

Top 10 Things We Love About This Home

1. We love the neighborhood and our neighbors. They are kind and a joy to live with. It can be stressful not knowing what kind of people you will live next to, but our neighbors are the best (we want to take them with us!).
2. We love our yard. The back yard is unique in that it has good shade, but is open enough to play.
3. We love our attached garage for when it is raining or sweltering hot outside. It is nice to carry in groceries and not worry about the weather.
4. Having a fourth bedroom and extra living space for the kids to play inside has been amazing!
5. We love that you can stand at the kitchen sink and see the backyard, the kid's rooms, and all the living spaces in the house.
6. This home has a very open concept for the living, kitchen and dining allowing for easy entertaining.
7. We love our renovated home with updated flooring, paint, countertops, appliances, etc.
8. We love all of the other updates that you can't see like the energy efficient windows, new plumbing, new roof.
9. This home has never flooded so we value that history!
10. Zoned to a really great elementary school.

Welcome Home!

Note from sellers: "We are a young family with three kids and this home has served us very well. Our family is going to really miss our home and we hope that it is as much of a blessing to you as it has been to us."
