

2100 Tanglewilde st #157 upgrades

- 1) Both A/C units replaced in the last 3 years (upstairs AND downstairs)
- 2) Level 2 electric car charger (240 volt) professionally installed by Tesla contractor. Unlimited charging for all electric vehicles (not just Tesla)
- 3) House was completely renovated recently (paint, cabinets, lights, showers, bathrooms, fans) for a modern uplift.
- 4) Top of the line Samsung washer and dryer combo with steam cleaning and smart cycles
- 5) Frigidaire refrigerator included
- 6) Exterior completely repainted by HOA 2 months ago
- 7) New American Standard anti-clog toilets installed in downstairs basement and upstairs bathroom#2 in 2021.
