The Documents include such instruments as the Declaration of Covenants, Conditions and Restrictions (the “**Declaration**”), the Design Guidelines, if any, and this Community Manual (collectively referred to as the “**Development Documents**”), all of which are recorded in the property records by the developer generally prior to the time that you purchased your property. Integral to the functioning of the Community, the Association’s roles include owning, operating and maintaining various Common Areas and Community amenities, as well as administering and enforcing all of the Development Documents.

Other specific Documents include such instruments as the Certificate of Formation and Bylaws which set forth the corporate governance structure of the Association as well as the various rules, which include rules, regulations, policies and procedures outlining the operation of the Association and required standards for use of property, activities and conduct (the “**Association Documents**”). Section 3.02. Place of Meetings. Meetings of the Association shall be held where designated by the Board, either within the Property or as convenient as possible and practical.

Section 3.03. Annual Meetings. There shall be an annual meeting of the Members of the Association for the purposes of Association-wide elections or votes and for such other Association business at such reasonable place, date and time as set by the Board.

Section 3.04. Special Meetings. Special meetings of Members may be called in accordance with Section 22.155 of the Texas Business Organizations Code or any successor statute.

Section 3.05. Notice of Meetings. Written or printed notice stating the place, day, and hour of any meeting of the Members shall be delivered, either personally or by mail, to each Member entitled to vote at such meeting or by publication in a newspaper of general circulation, not less than ten (10) nor more than sixty (60) days before the date of such meeting, by or at the direction of the President, the Secretary, or the officers or persons calling the meeting. In the case of a special meeting or when otherwise required by statute or these Bylaws, the purpose or purposes for which the meeting is called shall be stated in the notice. No business shall be transacted at a special meeting except as stated in the notice. If mailed, the notice of a meeting shall be deemed to be delivered when deposited in the United States mail addressed to the Member at his address as it appears on the records of the Association, with postage prepaid.

Section 3.06. Waiver of Notice. Waiver of notice of a meeting of the Members shall be deemed the equivalent of proper notice. Any Member may, in writing, waive notice of any meeting of the Members, either before or after such meeting. Attendance at a meeting by a Member shall be deemed a waiver by such Member of notice of the time, date, and place thereof, unless such Member specifically objects to lack of proper notice at the time the meeting is called to order. Attendance at a special meeting by a Member shall be deemed a waiver of notice of all business transacted at such meeting unless an objection by a Member on the basis of lack of proper notice is raised before the business is put to a vote.

Section 3.07. Quorum. Except as provided in these Bylaws or in the Declaration, the presence of the Members representing twenty (20%) of the total votes in the Association shall constitute a quorum at all Association meetings. The Members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the departure of enough Members to leave less than a quorum, provided that Members representing at least ten percent (10%) of the total votes in the Association remain in attendance, and provided that any action taken is approved by at least a Majority of the votes present at such adjourned meeting, unless otherwise provided in the Declaration.

Section 3.08. Conduct of Meetings. The President or any other person appointed by the Board shall preside over all Association meetings, and the Secretary, or the Secretary's designee, shall keep the minutes of the meeting and record in a minute book all resolutions adopted at the meeting, as well as a record of all transactions occurring at the meeting.

Section 3.09. Voting. The voting rights of the Members shall be as set forth in the Declaration, and such voting rights provisions are specifically incorporated by reference. Except as otherwise provided in the Declaration, action may be taken at any legally convened meeting of the Members upon the affirmative vote of the Members having a Majority of the total votes present at such meeting in person or proxy or by absentee ballot or electronic voting, if such votes are considered present at the meeting as further set forth herein. Cumulative voting shall not be allowed. The person holding legal title to a Lot shall be entitled to cast the vote allocated to such Lot and not the person merely holding beneficial title to

the same unless such right is expressly delegated to the beneficial Owner thereof in writing. **Any provision in the Association's governing documents that would disqualify an Owner from voting in an Association election of Board Members or on any matter concerning the rights or responsibilities of the Owner is void.**

Section 3.10. Methods of Voting: In Person; Proxies; Absentee Ballots; Electronically. The voting rights of an Owner may be cast or given: (a) in person or by proxy at a meeting of the Association; (b) by absentee ballot; or (c) by electronic ballot. Any vote cast in an election or vote by a Member of the Association must be in writing and signed by the member. Electronic votes constitute written and signed ballots. In an Association-wide election, written and signed ballots are not required for uncontested races. Votes shall be cast as provided in this section:

(a) Proxies. Any Member may give a revocable written proxy in the form as prescribed by the Board from time to time to any person authorizing such person to cast the Member's vote on any matter. A Member's vote by proxy is subject to any limitations of Texas law relating to the use of general proxies and subject to any specific provision to the contrary in the Declaration or these Bylaws. No proxy shall be valid unless signed by the Member for which it is given or his duly authorized attorney-in-fact, dated, and filed with the Secretary of the Association prior to the meeting for which it is to be effective. Proxies shall be valid only for the specific meeting for which given and for lawful adjournments of such meeting. In no event shall a proxy be valid more than eleven (11) months after the effective date of the proxy. Every proxy shall be revocable and shall automatically cease upon conveyance of the Lot for which it was given.

(b) Absentee and Electronic Ballots. An absentee or electronic ballot: (i) may be counted as an Owner present and voting for the purpose of establishing a quorum only for items appearing on the ballot; (ii) may not be counted, even if properly delivered, if the Owner attends any meeting to vote in person, so that any vote cast at a meeting by an Owner supersedes any vote submitted by absentee or electronic ballot previously submitted for that proposal; and (iii) may not be counted on the final vote of a proposal if the proposal was amended at the meeting to be different from the exact language on the absentee or electronic ballot.

(i) Absentee Ballots. No absentee ballot shall be valid unless it is in writing, signed by the Member for which it is given or his duly authorized attorney-in-fact, dated, and filed with the Secretary of the Association prior to the meeting for which it is to be effective. Absentee ballots shall be valid only for the specific meeting for which given and for lawful adjournments of such meeting. In no event shall an absentee ballot be valid after the specific meeting or lawful adjournment of such meeting at which such ballot is counted or upon conveyance of the Lot which it was given. Any solicitation for votes by absentee ballot must include:

- a. an absentee ballot that contains each proposed action and provides an opportunity to vote for or against each proposed action;
- b. instructions for delivery of the completed absentee ballot, including the delivery location; and
- c. the following language: *"By casting your vote via absentee ballot you will forgo the opportunity to consider and vote on any action from the*

floor on these proposals, if a meeting is held. This means that if there are amendments to these proposals your votes will not be counted on the final vote on these measures. If you desire to retain this ability, please attend any meeting in person. You may submit an absentee ballot and later choose to attend any meeting in person, in which case any in-person vote will prevail."

(ii) Electronic Ballots. "Electronic ballot" means a ballot: (a) given by email, facsimile or posting on a website; (b) for which the identity of Owner submitting the ballot can be confirmed; and (c) for which the Owner may receive a receipt of the electronic transmission and receipt of the Owner's ballot. If an electronic ballot is posted on a website, a notice of the posting shall be sent to each Owner that contains instructions on obtaining access to the posting on the website.

Section 3.11. Tabulation of and Access to Ballots. A person who is a candidate in an Association election or who is otherwise the subject of an Association vote, or a person related to that person within the third degree by consanguinity or affinity may not tabulate or otherwise be given access to the ballots cast in that election or vote except such person may be given access to the ballots cast in the election or vote as part of a recount process. A person tabulating votes in an Association election or vote may not disclose to any other person how an individual voted.

Section 3.12. Recount of Votes. Any Member may, not later than the fifteenth (15th) day after the date of the meeting at which the election was held, require a recount of the votes. A demand for a recount must be submitted in writing either: (a) by certified mail, return receipt requested, or by delivery by the U.S. Postal Service with signature confirmation service to the Association's mailing address as reflected on the latest management certificate; or (b) in person to the Association's managing agent as reflected on the latest management certificate or to the address to which absentee and proxy ballots are mailed. The Member requesting the recount will be required to pay, in advance, expenses associated with the recount as estimated by the Association. Any recount must be performed on or before the thirtieth (30th) day after the date of receipt of a request and payment for a recount is submitted to the Association for a vote tabulator as set forth below.

(a) Vote Tabulator. At the expense of the Member requesting the recount, the Association shall retain for the purpose of performing the recount, the services of a person qualified to tabulate votes. The Association shall enter into a contract for the services of a person who: (i) is not a Member of the Association or related to a Member of the Association Board within the third degree by consanguinity or affinity; and (ii) is either a person agreed on by the Association and any person requesting a recount or is a current or former county judge, county elections administrator, justice of the peace or county voter registrar.

(b) Reimbursement for Recount Expenses. If the recount changes the results of the election, the Association shall reimburse the requesting Member for the cost of the recount to the extent such costs were previously paid by the Member to the Association. The Association shall provide the results of the recount to each Member who requested the recount.

(c) Board Action. Any action taken by the Board in the period between the initial election vote tally and the completion of the recount is not affected by any recount.

Section 3.13. Action Without a Meeting. Any action required or permitted by law to be taken at a meeting of the Members may be taken without a meeting, without prior notice, and without a vote if written consent specifically authorizing the proposed action is signed by Members holding at least the minimum number of votes necessary to authorize such action at a meeting if all Members entitled to vote thereon were present. Such consents shall be signed within sixty (60) days after receipt of the earliest dated consent, dated, and delivered to the Association at its principal place of business in Texas. Such consents shall be filed with the minutes of the Association and shall have the same force and effect as a vote of the Members at a meeting. Within ten (10) days after receiving authorization for any action by written consent, the Secretary shall give written notice to all Members entitled to vote who did not give their written consent, fairly summarizing the material features of the authorized action.

ARTICLE IV BOARD OF DIRECTORS

Section 4.1. Authority; Number of Directors.

(a) The affairs of the Association shall be governed by a Board of Directors. The number of Directors shall be fixed by the Board of Directors from time to time. The initial Directors shall be three (3) in number and shall be those Directors named in the Certificate. The initial Directors shall serve until their successors are elected and qualified.

(b) In accordance with *Section 4.03* of the Declaration, i.e., no later than the 10th anniversary of the date the Declaration is Recorded, the President of the Association must have held a meeting of the Members of the Association (the "**Initial Member Election Meeting**") where the Members will elect one (1) Director, for a one (1) year term ("**First Member Elected Director**"). Declarant will continue to appoint and remove two-thirds of the Board after the Initial Member Election Meeting until expiration or termination of the Development Period. Notwithstanding the foregoing, the First Member Elected Director's position will expire as of the date of the Member Election Meeting.

(c) At the expiration or termination of the Development Period, the Declarant will thereupon call a meeting of the Members of the Association where the Declarant appointed Directors will resign and the Members, including Declarant, will elect three (3) new directors (to replace all Declarant appointed Directors and the First Member Elected Director) (the "**Member Election Meeting**"), one (1) Director for a three (3) year term, one (1) Director for a two (2) year term, and one (1) Director for a one (1) year term (with the individual receiving the highest number of votes to serve the three (3) year term, the individual receiving the next highest number of votes to serve the two (2) year term, and the individual receiving the third highest number of votes to serve a one (1) year term). Upon expiration of the term of a Director elected by the Members pursuant to this *Section 4.1(c)*, his or her successor will be elected for a term of two (2) years.

(d) A Director takes office upon the adjournment of the meeting or balloting at which he is elected or appointed and, absent death, ineligibility, resignation, or removal, will hold office until his successor is elected or appointed.

(e) Each Director, other than Directors appointed by Declarant, shall be a Member and resident, or in the case of corporate, partnership, or other entity ownership of a Lot, a duly authorized agent or representative of the corporation, the partnership, or other entity which owns the Lot. The

corporate, partnership, or other entity Owner shall be designated as the Director in all correspondence or other documentation setting forth the names of the Directors.

Section 4.2. Compensation. The Directors shall serve without compensation for such service. As determined by the Board, Directors may be reimbursed for any reasonable and necessary out-of-pocket expenses.

Section 4.3. Nominations to Board of Directors. Members may be nominated for election to the Board of Directors in either of the following ways:

(a) A Member who is not a Director and who desires to run for election to that position shall be deemed to have been nominated for election upon his filing with the Board of Directors a written petition of nomination; or

(b) A Director who is eligible to be re-elected shall be deemed to have been nominated for re-election to the position he holds by signifying his intention to seek reelection in a writing addressed to the Board of Directors.

Section 4.4. Removal of Directors for Cause. An elected Director may be removed, with or without cause, by the vote of Members holding a majority of the votes entitled to be cast in the Association. If a Director breaches such Director's duties hereunder or violates the terms of the Restrictions, such Director may be removed by a Majority vote of the remaining Directors.

Section 4.5. Vacancies on Board of Directors. At such time as Declarant's right to appoint and remove Directors has expired or been terminated, if the office of any elected Director shall become vacant by reason of death, resignation, or disability, the remaining Directors, at a special meeting duly called for this purpose, shall choose a successor who shall fill the unexpired term of the directorship being vacated. If there is a deadlock in the voting for a successor by the remaining Directors, the one Director with the longest continuous term on the Board shall select the successor. At the expiration of the term of his position on the Board of Directors, the successor Director shall be re-elected or his successor shall be elected in accordance with these Bylaws. Except with respect to Directors appointed by the Declarant, any Board Member whose term has expired or who has been removed from the Board must be elected by the Members.

Section 4.6. Removal of Directors by Members. Subject to the right of Declarant to nominate and appoint Directors as set forth in *Section 4.1* of these Bylaws, an elected Director may be removed, with or without cause, by the vote of Members holding a Majority of the votes entitled to be cast in the Association.

Section 4.7. Eligibility for Board Membership. With the exception of Board member positions appointed by the Declarant as permitted by the Declaration, the Association may not restrict an Owner's right to run for a position on the Board.

ARTICLE V

The oral summary must include a general explanation of expenditures approved in executive session.

Section 5.6. Location. Except if otherwise held by electronic or telephonic means, a Board meeting must be held in the county in which all or a part of the property in the subdivision is located or in a county adjacent to that county, as determined in the discretion of the Board.

Section 5.7. Record; Minutes. The Board shall keep a record of each regular or special Board meeting in the form of written minutes of the meeting. The Board shall make meeting records, including approved minutes, available to a Member for inspection and copying on the Member's written request to the Association's managing agent at the address appearing on the most recently filed management certificate or, if there is not a managing agent, to the Board.

Section 5.8. Notices. Members shall be given notice of the date, hour, place, and general subject of a regular or special board meeting, including a general description of any matter to be brought up for deliberation in executive session. The notice shall be: (a) mailed to each Member not later than the tenth (10th) day or earlier than the sixtieth (60th) day before the date of the meeting; or (b) provided at least seventy-two (72) hours before the start of the meeting by: (i) posting the notice in a conspicuous manner reasonably designed to provide notice to Members in a place located on the Association's common area or on any website maintained by the Association; and (ii) sending the notice by e-mail to each Member who has registered an e-mail address with the Association. It is the Member's duty to keep an updated e-mail address registered with the Association. The Board may establish a procedure for registration of email

addresses, which procedure may be required for the purpose of receiving notice of Board meetings. If the Board recesses a regular or special Board meeting to continue the following regular business day, the Board is not required to post notice of the continued meeting if the recess is taken in good faith and not to circumvent this section. If a regular or special Board meeting is continued to the following regular business day, and on that following day the Board continues the meeting to another day, the Board shall give notice of the continuation in at least one manner as set forth above within two (2) hours after adjourning the meeting being continued.

Section 5.9. Meeting without Prior Notice. The Board may meet by any method of communication, including electronic and telephonic, without prior notice to the Members if each Board member may hear and be heard, and may take action by unanimous written consent to consider routine and administrative matters or a reasonably unforeseen emergency or urgent necessity that requires immediate Board action. Any action taken without notice to Members must be summarized orally, including an explanation of any known actual or estimated expenditures approved at the meeting, and documented in the minutes of the next regular or special Board meeting. The Board may not, without prior notice to the Members pursuant to *Section 5.8* above consider or vote on: (a) fines; (b) damage assessments; (c) initiation of foreclosure actions; (d) initiation of enforcement actions, excluding temporary restraining orders or violations involving a threat to health or safety; (e) increases in assessments; (f) levying of special assessments; (g) appeals from a denial of architectural control approval; or (h) a suspension of a right of a particular Owner before the Member has an opportunity to attend a Board meeting to present the Member's position, including any defense, on the issue.

Section 5.10. Telephone and Electronic Meetings. Any action permitted to be taken by the Board without prior notice to Owners may be taken by telephone or electronic methods by means of which all persons participating in the meeting can hear each other. Participation in such a meeting constitutes presence in person at the meeting, except where a person participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

Section 5.11. Consent in Writing. Any action permitted to be taken by the Board by unanimous written consent occurs if all Directors individually or collectively consent in writing to such action. The written consent must be filed with the minutes of Board meetings. Action by written consent shall be in lieu of a meeting and has the same force and effect as a unanimous vote of the Directors.

Section 5.12. Development Period. The provisions of this *Article V* do not apply to Board meetings during the Development Period (as defined in the Declaration) during which period the Board may take action by unanimous written consent in lieu of a meeting, except with respect to: (a) adopting or amending the Restrictions; (b) increasing the amount of regular assessments of the Association or adopting or increasing a special assessment; (c) electing non-developer Board members or establishing a process by which those members are elected; or (d) changing the voting rights of Members.

BROOKWOOD FOREST RESIDENTIAL COMMUNITY, INC. FINE AND ENFORCEMENT POLICY

1. Background. Brookwood Forest is subject to that certain Declaration of Covenants, Conditions and Restrictions for Brookwood Forest, recorded in the Official Public Records of Montgomery County, Texas, as the same may be amended from time to time ("**Declaration**"). In accordance with the Declaration, Brookwood Forest Residential Community, Inc., a Texas non-profit corporation (the "**Association**") was created to administer the terms and provisions of the Declaration. Unless the Declaration or applicable law expressly provides otherwise, the Association acts through a majority of its board of directors (the "**Board**"). The Association is empowered to enforce the covenants, conditions and restrictions of the Declaration, Certificate, Bylaws, Community Manual, and any rules and regulations promulgated by the Association pursuant to the Declaration, as adopted and amended from time to time (collectively, the "**Restrictions**"), including the obligation of Owners to pay assessments pursuant to the terms and provisions of the Declaration and the obligations of the Owners to compensate the Association for costs incurred by the Association for enforcing violations of the Restrictions.

The Board hereby adopts this Fine and Enforcement Policy to establish equitable policies and procedures for the levy of fines within the Association in compliance with the Chapter 209 of the Texas Property Code, titled the "Texas Residential Property Owners Protection Act," as it may be amended (the "**Act**"). To the extent any provision within this policy is in conflict the Act or any other applicable law, such provision shall be modified to comply with the applicable law.

Terms used in this policy, but not defined, shall have the meaning subscribed to such term in the Restrictions.

2. Policy. The Association uses fines to discourage violations of the Restrictions, and to encourage compliance when a violation occurs – not to punish violators or generate revenue for the Association. Although a fine may be an effective and efficient remedy for certain types of violations or violators, it is only one of several methods available to the Association for enforcing the Restrictions. The Association's use of fines does not interfere with its exercise of other rights and remedies for the same violation.
3. Owner's Liability. An Owner is liable for fines levied by the Association for violations of the Restrictions by the Owner and the relatives, guests, employees, and agents of the Owner and residents. Regardless of who commits the violation, the Association may direct all communications regarding the violation to the Owner.
4. Amount. The Association may set fine amounts on a case by case basis, provided the fine is reasonable in light of the nature, frequency, and effects of the violation. The Association may establish a schedule of fines for certain types of violations. The amount and cumulative total of a fine must be reasonable in comparison to the violation, and should be uniform for similar violations of the same provision of the Restrictions. If the Association allows fines to accumulate,

the Association may establish a maximum amount for a particular fine, at which point the total fine will be capped.

5. Violation Notice. Before levying a fine, the Association will give the Owner a written violation notice via certified mail, return receipt requested, and an opportunity to be heard, if requested by the Owner. This requirement may not be waived. The Association's written violation notice will contain the following items: (1) the date the violation notice is prepared or mailed; (2) a description of the violation or property damage that is the basis for the suspension action, charge, or fine and state any amount due to the Association from the Owner; (3) a reference to the rule or provision that is being violated; (4) a description of the action required to cure the violation; (5) the timeframe in which the violation is required to be cured to avoid the fine or suspension; (6) the amount of the fine; (7) a statement that no later than the thirtieth (30th) day after receiving the notice, the Owner may request a hearing pursuant to Section 209.007 of the Texas Property Code, and further, if the hearing held pursuant to Section 209.007 of the Texas Property Code is to be held by a committee appointed by the Board, a statement notifying the Owner that he or she has the right to appeal the committee's decision to the Board by written notice to the Board; and (8) a statement informing the Owner that they may have special rights or relief related to the enforcement action under federal law, including the Servicemembers Civil Relief Act (50 U.S.C. app. section *et seq*), if the Owner is serving on active military duty. The notice sent out pursuant to this paragraph is further subject to the following:
 - a. First Violation. If the Owner has not been given notice and a reasonable opportunity to cure the same or similar violation within the preceding six (6) months, the notice will state those items set out in (1) – (8) above, along with a specific timeframe by which the violation must be cured to avoid the fine. The notice must state that any future violation of the same rule may result in the levy of a fine.
 - b. Repeat Violation – No Cure within 6 Months. If the Owner has been given notice and a reasonable opportunity to cure the same or similar violation within the preceding six (6) months but commits the violation again, the notice will state those items set out in (1) - (3), (6) and (8) above, but will also state that because the Owner has been given notice and a reasonable opportunity to cure the same or similar violation within the preceding six (6) months but has not cured the violation, then the Owner will be fined pursuant to the *Schedule of Fines* described below.
 - c. Continuous Violation. After an Owner has been notified of a violation as set forth herein and assessed fines in the amounts set forth in the *Schedule of Fines* described below, if the Owner has never cured the violation in response to either the notices or the fines, in its sole discretion, the Board may determine that such a circumstance is a continuous violation which warrants a levy of a fine based upon a daily, monthly, or quarterly amount as determined by the Board.
6. Violation Hearing. If the Owner is entitled to an opportunity to cure the violation, then the Owner has the right to submit a written request to the Association for a hearing before the Board or a committee appointed by the Board to discuss and verify the facts and resolve the matter. To request a hearing, the Owner must submit a written request (the "**Request**") to the Association's manager (or the Board if there is no manager) within thirty (30) days after receiving the violation

notice. The Association must then hold the hearing requested no later than thirty (30) days after the Board receives the Request. The Board must notify the Owner of the date, time, and place of the hearing at least (10) days' before the date of the hearing. The hearing will be scheduled to provide a reasonable opportunity for both the Board and the Owner to attend. The Board or the Owner may request a postponement, and if requested, a postponement shall be granted for a period of not more than ten (10) days. Additional postponements may be granted by agreement of the parties. Notwithstanding the foregoing, the Association may exercise its other rights and remedies as set forth in Section 209.007(d) and (e) of the Texas Property Code. Any hearing before the Board will be held in a closed or executive session of the Board. At the hearing, the Board will consider the facts and circumstances surrounding the violation. The Owner shall attend the hearing in person, but may be represented by another person (i.e., attorney) during the hearing, upon advance written notice to the Board. If an Owner intends to make an audio recording of the hearing, such Owner's request for hearing shall include a statement noticing the Owner's intent to make an audio recording of the hearing, otherwise, no audio or video recording of the hearing may be made, unless otherwise approved by the Board. The minutes of the hearing must contain a statement of the results of the hearing and the fine, if any, imposed. A copy of the violation notice and request for hearing should be placed in the minutes of the hearing. If the Owner appears at the meeting, the notice requirements will be deemed satisfied. Unless otherwise agreed by the Board, each hearing shall be conducted in accordance with the agenda attached hereto as Exhibit A.

7. Levy of Fine. Any fine levied shall be reflected on the Owner's periodic statements of account or delinquency notices.
8. Collection of Fines. The Association is not entitled to collect a fine from an Owner to whom it has not given notice and an opportunity to be heard, pursuant to Section 209.006 and Section 209.007 of the Texas Property Code. The Association may not foreclose its assessment lien on a debt consisting solely of fines.
9. Amendment of Policy. This policy may be revoked or amended from time to time by the Board. This policy will remain effective until the Association records an amendment to this policy in the county's official public records.

Schedule of Fines

The Board has adopted the following general schedule of fines. The number of notices set forth below does not mean that the Board is required to provide each notice prior to exercising additional remedies as set forth in the Restrictions. The Board may elect to pursue such additional remedies at any time in accordance with applicable law. The Board also reserves the right to set fine amounts on a case by case basis, provided the fine is reasonable in light of the nature, frequency, and effect of the violation:

BROOKWOOD FOREST RESIDENTIAL COMMUNITY, INC. ASSESSMENT COLLECTION POLICY

Brookwood Forest is a community (the "Community") created by and subject to the Declaration of Covenants, Conditions and Restrictions for Brookwood Forest recorded in the Official Public Records of Montgomery County, Texas, and any amendments or supplements thereto ("Declaration"). The operation of the Community is vested in Brookwood Forest Residential Community, Inc. (the "Association"), acting through its board of directors (the "Board"). The Association is empowered to enforce the covenants, conditions and restrictions of the Declaration, Certificate, Bylaws, Community Manual, and any rules and regulations promulgated by the Association pursuant to the Declaration, as adopted and amended from time to time (collectively, the "Restrictions"), including the obligation of Owners to pay Assessments pursuant to the terms and provisions of the Declaration.

The Board hereby adopts this Assessment Collection Policy to establish equitable policies and procedures for the collection of Assessments levied pursuant to the Restrictions. Terms used in this policy, but not defined, shall have the meaning subscribed to such term in the Restrictions.

SECTION 1. DELINQUENCIES, LATE CHARGES & INTEREST

- 1-A. Due Date. An Owner will timely and fully pay Assessments. Regular Assessments are assessed annually and are due and payable on the first calendar day of the month at the beginning of the fiscal year, or in such other manner as the Board may designate in its sole and absolute discretion.
- 1-B. Delinquent. Any Assessment that is not fully paid when due is delinquent. When the account of an Owner becomes delinquent, it remains delinquent until paid in full — including collection costs, interest and late fees.
- 1-C. Late Fees & Interest. If the Association does not receive full payment of an Assessment by 5:00 p.m. on the due date established by the Board, the Association may levy a late fee of \$25 per month and/or interest at the highest rate allowed by applicable usury laws then in effect on the amount of the Assessment from the due date thereof (or if there is no such highest rate, then at the rate of 1 and 1/2% per month) until paid in full.
- 1-D. Liability for Collection Costs. The defaulting Owner is liable to the Association for the cost of title reports, credit reports, certified mail, long distance calls, court costs, filing fees, and other reasonable costs and attorney's fees incurred by the Association in collecting the delinquency.
- 1-E. Insufficient Funds. The Association may levy a charge of \$25 for any check returned to the Association marked "not sufficient funds" or the equivalent.
- 1-F. Waiver. Properly levied collection costs, late fees, and interest may only be waived by a majority of the Board.

SECTION 2. INSTALLMENTS & ACCELERATION

If an Assessment, other than a Regular Assessment, is payable in installments, and if an Owner defaults in the payment of any installment, the Association may declare the entire Assessment in default and accelerate the due date on all remaining installments of the Assessment. An Assessment, other than a Regular Assessment, payable in installments may be accelerated only after the Association gives the Owner at least fifteen (15) days prior notice of the default and the Association's intent to accelerate the unpaid balance if the default is not timely cured. Following acceleration of the indebtedness, the Association has no duty to reinstate the installment program upon partial payment by the Owner.

SECTION 3. PAYMENTS

3-A. Application of Payments. After the Association notifies the Owner of a delinquency and the Owner's liability for late fees or interest, and collection costs, any payment received by the Association shall be applied in the following order, starting with the oldest charge in each category, until that category is fully paid, regardless of the amount of payment, notations on checks, and the date the obligations arose:

(1) Delinquent assessments	(4) Other attorney's fees
(2) Current assessments	(5) Fines
(3) Attorney fees and costs associated with delinquent assessments	(6) Any other amount

3-B. Payment Plans. The Association shall offer a payment plan to a delinquent Owner with a minimum term of at least three (3) months and a maximum term of twelve (12) months from the date the payment plan is requested for which the Owner may be charged reasonable administrative costs and interest. The length of the term for the payment plan shall be in the sole and absolute discretion of the Association, but shall not be longer than eighteen (18) months. The Association will determine the actual term of each payment plan offered to an Owner. An Owner is not entitled to a payment plan if the Owner has defaulted on a previous payment plan in the last two (2) years. If an Owner is in default at the time the Owner submits a payment, the Association is not required to follow the application of payments schedule set forth in Paragraph 3-A.

3-C. Form of Payment. The Association may require that payment of delinquent Assessments be made only in the form of cash, cashier's check, or certified funds.

3-D. Partial and Conditioned Payment. The Association may refuse to accept partial payment (*i.e.*, less than the full amount due and payable) and payments to which the payer attaches conditions or directions contrary to the Board's policy for applying payments. The Association's endorsement and deposit of a payment does not constitute acceptance. Instead, acceptance by the Association occurs when the Association posts the payment to the Owner's account. If the Association does not accept the payment at that time, it will promptly refund the payment to the payer. A payment

that is not refunded to the payer within thirty (30) days after being deposited by the Association may be deemed accepted as to payment, but not as to words of limitation or instruction accompanying the payment. The acceptance by the Association of partial payment of delinquent Assessments does not waive the Association's right to pursue or to continue pursuing its remedies for payment in full of all outstanding obligations.

- 3-E. Notice of Payment. If the Association receives full payment of the delinquency after recording a notice of lien, the Association will cause a release of notice of lien to be publicly recorded, a copy of which will be sent to the Owner. The Association may require the Owner to prepay the cost of preparing and recording the release.
- 3-F. Correction of Credit Report. If the Association receives full payment of the delinquency after reporting the defaulting Owner to a credit reporting service, the Association will report receipt of payment to the credit reporting service.

SECTION 4. LIABILITY FOR COLLECTION COSTS

- 4-A. Collection Costs. The defaulting Owner may be liable to the Association for the cost of title reports, credit reports, certified mail, long distance calls, filing fees, and other reasonable costs and attorney's fees incurred in the collection of the delinquency.

SECTION 5. COLLECTION PROCEDURES

- 5-A. Delegation of Collection Procedures. From time to time, the Association may delegate some or all of the collection procedures, as the Board in its sole discretion deems appropriate, to the Association's managing agent, an attorney, or a debt collector.
- 5-B. Delinquency Notices. If the Association has not received full payment of an Assessment by the due date, the Association may send written notice of nonpayment to the defaulting Owner, by certified mail, stating: (a) the amount delinquent and the total amount of the payment required to make the account current, (b) the options the Owner has to avoid having the account turned over to a collection agent, as such term is defined in Texas Property Code Section 209.0064, including information regarding availability of a payment plan through the Association, and (c) that the Owner has thirty (30) for the Owner to cure the delinquency before further collection action is taken. The Association's delinquency-related correspondence may state that if full payment is not timely received, the Association may pursue any or all of the Association's remedies, at the sole cost and expense of the defaulting Owner.
- 5-C. Verification of Owner Information. The Association may obtain a title report to determine the names of the Owners and the identity of other lien-holders, including the mortgage company.
- 5-D. Collection Agency. The Board may employ or assign the debt to one or more collection agencies.
- 5-E. Notification of Mortgage Lender. The Association may notify the mortgage lender of the default obligations.
- 5-F. Notification of Credit Bureau. The Association may report the defaulting Owner to one or more credit reporting services.

- 5-G. Collection by Attorney. If the Owner's account remains delinquent for a period of ninety (90) days, the manager of the Association or the Board of the Association shall refer the delinquent account to the Association's attorney for collection. In the event an account is referred to the Association's attorney, the Owner will be liable to the Association for its legal fees and expenses. Upon referral of a delinquent account to the Association's attorney, the Association's attorney will provide the following notices and take the following actions unless otherwise directed by the Board:
- (1) Initial Notice: Preparation of the Initial Notice of Demand for Payment Letter. If the account is not paid in full within 30 days (unless such notice has previously been provided by the Association), then
 - (2) Lien Notice: Preparation of the Lien Notice and Demand for Payment Letter and record a Notice of Unpaid Assessment Lien. If the account is not paid in full within 30 days, then
 - (3) Final Notice: Preparation of the Final Notice of Demand for Payment Letter and Intent to Foreclose and Notice of Intent to Foreclose to Lender. If the account is not paid in full within 30 days, then
 - (4) Foreclosure of Lien: Only upon specific approval by a majority of the Board.
- 5-H. Notice of Lien. The Association's attorney may cause a notice of the Association's Assessment lien against the Owner's home to be publicly recorded. In that event, a copy of the notice will be sent to the defaulting Owner, and may also be sent to the Owner's mortgagee.
- 5-I. Cancellation of Debt. If the Board deems the debt to be uncollectible, the Board may elect to cancel the debt on the books of the Association, in which case the Association may report the full amount of the forgiven indebtedness to the Internal Revenue Service as income to the defaulting Owner.
- 5-J. Suspension of Use of Certain Facilities or Services. The Board may suspend the use of the Common Area amenities by an Owner, or his tenant, whose account with the Association is delinquent for at least thirty (30) days.

SECTION 6. GENERAL PROVISIONS

- 6-A. Independent Judgment. Notwithstanding the contents of this detailed policy, the officers, directors, manager, and attorney of the Association may exercise their independent, collective, and respective judgment in applying this policy.
- 6-B. Other Rights. This policy is in addition to and does not detract from the rights of the Association to collect Assessments under the Restrictions and the laws of the State of Texas.
- 6-C. Limitations of Interest. The Association, and its officers, directors, managers, and attorneys, intend to conform strictly to the applicable usury laws of the State of Texas. Notwithstanding anything to the contrary in the Restrictions or any other document or agreement executed or made in connection with this policy, the Association will not in any event be entitled to receive or

collect, as interest, a sum greater than the maximum amount permitted by applicable law. If from any circumstances whatsoever, the Association ever receives, collects, or applies as interest a sum in excess of the maximum rate permitted by law, the excess amount will be applied to the reduction of unpaid Assessments, or reimbursed to the Owner if those Assessments are paid in full.

- 6-D. Notices. Unless the Restrictions, applicable law, or this policy provide otherwise, any notice or other written communication given to an Owner pursuant to this policy will be deemed delivered to the Owner upon depositing same with the U.S. Postal Service, addressed to the Owner at the most recent address shown on the Association's records, or on personal delivery to the Owner. Similarly, notice to one resident is deemed notice to all residents. Written communications to the Association, pursuant to this policy, will be deemed given on actual receipt by the Association's president, secretary, managing agent, or attorney.
- 6-E. Amendment of Policy. This policy may be amended from time to time by the Board.

BROOKWOOD FOREST RESIDENTIAL COMMUNITY, INC. RECORDS INSPECTION, COPYING AND RETENTION POLICY

Terms used but not defined in this policy will have the meaning subscribed to such terms in that certain Declaration of Covenants, Conditions and Restrictions for Brookwood Forest recorded in the Official Public Records of Montgomery County, Texas, as the same may be amended from time to time.

Note: Texas statutes presently render null and void any restriction in the Declaration which restricts or prohibits the inspection, copying and/or retention of association records and files in violation of the controlling provisions of the Texas Property Code or any other applicable state law. The Board has adopted this policy in lieu of any express prohibition or any provision regulating such matters which conflict with Texas law, as set forth in the Declaration.

1. **Written Form.** The Association shall maintain its records in written form or in another form capable of conversion into written form within a reasonable time.

2. **Request in Writing; Pay Estimated Costs In Advance.** An Owner (or an individual identified as an Owner's agent, attorney or certified public accountant, provided the designation is in writing and delivered to the Association) may submit a written request via certified mail to the Association's mailing address or authorized representative listed in the management certificate to access the Association's records. The written request must include sufficient detail describing the books and records requested and whether the Owner desires to inspect or copy the records. Upon receipt of a written request, the Association may estimate the costs associated with responding to each request, which costs may not exceed the costs allowed pursuant to Texas Administrative Code Section 70.3, as may be amended from time to time (a current copy of which is attached hereto). Before providing the requested records, the Association will require that the Owner remit such estimated amount to the Association. The Association will provide a final invoice to the Owner on or before the 30th business day after the records are provided by the Association. If the final invoice includes additional amounts due from the requesting party, the additional amounts, if not reimbursed to the Association before the 30th business day after the date the invoice is sent to the Owner, may be added to the Owner's account as an assessment. If the estimated costs exceeded the final invoice amount, the Owner is entitled to a refund, and the refund shall be issued to the Owner not later than the 30th business day after the date the final invoice is sent to the Owner.

3. **Period of Inspection.** Within ten (10) business days from receipt of the written request, the Association must either: (1) provide the copies to the Owner; (2) provide available inspection dates; or (3) provide written notice that the Association cannot produce the documents within the ten (10) business days along with either: (i) another date within an additional fifteen (15) business days on which the records may either be inspected or by which the copies will be sent to the Owner; or (ii) a notice that after a diligent search, the requested records are missing and cannot be located.

4. **Records Retention.** The Association shall keep the following records for at least the time periods stated below:

- a. **PERMANENT:** The Articles of Incorporation or the Certificate of Formation, the Bylaws and the Declaration, any and all other governing documents, guidelines, rules, regulations and policies and all amendments thereto recorded in the property records to be effective against any Owner and/or Member of the Association.
- b. **FOUR (4) YEARS:** Contracts with a term of more than one (1) year between the Association and a third party. The four (4) year retention term begins upon expiration of the contract term.
- c. **FIVE (5) YEARS:** Account records of each Owner. Account records include debit and credit entries associated with amounts due and payable by the Owner to the Association, and written or electronic records related to the Owner and produced by the Association in the ordinary course of business.
- d. **SEVEN (7) YEARS:** Minutes of all meetings of the Board and the Owners.
- e. **SEVEN (7) YEARS:** Financial books and records produced in the ordinary course of business, tax returns and audits of the Association.
- f. **GENERAL RETENTION INSTRUCTIONS:** "Permanent" means records which are not to be destroyed. Except for contracts with a term of one (1) year or more (See item 4.b. above), a retention period starts on the last day of the year in which the record is created and ends on the last day of the year of the retention period. For example, if a record is created on June 14, 2014, and the retention period is five (5) years, the retention period begins on December 31, 2014 and ends on December 31, 2019. If the retention period for a record has elapsed and the record will be destroyed, the record should be shredded or otherwise safely and completely destroyed. Electronic files should be destroyed to ensure that data cannot be reconstructed from the storage mechanism on which the record resides.

5. **Confidential Records.** As determined in the discretion of the Board, certain Association records may be kept confidential such as personnel files, Owner account or other personal information (except addresses) unless the Owner requesting the records provides a court order or written authorization from the person whose records are sought.

6. **Attorney Files.** Attorney's files and records relating to the Association (excluding invoices requested by an Owner pursuant to Texas Property Code Section 209.008(d)), are not records of the Association and are not: (a) subject to inspection by the Owner; or (b) subject to production in a legal proceeding. If a document in an attorney's files and records relating to the Association would be responsive to a legally authorized request to inspect or copy Association documents, the document shall be produced by using the copy from the attorney's files and records if the Association has not maintained a separate copy of the document. The Association is not required under any circumstance to produce a

document for inspection or copying that constitutes attorney work product or that is privileged as an attorney-client communication.

7. ***Presence of Board Member or Manager; No Removal.*** At the discretion of the Board or the Association's manager, certain records may only be inspected in the presence of a Board member or employee of the Association's manager. No original records may be removed from the office without the express written consent of the Board.

TEXAS ADMINISTRATIVE CODE
TITLE 1, PART 3, CHAPTER 70
RULE §70.3 - CHARGES FOR PROVIDING COPIES OF PUBLIC INFORMATION

(a) The charges in this section to recover costs associated with providing copies of public information are based on estimated average costs to governmental bodies across the state. When actual costs are 25% higher than those used in these rules, governmental bodies other than agencies of the state, may request an exemption in accordance with §70.4 of this title (relating to Requesting an Exemption).

(b) Copy charge.

(1) Standard paper copy. The charge for standard paper copies reproduced by means of an office machine copier or a computer printer is \$.10 per page or part of a page. Each side that has recorded information is considered a page.

(2) Nonstandard copy. The charges in this subsection are to cover the materials onto which information is copied and do not reflect any additional charges, including labor, that may be associated with a particular request. The charges for nonstandard copies are:

(A) Diskette--\$1.00;

(B) Magnetic tape--actual cost;

(C) Data cartridge--actual cost;

(D) Tape cartridge--actual cost;

(E) Rewritable CD (CD-RW)--\$1.00;

(F) Non-rewritable CD (CD-R)--\$1.00;

(G) Digital video disc (DVD)--\$3.00;

(H) JAZ drive--actual cost;

(I) Other electronic media--actual cost;

(J) VHS video cassette--\$2.50;

(K) Audio cassette--\$1.00;

(L) Oversize paper copy (e.g.: 11 inches by 17 inches, greenbar, bluebar, not including maps and photographs using specialty paper--See also §70.9 of this title)--\$.50;

(M) Specialty paper (e.g.: Mylar, blueprint, blueline, map, photographic--actual cost.

(c) Labor charge for programming. If a particular request requires the services of a programmer in order to execute an existing program or to create a new program so that requested information may be accessed and copied, the governmental body may charge for the programmer's time.

(1) The hourly charge for a programmer is \$28.50 an hour. Only programming services shall be charged at this hourly rate.

(2) Governmental bodies that do not have in-house programming capabilities shall comply with requests in accordance with §552.231 of the Texas Government Code.

(3) If the charge for providing a copy of public information includes costs of labor, a governmental body shall comply with the requirements of §552.261(b) of the Texas Government Code.

(d) Labor charge for locating, compiling, manipulating data, and reproducing public information.

(1) The charge for labor costs incurred in processing a request for public information is \$15 an hour. The labor charge includes the actual time to locate, compile, manipulate data, and reproduce the requested information.

(2) A labor charge shall not be billed in connection with complying with requests that are for 50 or fewer pages of paper records, unless the documents to be copied are located in:

(A) Two or more separate buildings that are not physically connected with each other; or

(B) A remote storage facility.

(3) A labor charge shall not be recovered for any time spent by an attorney, legal assistant, or any other person who reviews the requested information:

(A) To determine whether the governmental body will raise any exceptions to disclosure of the requested information under the Texas Government Code, Subchapter C, Chapter 552; or

(B) To research or prepare a request for a ruling by the attorney general's office pursuant to §552.301 of the Texas Government Code.

(4) When confidential information pursuant to a mandatory exception of the Act is mixed with public information in the same page, a labor charge may be recovered for time spent to redact, blackout, or otherwise obscure confidential information in order to release the public information. A labor charge shall not be made for redacting confidential information for requests of 50 or fewer pages, unless the request also qualifies for a labor charge pursuant to Texas Government Code, §552.261(a)(1) or (2).

(5) If the charge for providing a copy of public information includes costs of labor, a governmental body shall comply with the requirements of Texas Government Code, Chapter 552, §552.261(b).

(6) For purposes of paragraph (2)(A) of this subsection, two buildings connected by a covered or open sidewalk, an elevated or underground passageway, or a similar facility, are not considered to be separate buildings.

(e) Overhead charge.

(1) Whenever any labor charge is applicable to a request, a governmental body may include in the charges direct and indirect costs, in addition to the specific labor charge. This overhead charge would cover such costs as depreciation of capital assets, rent, maintenance and repair, utilities, and administrative overhead. If a governmental body chooses to recover such costs, a charge shall be made in accordance with the methodology described in paragraph (3) of this subsection. Although an exact calculation of costs will vary, the use of a standard charge will avoid complication in calculating such costs and will provide uniformity for charges made statewide.

(2) An overhead charge shall not be made for requests for copies of 50 or fewer pages of standard paper records unless the request also qualifies for a labor charge pursuant to Texas Government Code, §552.261(a)(1) or (2).

(3) The overhead charge shall be computed at 20% of the charge made to cover any labor costs associated with a particular request. Example: if one hour of labor is used for a particular request, the formula would be as follows: Labor charge for locating, compiling, and reproducing, \$15.00 x .20 = \$3.00;

or Programming labor charge, $\$28.50 \times .20 = \5.70 . If a request requires one hour of labor charge for locating, compiling, and reproducing information ($\$15.00$ per hour); and one hour of programming labor charge ($\$28.50$ per hour), the combined overhead would be: $\$15.00 + \$28.50 = \$43.50 \times .20 = \8.70 .

(f) Microfiche and microfilm charge.

(1) If a governmental body already has information that exists on microfiche or microfilm and has copies available for sale or distribution, the charge for a copy must not exceed the cost of its reproduction. If no copies of the requested microfiche or microfilm are available and the information on the microfiche or microfilm can be released in its entirety, the governmental body should make a copy of the microfiche or microfilm. The charge for a copy shall not exceed the cost of its reproduction. The Texas State Library and Archives Commission has the capacity to reproduce microfiche and microfilm for governmental bodies. Governmental bodies that do not have in-house capability to reproduce microfiche or microfilm are encouraged to contact the Texas State Library before having the reproduction made commercially.

(2) If only a master copy of information in microfilm is maintained, the charge is \$.10 per page for standard size paper copies, plus any applicable labor and overhead charge for more than 50 copies.

(g) Remote document retrieval charge.

(1) Due to limited on-site capacity of storage documents, it is frequently necessary to store information that is not in current use in remote storage locations. Every effort should be made by governmental bodies to store current records on-site. State agencies are encouraged to store inactive or non-current records with the Texas State Library and Archives Commission. To the extent that the retrieval of documents results in a charge to comply with a request, it is permissible to recover costs of such services for requests that qualify for labor charges under current law.

(2) If a governmental body has a contract with a commercial records storage company, whereby the private company charges a fee to locate, retrieve, deliver, and return to storage the needed record(s), no additional labor charge shall be factored in for time spent locating documents at the storage location by the private company's personnel. If after delivery to the governmental body, the boxes must still be searched for records that are responsive to the request, a labor charge is allowed according to subsection (d)(1) of this section.

(h) Computer resource charge.

(1) The computer resource charge is a utilization charge for computers based on the amortized cost of acquisition, lease, operation, and maintenance of computer resources, which might include, but is not limited to, some or all of the following: central processing units (CPUs), servers, disk drives, local area networks (LANs), printers, tape drives, other peripheral devices, communications devices, software, and system utilities.

(2) These computer resource charges are not intended to substitute for cost recovery methodologies or charges made for purposes other than responding to public information requests.

(3) The charges in this subsection are averages based on a survey of governmental bodies with a broad range of computer capabilities. Each governmental body using this cost recovery charge shall determine which category(ies) of computer system(s) used to fulfill the public information request most closely fits its existing system(s), and set its charge accordingly. Type of System--Rate: mainframe--\$10 per CPU minute; Midsize--\$1.50 per CPU minute; Client/Server--\$2.20 per clock hour; PC or LAN--\$1.00 per clock hour.

(4) The charge made to recover the computer utilization cost is the actual time the computer takes to execute a particular program times the applicable rate. The CPU charge is not meant to apply to programming or printing time; rather it is solely to recover costs associated with the actual time required by the computer to execute a program. This time, called CPU time, can be read directly from the CPU clock, and most frequently will be a matter of seconds. If programming is required to comply with a particular request, the appropriate charge that may be recovered for programming time is set forth in subsection (d) of this section. No charge should be made for computer print-out time. Example: If a mainframe computer is used, and the processing time is 20 seconds, the charges would be as follows: $\$10 / 3 = \3.33 ; or $\$10 / 60 \times 20 = \3.33 .

(5) A governmental body that does not have in-house computer capabilities shall comply with requests in accordance with the §552.231 of the Texas Government Code.

(i) Miscellaneous supplies. The actual cost of miscellaneous supplies, such as labels, boxes, and other supplies used to produce the requested information, may be added to the total charge for public information.

(j) Postal and shipping charges. Governmental bodies may add any related postal or shipping expenses which are necessary to transmit the reproduced information to the requesting party.

(k) Sales tax. Pursuant to Office of the Comptroller of Public Accounts' rules sales tax shall not be added on charges for public information (34 TAC, Part 1, Chapter 3, Subchapter O, §3.341 and §3.342).

(l) Miscellaneous charges: A governmental body that accepts payment by credit card for copies of public information and that is charged a "transaction fee" by the credit card company may recover that fee.

(m) These charges are subject to periodic reevaluation and update.
