

Pecan Lakes Estates at Pecan Lakes Golf Club

Pecan Lakes Golf Club is a public, residential, and golfing community located just northwest of Houston and south of Bryan/College Station in beautiful Navasota, Texas.

We first opened our doors in 2002. By 2003 we were already rated by Texas Golfer as one of the Top Five Best Kept Secrets in our ENTIRE state. Our famed architect Jay Revere coined us his "swan song" among his many unforgettable designs. Our course blends challenging play for all skill levels and simply remarkable playing conditions. Pecan Lakes Golf Club offers four sets of tees to challenge golfers of all skill levels.

Recently completed updates include a fully furnished men's locker room, exercise room, swimming pool, and a gorgeous conference room that is perfect for parties and corporate events with a breathtaking view overlooking the course.

Navasota Municipal Airport

Pilots can live just a golf-cart ride away from their hangar at Navasota Municipal Airport, with its full service FBO and 5,000' runway. Commute from the big city to a peaceful small town with clean air and clear skies. Navasota is a friendly, freedom-loving, beautiful, thriving, reviving, historic town in Grimes County, Texas.
