by calling 1.800.778.7879. The arbitrator's decision shall be final, binding and non-appealable. Judgment upon the award may be entered and enforced in any court having jurisdiction. This clause is made pursuant to a transaction involving interstate commerce and shall be governed by the Federal Arbitration Act. Neither party shall sue the other party other

than as provided herein or for enforcement of this clause or of the arbitrator's award; any such suit may be brought only in Federal District Court for the District or, if any such court lacks jurisdiction, in any state court that has jurisdiction. The arbitrator, and not any federal, state or local court, shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, unconscionability, arbitrability, enforceability or formation of this Agreement, including any claim that all or any part of the Agreement is void or voidable. However, the preceding sentence shall not apply to the clause entitled "Class Action Waiver."

26. **CLASS ACTION WAIVER.** Any Claim must be brought in the parties' individual capacity, and not as a plaintiff or class member in any purported class, collective, representative, multiple plaintiff or similar proceeding ("Class Action"). The parties expressly waive any ability to maintain any Class Action in any forum. The arbitrator shall not have authority to combine or aggregate similar claims or conduct any Class Action nor make an award to any person or entity not a party to the arbitration. Any claim that all or part of this Class Action Waiver is unenforceable, unconscionable, void or voidable may be determined only by a court of competent jurisdiction and not by an arbitrator. THE PARTIES UNDERSTAND THAT THEY WOULD HAVE HAD A RIGHT TO LITIGATE THROUGH A COURT, TO HAVE A JUDGE OR JURY DECIDE THEIR CASE AND TO BE PARTY TO A CLASS OR REPRESENTATIVE ACTION. HOWEVER, THE PARTIES UNDERSTAND AND CHOOSE TO HAVE ANY CLAIMS DECIDED INDIVIDUALLY, THROUGH ARBITRATION.
27. **GOVERNING LAW.** Except for the Mandatory Arbitration Clause in Section 25 of this Agreement which is governed by and construed in accordance with the Federal Arbitration Act, this Agreement shall be governed by, and construed in accordance with, the laws of the state in which the dispute arises without regard to the conflict of laws provisions.
28. **ENTIRE AGREEMENT.** This Agreement, together with all exhibits thereto, constitutes the entire agreement between the parties, supersedes all proposals, oral or written, and all other communications between the parties relating to such subject matter, and no other representations or statements will be binding upon the parties. This Agreement may not be modified or amended in any way without the written consent of both parties.

Subterranean Termite Post-Construction Treatment Disclosure For Each Estimate

When an estimate or proposal for termite treatment is submitted to a consumer the pest control company must provide the following written disclosure information: For all treatments there will be a diagram showing exactly what will be treated. Treatment specifications and warranties for those treatments may vary widely. Review the pesticide label provided to you for minimum treatment specification. If you have any questions, contact the pest control company or the Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711-2847. Telephone number (866) 918-4481 or Fax: 888-232-2567. The consumer is advised to review all this information and the pesticide label for explanations of the proposed treatment and compare this with any other proposal or estimate they may receive.

Definitions of Treatment

A subterranean termite treatment may be a partial treatment or a spot treatment using termiticide, approved physical barriers or a baiting system. These types of treatments are defined as follows:

Partial Treatment

This technique allows a wide variety of treatment strategies but is more involved than a spot treatment. (See definition below.) Ex: treatment of some or all of the perimeter, bath traps, expansion joints, stress cracks, portions of framing, walls and bait locations.

Pier and Beam: Generally defined as the treatment of the outer perimeter including porches, patios and treatment of the attached garage. In the crawl space, treatment would include any soil to structure contacts as well as removal of any wood debris on the ground.

Slab Construction: Generally defined as treatment of the perimeter and all known slab penetrations as well as any known expansion joints or stress cracks.

Spot Treatment

Any treatment which concerns a limited, defined area less than ten (10) linear or square feet that is intended to protect a specific location or "spot." Often there are adjacent areas susceptible to termite infestation, which are not treated.

Baiting System

This type of treatment may include interior and/or perimeter placement of monitoring or baiting systems along with routine inspection intervals. The baiting technique may include one or more baiting locations as prescribed by the product label and instructions.

Barriers

If a physical device is used, the square footage of the physical device must be recorded and a diagram describing the installation will be provided.

WARRANTY information provided includes the complete details any warranty provided and the following:

- Time Period of the Warranty
- Renewal Options and Cost
- Obligations of the Contracting Parties
- Conditions that could develop which would void the warranty
- Name of the pest control company responsible for the warranty.

If the warranty does not include the entire structure treated, the areas included in the warranty are: (specify)
Detached Garage _____

A copy of the consumer information sheet has been made available to the appropriate party.

Additional Information

In addition to the information listed above the following information must also be included on the diagram: Known wood destroying insect activity, conducive conditions, type of construction, construction details, and any other information about construction relevant to the treatment proposal.
