

Things about this home we enjoy.

Outdoor features:

- Wide open spacious feeling of the yard
- Love the lake breeze and the view while sitting under the carport
- Appreciate all the concrete walks and driveway
- Concrete gives a neatness and cleanliness to the outdoor space
- Rock landscaping preserves the skirting and is low maintenance
- Landscaping plants are drought resistant and low maintenance
- Lakeviews in multiple areas; from both front and rear decks, from rear of cabin and under RV/Carport. Also good lakeview from primary bathroom window.
- The garage is large enough for a party and storage; having two opposing doors gives good airflow and allows for pull through for boat or golf cart storage
- Campfire area creates fun space for gathering; watch a fire and cook some hotdogs and smores

Indoor features:

- 9 ft ceilings and rounded sheetrock wall corner give the feeling of openness and are aesthetically pleasing
- 18 ft width allows for spacious room for furniture
- Love the four pot drawers
- Appreciate the rock accent and upgraded sink in kitchen
- We enjoy sitting at kitchen table in front of the bay window and watch the hummingbirds
- The primary bedroom is surprisingly large and roomy
- Primary bedroom is well lit with opposing windows
- Good airflow from ceiling fans
- Living room also has opposing windows for airflow
- All windows open from inside for easy cleaning and are double paned
- Pantry/laundry off kitchen is wonderfully convenient and is large enough for storage of food, mops, vacuums, etc.
- Upgraded oven/range is also convection
- Primary bath is large with double sinks and spacious walk-in closet
- Enjoy separate shower and garden tub
- Easy care laminate floors/NO carpet

We are leaving this outstanding property to be closer to our son and our granddaughter. We will miss our high and dry, serene life at the lake.
