

## Top 5 Things You Love About Your Home!

1. Location - close to Heights / HEB / get right on I-10, never flooded in any storm, close to bicycle trail, park close by, restaurants in walking distance
2. Open living room w/ built ins  $\Rightarrow$  built ins make it feel warm and welcoming, large room accommodated giant sectional for lots of friends to come over
3. Natural light - natural light abundant on living floor and 3rd floor, due to south facing, lots of windows
4. Driveway + oak tree in front + driveway is obviously useful, oak tree makes exterior feel comfortable / provides shade for patio (had bench outside and great hangout space)
5. Large kitchen + Breakfast nook / office space - ~~lots~~ lots of cabinets + storage + counter space, able to make breakfast nook an office area during covid ~~is so cool~~ (lots of windows made it cute to work there).
